### Helena Holmgren announces her departure as CEO for Pricer

Helena Holmgren has today informed the Board of Directors of Pricer AB that she has decided to resign as CEO. The Board of Directors now initiates the search for a successor. Until a new CEO is in place, the company's current Group Finance Director, Magnus Midgard, will be acting CEO, and Knut Faremo, Chairman of the Board, will be executive Chairman of the Board.

"I would like to thank Helena for her contribution to Pricer, which today is a leading global player in digital store solutions. Under Helena's leadership, Pricer has made an extensive transformation, from a hardware supplier to a leading tech company in Smart Retail. The board and I regret that Helena has chosen to resign, but we respect her decision, says Knut Faremo, Chairman of the Board of Pricer.

"I am proud to have led Pricer for almost five years. During that time, we have made an extensive transformation of the company. We have dedicated employees who do a fantastic job every day, but after seven years with the company, I feel it's time to hand over to someone else. The company is very well positioned, and I have therefore made the decision that now is the right time to hand over the leadership for the future", says Helena Holmgren.
