Forward-looking statements

We may in this Document make statements that are not historical facts and relate to analyses and other information based on forecasts of future results or estimates of amounts not yet determinable. These are forward-looking statements as defined in the US Private Securities Litigation Reform Act of 1995. Words such as "believe", "anticipate", "expect", "intend", "seek", "will", "plan", "could", "may", "endeavour" and "project" and similar expressions are intended to identify such forward-looking statements, but are not exclusive means of identifying such statements. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and there are risks that predictions, forecasts, projections and other forward-looking statements will not be achieved. If one or more of these risks materialise, or should underlying assumptions prove incorrect, actual results may be very different from those anticipated.

The factors that could cause our actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements are discussed more fully in our annual report under the Securities Exchange Act of 1934 on Form 20-F filed on 28 September 2010 and in other filings with the United States Securities and Exchange Commission. Forward-looking statements apply only as of the date on which they are made and Sasol does not undertake any obligation to update or revise any of them, whether as a result of new information, future events or otherwise.

OVERVIEW

The definitions and interpretations commencing on page 6 of this Document apply to this Overview section.

Nothing in this Circular constitutes or forms part of any offer for sale or solicitation of any offer to buy any ordinary shares or other securities of Sasol. The securities described in this Circular have not been registered under the Securities Act and may not be offered or sold in the United States or to US persons (as defined in regulations under the Securities Act).

The minimum investment period during which the disposal of Sasol BEE Ordinary Shares was not permitted, expired on 7 September 2010. Accordingly, Sasol BEE Ordinary Shareholders became entitled to Sell their Sasol BEE Ordinary Shares to BEE Compliant Persons from 8 September 2010.

In terms of the Cash Contract and New Cash Contract, Sasol committed to use its reasonable endeavours to establish a mechanism to facilitate trading in Sasol BEE Ordinary Shares between BEE Compliant Persons until such time as these shares are redesignated as Sasol Ordinary Shares. As part of its initiatives to fulfil Sasol's commitment to set up a trading mechanism, Sasol in conjunction with the JSE explored the possibility of expanding the JSE's existing securities trading sectors to allow for the trading of BEE Securities. As all trading on the JSE currently takes place on the basis of the principle of unrestricted transfers, it became clear that it would be necessary to implement an entirely new ground-breaking system to allow trading only under a restricted transfer environment to provide for Sasol's primary requirement that all purchasers of Sasol BEE Ordinary Shares must be BEE Compliant Persons (see paragraph 6 in the Circular). The JSE committed to implement such a trading mechanism for the purposes of enabling Issuers of BEE Securities to list these securities. Sasol has worked extensively with the JSE on this initiative, and has dedicated significant resources to developing, in conjunction with the JSE, the concept of the proposed BEE Segment of the Main Board of the JSE. This initiative has impacted upon and required the co-operation of not only the JSE itself, but also the Brokers, CSD Participants and Strate.

Sasol at the same time investigated other trading mechanisms. After making detailed assessments, Sasol decided that the JSE listing of Sasol BEE Ordinary Shares is the preferred option for the reasons more fully explained in paragraph 2 in the Circular. Because the development of the proposed BEE Segment has been complicated and lengthy, it became clear that it would not be possible to put all processes for the listing in place by 8 September 2010. Accordingly Sasol arranged the Interim Solution to allow Sasol BEE Ordinary Shareholders to Sell their Sasol BEE Ordinary Shares, should they wish to do so, to BEE Compliant Persons until the establishment of the trading mechanism.

Sasol has elected to have a General Meeting knowing that the Proposed Listings Requirements and the Strate amendments have not been formally approved and understanding that as a result if there are material changes to the Proposed Listings Requirements the JSE may request Sasol to issue a supplementary circular or additional announcement/s. Sasol also appreciates that until the Proposed Listings Requirements are approved, legally the JSE cannot approve the listing of the Sasol BEE Ordinary Shares on the JSE. However, the JSE has indicated that it has no reason at this time to consider that there will be material changes to the Proposed Listings Requirements, and if there are no such changes, it will after the Proposed Listings Requirements have come into force, approve the listing of the Sasol BEE Ordinary Shares on the JSE.

