## **Nederman signs order worth SEK 85 million with the Zhongwang Aluminium Group, China**

**Nederman has signed contracts with Zhongwang Aluminium Group to supply complete solutions for filtrating fumes from the aluminium smelting processes. The new contracts are worth around SEK 85 million.**

The Zhongwang Aluminium Group is one of the largest enterprises for supplying aluminium profiles in the world. The order includes the design, manufacturing and complete turnkey supply of Nederman filters and coolers, engineered and produced by the Nederman factory in Suzhou, China and with project management by the Nederman Chinese Organisation.

"We got our first contract from Zhongwang Aluminium Group in August last year and this second agreement shows the confidence we have gained and our ability to deliver in accordance to Zhongwang Aluminium Group's high demands," says Sven Kristensson, CEO of Nederman.

Installations are planned to take place from 2014 to 2016.
