**PRESS RELEASE**

Malmö, 7 April 2022

**Exercise of the overallotment option in SLP and end of stabilisation period**

**Carnegie Investment Bank AB (publ) ("Carnegie") and Nordea Bank Abp, Sverige Filial ("Nordea" and together with Carnegie, "Joint Global Coordinators") have exercised the overallotment option of 3,623,188 B-shares in Swedish Logistic Property AB ("SLP" or the "Company"). The stabilisation period has now ended, and no stabilisation actions have been nor will be carried out.**

As announced in connection with the offering regarding subscription for B-shares in SLP (the "Offering") and the listing of the B-share on Nasdaq Stockholm, Carnegie may, acting as stabilisation manager, carry out transactions aimed at supporting the market price of the shares at levels above those which might otherwise prevail in the market. No stabilisation activities have been carried out since the listing and due to SLP's share price development, Carnegie has decided to end the stabilisation period in advance.

In connection with the Offering, the Company granted an overallotment option to the Joint Global Coordinators, which entitles Carnegie to subscribe up to 3,623,188 additional B-shares in the Company, corresponding to up to 15 percent of the total number of B-shares encompassed by the Offering, in order to cover any overallotment in the Offering. The Joint Global Coordinators have today requested to exercise the overallotment option in full.

As a consequence of the exercise of the overallotment option, SLP has resolved to issue 3,623,188 B-shares (at a price corresponding to the issue price in the Offering, SEK 27.00 per B-share), after which the total number of outstanding shares in SLP amounts to 180,709,508 (of which 55,477,965 are A-shares and 125,231,543 are B-shares). The Offering has consequently comprised in total 27,777,778 newly issued B-shares including the overallotment.

In order to facilitate the delivery of B-shares in the Offering, Skandrenting AB, which is controlled by the chairman of the board Erik Selin, and Fridam Fastigheter AB, which is controlled by the CEO Peter Strand, have borrowed 3,623,188 B-shares in the Company to Carnegie. The borrowed B-shares will be returned immediately after registration of the newly issued shares included in the overallotment option.

After the exercise of the overallotment option and registration of the newly issued shares, the Company's outstanding shares are distributed accordingly:

<b>A-shares (number)</b>	<b>B-shares (number)</b>	<b>Total number of shares</b>	<b>Total number of votes</b>
55,477,965	125,231,543	180,709,508	402,621,368
