FPC receives touch fingerprint sensor order of 90 MSEK

Fingerprint Cards (FPC) has received an order for its touch fingerprint sensor FPC1025 from one of its module partners. Deliveries are planned for Q2 2015 and the sensors will be used by smartphone manufacturers in China. The order value of 90 MSEK is included in the communicated revenue guidance of + 1 000 MSEK for 2015.

Jörgen Lantto, acting President and Chief Executive Officer of FPC, comments: *"In addition to the order announced March 19, this order also applies to deliveries of FPC1025. As previously communicated we are partnering with several module vendors and these orders confirm that our partners will use FPC1025 for deliveries to smartphone manufacturers in China".*
