Facts about Nederman

Nederman is one of the world's leading companies supplying products and solutions in the environmental technology sector focusing on industrial air filtration. The company's products and systems contribute to reducing the environmental effects from industrial production, to creating safe and clean working environments and to boosting production efficiency. Nederman's offering encompasses everything from the design stage through to installation, commissioning and servicing. Sales are carried out via subsidiaries in 30 countries and distributors in over 30 countries. Nederman develops and produces products at its own manufacturing and assembly units in Europe, North America and Asia. The Group is listed on Nasdaq OMX, Stockholm and has around 1,950 employees.

Nederman Holding AB (publ), P.O. Box 602, SE-251 06 Helsingborg, Sweden.