Sasol BEE Ordinary Shares are currently required to be held in certificated form. The JSE does not permit trading in securities which are in certificated form, but requires them to be in Dematerialised form. Sasol will bear the costs of the Dematerialisation of the Sasol BEE Ordinary Shares necessary for trading on the JSE. This will be a significant cost for Sasol (approximately R55,00 per certificate) which can be substantially reduced (to approximately R5,00 per certificate) if a Bulk Dematerialisation rather than an individual Dematerialisation is implemented. It also reduces the significant administration involved for both Sasol and the individual Sasol BEE Ordinary Shareholders which would be required if individual Dematerialisations have to be implemented. Undertaking a Bulk Dematerialisation will require the passing of appropriate resolutions by the Sasol Shareholders. If the necessary resolutions for the Bulk Dematerialisation and the other requisite resolutions are passed and where appropriate, registered, and if the Proposed Listings Requirements and Strate amendments are formally approved, it is anticipated that the Sasol BEE Ordinary Shares will be listed on the proposed BEE Segment on Tuesday, 1 February 2011.

If the necessary resolutions for the Bulk Dematerialisation are not passed and/or not registered, Sasol will consider its position having regard to the significant additional costs and administration burden which it would have to incur to implement individual Dematerialisation and will determine whether to list the Sasol BEE Ordinary Shares on the proposed BEE Segment or alternatively set up an OTC. It is anticipated that whatever Sasol decides, a trading mechanism will be available during February 2011.

Any Sasol BEE Ordinary Shareholder who does not wish to participate in the Bulk Dematerialisation will not be obliged to do so and will be entitled to retain his/her/its Sasol BEE Ordinary Shares in certificated form by submitting his/her/its Form of Election (*green*) attached to and forming part of this Document in accordance with the instructions appearing on that Form of Election to the Transfer Secretaries by no later than 12:00 on Friday, 14 January 2011. Before submitting the Form of Election, a Sasol BEE Ordinary Shareholder should consider that he/she/it will not be able to trade his/her/its Sasol BEE Ordinary Shares on the JSE if they are in certificated form.

Sasol Shareholders will be requested to approve other resolutions proposed in terms of the Notice of General Meeting including the other amendments of the Sasol Articles, one of which will change the terms of the Sasol BEE Ordinary Shares to facilitate and reduce the costs of both the listing on the proposed BEE Segment and the OTC alternative, and the necessary approval in terms of the Companies Act to enable Sasol, if and when so required, to give financial assistance to the Public Facilitation Trust.

CIRCULAR TO SASOL SHAREHOLDERS

1. INTRODUCTION AND RATIONALE

Sasol remains committed to South Africa's transformation. Sasol believes empowerment is about creating opportunities and delivering socio-economic processes that will directly contribute to the economic transformation of South Africa.

In terms of the Cash Contract and New Cash Contract, Sasol committed to use its reasonable endeavours to establish a mechanism to facilitate trading in Sasol BEE Ordinary Shares amongst BEE Compliant Persons until the end of the Empowerment Period.

The minimum investment period during which the disposal of Sasol BEE Ordinary Shares was not permitted, expired on 7 September 2010. Accordingly, from 8 September 2010, Sasol BEE Ordinary Shareholders became entitled to Sell their Sasol BEE Ordinary Shares to BEE Compliant Persons. As it was not possible, due to the complexities involved as more fully explained below, for the trading mechanism to be implemented by 8 September 2010, Sasol arranged the Interim Solution to allow Sasol BEE Ordinary Shareholders to Sell their Sasol BEE Ordinary Shares should they wish to do so until a trading mechanism was implemented. The Interim Solution is not the equivalent of a trading mechanism because Sasol BEE Ordinary Shareholders are themselves required to find suitable buyers and to negotiate directly with such buyers. Any person who acquired or will acquire Sasol BEE Ordinary Shares on or after 8 September 2010 until the listing of the Sasol BEE Ordinary Shares on the JSE or implementation of the OTC alternative will be required to sign the New Cash Contract.

As part of Sasol's initiatives to fulfil its commitment to set up a trading mechanism, Sasol in conjunction with the JSE explored the possibility of expanding the JSE's existing securities trading sectors to make provision for the trading of BEE Securities. As all trading on the JSE currently takes place on the basis of the principle of unrestricted transfers, it became clear that it would be necessary to implement an entirely new ground-breaking system to allow trading only under a restricted transfer environment to accommodate Sasol's primary requirement that all Beneficial Owners of Sasol BEE Ordinary Shares must be BEE Compliant Persons (refer to paragraph 6 below). The JSE committed to implement such a trading mechanism for the purposes of enabling Issuers of BEE Securities to list these securities. Sasol has worked extensively with the JSE on this initiative, and has dedicated significant resources to developing, in conjunction with the JSE, the concept of the proposed BEE Segment of the Main Board of the JSE. This initiative has impacted upon and required the co-operation of not only the JSE itself but also the Brokers, CSD Participants and Strate.

