

Rejlers continues as the preferred supplier to Vattenfall

(REJL B)

Rejlers have in fierce competition signed an agreement with Vattenfall AB for the purchase of engineering services in the nuclear, hydro and wind power area. The framework agreement covers the period 2011-2013, with an option for 2014.

Rejlers has been classified as A-supplier, which means the preferred supplier. A large number of Rejlers offices from Luleå in the north to Malmö in the south will be involved in the projects of Vattenfall. The agreement applies to the companies Ringhals, Forsmark Power Group, Vattenfall AB, Hydro, Wind Power, Vattenfall AB, Vattenfall Services Nordic AB, and Vattenfall R & D.

As an A-supplier to Vattenfall Rejlers believes to have a continued order growth the coming years.
