About Nivika

Nivika is a fast-growing property company with focus on long-term ownership, efficient new development and with an investment strategy with purpose of being flexible and adaptable towards the property market. The Company's main objectives are owning, managing, and developing properties. The Company primarily operates in Jönköping, Värnamo and Växjö and, to an increasing extent, also in western and southern Sweden, including Helsingborg, Halmstad and Varberg. Nivika is headquartered in Värnamo and was founded in year 2000 by the Company's current CEO respective a member of the Board of Directors, also the current principal owners¹, spouses Niclas Bergman and Viktoria Bergman. As of 31 August 2021, Nivika owned properties valued at MSEK 6,910, of which residential properties and community and social properties composed approximately 35 percent of the property value. The remaining property value was attributable to commercial properties with emphasis on industrial and logistics and offices. In addition, new construction and property development for own management is an important part of Nivika's operations and as of 31 August 2021, the Company had planned projects with a total investment volume of approximately MSEK 5,430 – 6,430², which includes approximately 1,660 new apartments.

Nivika's ambition is to continue to grow while maintaining current profitability. The Company considers itself to be in a good position for continuing its expansion within its geographical area, with a focus on residential properties and community and social properties. Nivika targets residential and community and social properties to account for 60 percent of the property value by the end of 2025.

¹ Through the company Värnanäs AB.

² Only includes projects with a project budget of above MSEK 5.