Sasol also had in-depth discussions with Strate regarding the revision of the Strate Rules and Directives to complement the changes to the JSE's Rules and Directives. The changes were required to ensure that the transferability of BEE Securities is restricted to take place only between BEE Compliant Persons during the relevant empowerment period of the particular Issuer (being until 7 September 2018 in the case of Sasol, or such shorter period as may be determined by Sasol in its sole discretion).

Sasol at the same time investigated other trading mechanisms. After making detailed assessments, Sasol decided that the JSE listing of Sasol BEE Ordinary Shares is the preferred option for the reasons more fully explained in paragraph 2 below.

Sasol BEE Ordinary Shares are currently required to be held in certificated form. The JSE does not permit trading in securities which are in certificated form but requires them to be in Dematerialised form. Sasol will bear the costs of the Dematerialisation of the Sasol BEE Ordinary Shares necessary for trading on the JSE. This will be a significant cost for Sasol (approximately R55,00 per certificate) which can be substantially reduced (to approximately R5,00 per certificate) if a Bulk Dematerialisation rather than an individual Dematerialisation is implemented. It also reduces the significant administration burden for both Sasol and the individual Sasol BEE Ordinary Shareholders which would be required if individual Dematerialisation have to be implemented. Undertaking a process of Bulk Dematerialisation will require the passing and, if applicable, registration of appropriate resolutions by the Sasol Shareholders. If the resolutions necessary for the Bulk Dematerialisation and the other requisite resolutions are passed and, where applicable, registered, and the proposed Listings Requirements and Strate amendments are approved, which is expected to occur by no later than January 2011, it is anticipated that the Sasol BEE Ordinary Shares will be listed on the proposed BEE Segment on Tuesday, 1 February 2011.

If the necessary resolutions for the Bulk Dematerialisation are not passed and/or not registered, Sasol will consider its position having regard to the significant additional costs and administrative burden which it would have to incur to implement individual Dematerialisation and will determine whether to list the Sasol BEE Ordinary Shares on the proposed BEE Segment or alternatively set up an OTC. Whatever Sasol decides, it is anticipated that a trading mechanism will be available during February 2011. Until this occurs, the Interim Solution will remain in place.

Any Sasol BEE Ordinary Shareholder who does not wish to participate in the Bulk Dematerialisation will not be obliged to do so and will be entitled to retain his/her/its Sasol BEE Ordinary Shares in certificated form by submitting his/her/its Forms of Election attached to and forming part of this Document in accordance with the instructions appearing on that Form of Election to the Transfer Secretaries by no later than 12:00 on Friday, 14 January 2011. However, Election Shareholders should note that the JSE does not permit trading in securities which are in certificated form but requires them to be in Dematerialised form. These revisions have also not yet been formally approved although the regulator is aware of the content of the proposed revisions.

Sasol Shareholders will be requested to approve other resolutions proposed in terms of the Notice of General Meeting, including the amendments of the Sasol Articles, one of which will change the terms of the Sasol BEE Ordinary Shares to facilitate and reduce the costs of both the listing on the proposed BEE Segment or the OTC alternative.

2. THE LISTING OF SASOL BEE ORDINARY SHARES ON THE JSE

- 2.1 A listing on the proposed BEE Segment of the Main Board will provide existing and new Sasol BEE Ordinary Shareholders with the benefits of:
 - 2.1.1 being able to trade their Sasol BEE Ordinary Shares by way of an established market mechanism and infrastructure;
 - 2.1.2 access for Sellers or buyers of Sasol BEE Ordinary Shares to professional broking services of the JSE Members;
 - 2.1.3 automatic matching of willing buyers and Sellers resulting in potential Sellers no longer needing to find their own buyers;
 - 2.1.4 the efficiency and transparency inherent in the JSE trading mechanism;
 - 2.1.5 the JSE's strong track record of operating a large volume securities exchange;
 - 2.1.6 real time pricing of Sasol BEE Ordinary Shares;
 - 2.1.7 an anticipated enhanced liquidity for trading in Sasol BEE Ordinary Shares in comparison to an OTC;
 - 2.1.8 ease of price discovery – JSE share prices are published in the daily press;
 - 2.1.9 protection to them as investors through the JSE's regulated environment;
 - 2.1.10 the JSE surveillance function which provides greater market scrutiny including the monitoring of insider trading and price manipulation;
 - 2.1.11 electronic settlement through Strate, the CSD Participants and JSE Members;
 - 2.1.12 guaranteed settlement of all trades on the JSE;

