

Change in Hoist Finance Executive Management Team

Najib Nathoo, Regional Director West Europe, leaves Hoist Finance. Najib has worked with the company since 2012 and been a member of Hoist Finance Executive Management Team since 2015.

“Najib has played an important role in the evolution of Hoist Finance over the years, from the successful establishment in the UK and Spain to the turn-around of our French operations. I am grateful for the contribution Najib has made to the company during all these years and I would like to wish him the best of luck when he leaves the company to take on new challenges”, says Jörgen Olsson, CEO Hoist Finance.

The recruitment process to find a successor starts immediately. During this process Ulf Eggefors will assume the role as acting Regional Director West Europe and at the same time become a permanent member of the Executive Management Team.

Ulf has extensive experience from the financial industry and has previously held positions such as Global Head of Trade Finance Services at Swedbank, CFO at Cell Mark and a number of senior positions with SEB in Stockholm and London.
