The Nomination Committee's proposal regarding the Board of Directors of Humana for the 2025 AGM

Ahead of the Annual General Meeting 2025, The Nomination Committee proposes that the Board of Directors, for the period until the end of the next AGM, shall consist of seven members elected by the Annual General Meeting without alternates.

Humana's Nomination Committee prior to the 2025 AGM consists of Fredrik Strömholm, appointed by Impilo Care AB (Chairman of the Nomination Committee), Alexander Kopp, appointed by Incentive AS, Richard Torgerson, appointed by Nordea Funds, Anette Andersson, appointed by SEB Asset Management AB and Anders Nyberg, Humana's Chairman of the Board.

Since the autumn of 2024, The Nomination Committee has been working to evaluate the work and composition of the Board.

The Nomination Committee proposes re-election of the Board members Grethe Aasved, Carolina Oscarius Dahl, Monica Lingegård, Leena Munter, Anders Nyberg, Ralph Riber and Fredrik Strömholm. The Nomination Committee proposes that Anders Nyberg be elected Chairman of the Board.

"In 2023, several strong new members were recruited to Humana's Board of Directors, and we see great value in having continuity on the Board to support Humana's continued development in several areas, not least given that the company has new senior executives in several positions", says Fredrik Strömholm, Chairman of the Nomination Committee.

The Nomination Committee's other proposals for the AGM on May 6, 2025, and the statement on the proposed Board will be available on the company's website <http://www.humanagroup.se> in connection with the publication of the notice convening the AGM.