- 2.1.13 monitoring of secondary trading to ensure that only BEE Compliant Persons buy Sasol BEE Ordinary Shares;
 - 2.1.14 signing a BEE Contract only once which will cover trading in other BEE Securities on the JSE, provided that no changes are made regarding JSE Member, CSD Participant, IH, IHRS or Registered Holder, as the case may be (any such changes triggering the requirement to sign a new BEE Contract);
 - 2.1.15 Sellers of Sasol BEE Ordinary Shares no longer being required to make sure that the buyers of their Sasol BEE Ordinary Shares are BEE Compliant Persons nor being responsible for ensuring that the buyers sign a BEE Contract. That responsibility now lies with the JSE Member, CSD Participant, IH and/or IHRS;
 - 2.1.16 the appointment of a JSE registered sponsor by Issuers of BEE Securities, which sponsor will be responsible for ensuring compliance with the Listings Requirements; and
 - 2.1.17 availability of a complaints resolving mechanism under the auspices of the JSE.
- 2.2 Some of the potential disadvantages associated with listing the Sasol BEE Ordinary Shares are:
- 2.2.1 potential acquirers of Sasol BEE Ordinary Shares being required to give various indemnities and additional warranties and undertakings in the BEE Contract which are required to protect, *inter alia*, the JSE, CSD Participants, IH, IHRS, Registered Holders and JSE Members, against risks associated with non-BEE Compliant Persons acquiring Sasol BEE Ordinary Shares. This will not affect the Bulk Dematerialised Shareholders unless and until they acquire additional Sasol BEE Ordinary Shares on the proposed BEE Segment or transfer their Sasol BEE Ordinary Shares to a new Registered Holder;
 - 2.2.2 BEE Certificates being required by the JSE to be lodged annually by beneficial owners of BEE Securities;
 - 2.2.3 Sasol being required in terms of the Proposed Listing Requirements to indemnify, *inter alia*, the JSE, CSD Participants, Registered Holders, IH and IHRS and the JSE Members, against certain risks associated with non-BEE Compliant Persons acquiring Sasol BEE Ordinary Shares as more fully explained in paragraph 7 below;
 - 2.2.4 the Sasol BEE ordinary shareholders, unless and until they take steps to transfer their Sasol BEE Ordinary Shares into "own name", having to obtain letters of representation from the Nominee Company if they wish to attend and vote in respect of the Sasol BEE Ordinary Shares at general meetings of Sasol. Having regard to this, Sasol has negotiated with Computershare Nominees (Proprietary) Limited that it will be available at all general meetings to issue such letters of representation immediately prior to the meetings so long as the Sasol BEE Ordinary Shares are held by Computershare Nominees (Proprietary) Limited as the Registered Holder, on behalf of the Bulk Dematerialised Shareholders; and
 - 2.2.5 it will be necessary for any Sasol BEE Ordinary Shareholder who wishes to Sell his/her/its Sasol BEE Ordinary Shares to appoint a Broker (which in the case of Bulk Dematerialised Shareholders will be attended to by Computershare Nominee Company on their behalf) to do this for him/her/it, unless the transaction is done off-market. Likewise it will be necessary for any BEE Compliant Person who wishes to acquire Sasol BEE Ordinary Shares on the proposed BEE Segment to appoint a Broker to do this for him/her/it. In each case the Broker will levy charges.

Sasol BEE Ordinary Shares are currently held in certificated form. The JSE does not permit trading in securities which are in certificated form but requires them to be in Dematerialised form. Accordingly, before any Sasol BEE Ordinary Shares can be traded it will be necessary for those shares to be Dematerialised. It is proposed that the resolutions in Part A of the Notice of General Meeting be passed and if appropriate, registered to enable Bulk Dematerialisation to take place. The reasons for this are explained more fully in paragraph 4 below.

