

Press release 2012-10-15

OEM International acquires Vanlid Transmission AB with subsidiaries

OEM International has today acquired Vanlid Transmission AB in Malmö and Hultsfred, with subsidiaries Ronson Transmission AB and Fenix Transmission AB. The company group markets transmission products in Sweden with an annual turnover of approximately 30 MSEK.

- Thanks to the acquisition we will add a new range of products complementing our present product range. Vanlid Transmission AB with subsidiaries are well managed companies that we gradually will develop together with present management, says Jörgen Zahlin, Managing Director and CEO for OEM International.

The purchase sum amounts to 8 MSEK. The acquisition is expected to have a small impact on OEM's profit for the current year.

This information is of the type that the company is obliged to publish in accordance with the Swedish Securities Market Act. The information was made public on 15 th October 2012 at 16.00 CET.

Tranås, 15 th October 2012

OEM International AB (publ)
