Niclas Bergman, founder and CEO of Nivika, comments:

"Through an IPO on Nasdaq Stockholm we are taking the next step in Nivika's growth journey. The listing enables us to continue to deliver growth and create shareholder value. We have had a very exciting journey and I look forward to continuing that journey together with our competent employees and our new and former shareholders."

Background and reasons for the Offering

The purpose of the Offering and Listing is to create prerequisites for continued good growth, primarily through an increased and more efficient long-term access to capital from the capital market. Nivika's Board of Directors and Management consider a listing to be a natural and important step in the Company's development and assess that the Listing will lead to an increased awareness of Nivika and its operations.

The Company intends to use the whole net issue proceeds from the Offering to finance continued growth through acquisitions and project development with new development of residential as well as commercial properties for long-term own ownership and management.

Stabilisation measures

In connection with the Offering, Danske Bank may, as stabilisation agent for Joint Global Coordinators and Joint Bookrunners (the "**Stabilisation agent**"), to the extent permitted by Swedish law, carry out transactions aimed at supporting, maintaining or in other ways affect the market price of the Company's Class B shares for up to 30 days after the first day of trading with the Company's Class B shares on Nasdaq Stockholm. The Stabilisation agent may over-allot shares or carry out transactions in order to maintain the market price of the shares at a higher level than could otherwise have prevailed in the market. However, the Stabilisation agent is not obliged to carry out such transactions and there is no guarantee that such activities will be carried out. Such stabilisation transactions may be carried out on all types of stock markets, the OTC market or in other ways. If the transactions still are carried out, they may be discontinued at any time without notice thereof, but must be ended by the end of the above mentioned 30 day period. At latest by the end of the seventh day of trading following the execution of stabilisation transactions, the Stabilisation agent shall disclose that stabilisation measures have been conducted, in accordance with Article 5(4) in the EU Market Abuse Regulation 596/2014. Within one week after the end of the stabilisation period, the Stabilisation agent will declare whether or not stabilisation was carried out, the date on which stabilisation was initiated, the date on which stabilisation was last carried out and the price range within which stabilisation was carried out for each of the stabilisation transactions. Except as stated in laws or regulations, the Joint Global Coordinators and the Joint Bookrunners or the Stabilisation agent will not disclose the extent of the stabilisation and / or over-allotment transactions in connection with the Offering.

In the United Kingdom, this press release is for distribution only to and is directed only at persons who (i) have professional experience in matters relating to investments which fall within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the "**Order**"), (ii) are persons falling within Article 49(2)(a) to (d) ("high net worth companies, unincorporated associations etc") of the Financial Promotion Order, (iii) are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as "**relevant persons**"). This press release is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this press release relates is available only to relevant persons and will be engaged in only with relevant persons.

Matters discussed in this press release may constitute forward-looking statements. Forward-looking statements are statements that are not historical facts and may be identified by words such as "believe," "expect," "anticipate," "intends," "estimate," "will," "may," "continue", "should" and similar expressions. The forward-looking statements in this release are based upon various assumptions, many of which are based, in turn, upon further assumptions. Although the Company believes that these assumptions were reasonable when made, these assumptions are inherently subject to significant known and unknown risks, uncertainties, contingencies and other important factors which are difficult or impossible to predict and are beyond its control. Such risks, uncertainties, contingencies and other important factors could cause actual events to differ materially from the expectations expressed or implied in this release by such forward-looking statements. The information, opinions and forward-looking statements contained in this press release speak only as at its date and are subject to change without notice. The Company does not undertake any obligation to review, update, confirm or release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise in relation to the content of this communication.

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "**manufacturer**" (for the purposes of the Product Governance Requirements) may otherwise have with respect thereto, the B-shares have been subject to a product approval process, which has determined that such B-shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**EU Target Market Assessment**"). Solely for the purposes of each manufacturer's product approval process in the United Kingdom, the target market assessment in respect of the securities in the Company has led to the conclusion that: (i) the target market for such securities is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook, and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**"); and (ii) all channels for distribution of such securities to eligible counterparties and professional clients are appropriate (the "**UK Target Market Assessment**" and, together with the EU Target Market Assessment, the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the B-shares may decline and investors could lose all or part of their investment; the B-shares offer no guaranteed income and no capital protection; and an investment in the B-shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offering. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Managers will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any