3. THE PROPOSED BEE SEGMENT

The proposed BEE Segment is a sector of the Main Board on which BEE Securities that meet the Listings Requirements will be listed. This is not a separate board for the listing of companies but rather a trading mechanism for BEE Securities. The Main Board operates on the principle that there are no restrictions on the transfer of shares. The proposed BEE Segment will differ in that purchases of BEE Securities will be restricted to BEE Compliant Persons. The Proposed JSE Listings Requirements will, if approved, provide that the transferability of BEE Securities is restricted to take place only between BEE Compliant Persons. The JSE will have controls to monitor that only BEE Compliant Persons who have signed a BEE Contract and, where necessary, submitted BEE Certificates or identity documents/naturalisation affidavits are able to buy BEE Securities listed on the proposed BEE Segment. The JSE's Surveillance Department will investigate instances of deliberate or repeated non-compliance with the JSE Rules and Directives and will instigate disciplinary action, where appropriate. If the JSE Settlement Authority determines that a JSE Member has traded for a client where

it has not been recorded in the JSE system that a BEE Contract has been duly signed and a valid BEE Certificate or identity document/naturalisation affidavit has been submitted prior to trading, or where the JSE Member has traded for an investor who is not a BEE Compliant Person, the JSE Settlement Authority will instruct the JSE Member to reverse the trade and to trade the position out immediately for the JSE Member's own account.

In all other respects, the JSE's ordinary trading rules will apply to the trading of BEE Securities. The proposed BEE Segment will operate during the normal JSE trading hours. BEE Securities listed on the proposed BEE Segment will have a separate unique B alpha share code and ISIN which will make it clear to JSE Members that they are dealing with BEE Securities which have restricted transfer rights.

A prescribed generic BEE Contract must be signed between the proposed Beneficial Owner of BEE Securities and various others more fully described in paragraph 6, before the proposed Beneficial Owner of BEE Securities can acquire any such shares on the proposed BEE Segment for the first time. This BEE Contract will then cover all trades undertaken by that proposed Beneficial Owner in BEE Securities listed on the proposed BEE Segment, not only Sasol BEE Ordinary Shares. For this reason the JSE has prescribed that the BEE Contract is generic in form and suitable for use by any Issuer, not just Sasol.

As is the case with the Amended Cash Contract and the Amended New Cash Contract, the fundamental thread running through the BEE Contract is the requirement that only BEE Compliant Persons should be or become the Beneficial Owners of BEE Securities. Please see paragraph 6 for full details on the BEE Contract and an analysis of the difference between the BEE Contract on the one hand and the Amended Cash Contract and Amended New Cash Contract on the other.

Each person that is not a natural person, wishing to acquire BEE Securities will have to lodge a BEE Certificate reflecting that it is a BEE Compliant Person, with its Broker, which will have to be renewed annually. The JSE systems will include a B indicator which will reflect the expiry date of each BEE Certificate furnished. If a Broker receives the BEE Contract and, when applicable, a BEE Certificate, it will be recorded in the JSE system to indicate compliance. The Broker will also update on an annual basis the expiry date of the BEE Certificate on the JSE systems. When a JSE Member trades, the JSE Settlement Authority will monitor the trades to ensure that these fields have been completed by the Broker.

Each person who is a natural person wishing to acquire BEE Securities, may be required to furnish a naturalisation affidavit if it is not clear from his/her identity document whether he/she is a BEE Compliant Person.

For those Sasol BEE Ordinary Shareholders who wish to buy or Sell Sasol BEE Ordinary Shares on the proposed BEE Segment, further details must be obtained in the case of Bulk Dematerialised Shareholders from Computershare Nominee Company and in any other case from their Brokers.

4. PROCESS FOR AND CONSEQUENCES OF BULK DEMATERIALISATION OF THE SASOL BEE ORDINARY SHARES

- 4.1 Sasol BEE Ordinary Shares are currently held in certificated form. As pointed out above, the JSE does not permit trading in securities which are in certificated form but requires them to be in Dematerialised form.

Computershare Nominee Company will hold the Sasol BEE Ordinary Shares as the Registered Holder but for and on behalf of the Beneficial Owner. Beneficial Ownership will be recorded on a sub-sub-register (also commonly known as a nominee register). As a consequence of passing and registration of the special resolutions contained in Part A of the Notice of General Meeting, each Bulk Dematerialised Shareholder is deemed to have concluded the Custody Agreement (attached as Appendix 8) with Computershare Nominee Company, which establishes a business relationship between Computershare Nominee Company and each Bulk Dematerialised Shareholder.

