

PRESS RELEASE

Helsingborg, 28 April, 2022

## **Nederman acquires the assets of Ezi-Duct Pty Ltd in Australia**

**The environmental technology company Nederman has acquired the assets of the Australian company Ezi-Duct Pty Ltd. Ezi-Duct manufacture & supply ducting, fume extraction and industrial air filtration equipment. With this acquisition Nederman strengthens its position and product range in the Australian market.**

The acquisition price amounts to approximately SEK 18 million, of which SEK 4 million is deferred for one year. The acquisition is funded by cash and existing bank facilities. The turnover of Ezi-Duct will not materially impact the income statement of the Nederman Group for 2022.

Ezi-Duct with approximately 35 employees will be part of Nederman's Duct & Filter Technology Division.

"With this acquisition we continue our Clean Air Journey and improve our product range and market presence in Australia and the Pacific region. I would like to take the opportunity to welcome the employees of Ezi-Duct to the Nederman group", says Sven Kristensson, CEO Nederman Group.
