Notes to the Consolidated Financial Statements, page 62

1. We note your response to prior comment one and your statement that the Board of Directors receives forecasted and actual results for revenue, AOI, and OI (including AOI and OI margins) at the Brand Group level in its quarterly reporting. Please confirm whether your CODM also receives this Brand Group-level information, the frequency it is received, and how it is used. Also confirm if the CODM receives this same Brand Group-level of detail during the budgeting process.
2. Please describe how each of the Brand CEOs and other of the CODM's direct reports are compensated, including whether any compensation is dependent on a measure of profitability at the Brand Group level.
