

## **PRESS RELEASE - STOCKHOLM, MAY 25, 2010**

### **Resolutions at the Annual General Meeting of RaySearch Laboratories AB (publ)**

The Annual General Meeting of the shareholders of RaySearch Laboratories AB (publ), which was held on May 25, 2010, passed the following resolutions, among others.

The proposal by the Board of Directors and the Managing Director concerning a distribution of dividends amounting to fifty (50) öre per share was adopted. May 28, 2010, was chosen as record day in respect of the dividends, and thus payment of the dividends is estimated to take place on 2 June, 2010.

It was resolved that the number of Board members shall be four (4) and the number of deputy members shall be zero (0). Johan Löf, Erik Hedlund, Carl Filip Bergendal and Hans Wigzell were re-elected members of the Board, with Erik Hedlund as Chairman of the Board. Thomas Pousette was not re-elected deputy member of the Board.

The Annual General Meeting resolved that the director fees to be paid to Board members who do not receive a salary from any Group company shall total SEK 600,000 for the period until the next Annual General Meeting, of which the Chairman of the Board shall receive SEK 360,000 and each other elected Board member who does not receive a salary from any company in the Group shall receive SEK 120,000.

The Board of Directors and the President were discharged from personal liability for the 2009 fiscal year.

#### **ABOUT RAYSEARCH**

RaySearch Laboratories is a medical technology company that develops advanced software solutions for improved radiation therapy of cancer. RaySearch's products are mainly sold through license agreements with leading partners such as Philips, Varian, Siemens, Nucletron, IBA Dosimetry and TomoTherapy. To date, 15 products have been launched and RaySearch's software is used at some 1,500 clinics in more than 30 countries. In addition, existing license agreements cover more than 15 other products that are scheduled to be launched in the coming years. RaySearch was founded in 2000 as a spin-off from Karolinska Institutet in Stockholm and the company is listed in the Small Cap segment on NASDAQ OMX Stockholm.