If the necessary resolutions for the Bulk Dematerialisation are not passed and registered, Sasol will consider its position having regard to the significant additional costs and administration burden which it would have to incur to implement individual Dematerialisation and will determine whether to list the Sasol BEE Ordinary Shares on the proposed BEE Segment. If Sasol decides to list, each Sasol BEE Ordinary Shareholder will himself/herself/itself have to attend to the Dematerialisation of his/her/its Sasol BEE Ordinary Shares which will entail the signature of an addendum to amend his/her/its Cash Contract/New Cash Contract in accordance with the Replacement Clauses, *inter alia*, to permit the Dematerialisation, and the conclusion of the necessary mandate with his/her/its CSD Participant and the conclusion of the BEE Contract. Alternatively Sasol may decide to set up an OTC. It is anticipated that whatever Sasol decides, a trading mechanism will be available during February 2011.

- 4.2 In order to implement the Bulk Dematerialisation the following steps will occur:

- 4.2.1 the certificates for Sasol BEE Ordinary Shares currently held in safe custody by Computershare Limited will be released from safe custody and will be endorsed as being Dematerialised except as regards the Election Shareholders;

- 4.2.2 the Sasol BEE Ordinary Shares will be transferred (except as regards the Election Shareholders) into the name of Computershare Nominee Company as the Registered Holder. This transfer will not affect the Beneficial Ownership of the shares. It will be done for the reasons explained in the Circular; and
- 4.2.3 entries will be made in the Sasol sub-register reflecting the Registered Holder of the Sasol BEE Ordinary Shares which are subject to the Bulk Dematerialisation as Computershare Nominee Company. The Sasol BEE Ordinary Shareholder who is the Beneficial Owner will be recorded on a sub-sub-register.

It is proposed to Bulk Dematerialise the Sasol BEE Ordinary Shares (other than held by the Election Shareholders) into the name of Computershare Nominee Company acting as the nominee of each Bulk Dematerialised Shareholder on or prior to Monday, 31 January 2011.

Because Computershare Nominee Company will be the Registered Holder of the Bulk Dematerialisation Shares, it will be necessary for it to be introduced as a party to each Amended Cash Contract and Amended New Cash Contract as contemplated in Part A of the Notice of General Meeting. Due to the Bulk Dematerialisation, certain clauses in the Cash Contract and the New Cash Contract have to be amended so as to make provision for the fact that the Sasol BEE Ordinary Shares will be held in Dematerialised form, as the Cash Contract and the New Cash Contract currently only permit such shares to be held in certificated form. The Cash Contract and the New Cash Contract will be amended by an insertion in the Sasol Articles of a provision which will deem each of the Bulk Dematerialised Shareholders to be bound to the applicable Replacement Clauses. This is the only way to achieve these necessary amendments without each individual Bulk Dematerialised Shareholder having to sign an addendum to his/her/its Cash Contract or New Cash Contract, as the case may be, which is not feasible. If the proposed BEE Segment had been in existence at the time when the Cash Contract was originally conceived, Sasol would have made provision for the automatic amendment of the Cash Contract to take account of the fact that the listing on the proposed BEE Segment would need to entail a Bulk Dematerialisation as well as the amendment of the Cash Contract.

- 4.3 Broadly the reasons for the Replacement Clauses may be broken into the following four categories:
 - 4.3.1 the removal of all obligations to hold the Sasol BEE Ordinary Shares in the certificated environment and in particular the obligation to hold Sasol BEE Ordinary Shares only in certificated form under the custody of the Custodian;
 - 4.3.2 the removal of the obligation on the Sasol BEE Ordinary Shareholder who Sells Sasol Ordinary BEE Shares to ensure that the buyer binds himself to a New Cash Contract unless the buyer is already bound by a Cash Contract/New Cash Contract and to thoroughly check that the buyer is a BEE Compliant Person;
 - 4.3.3 the imposition of obligations which currently lie with the Sasol BEE Ordinary Shareholders, in their current capacity as Registered Holders, instead on the Computershare Nominee Company which will be the Registered Holder in place of the Bulk Dematerialised Shareholders; and
 - 4.3.4 the insertion of consequential additional obligations on the Bulk Dematerialised Shareholders. The main ones are that –
 - 4.3.4.1 the Bulk Dematerialised Shareholders who elect to encumber their Sasol BEE Ordinary Shares must deliver copies of the relevant encumbrance agreements to Sasol, as the Custodian will no longer control the creation of encumbrances; and
 - 4.3.4.2 an obligation on the Bulk Dematerialised Shareholders not to cause Computershare Nominee Company to breach the Amended Cash Contract/Amended New Cash Contract, necessary because of the introduction of Computershare Nominee Company as the Registered Holder instead of the Bulk Dematerialised Shareholder.
- 4.4 A detailed analysis of the reason for each Replacement Clause can be found in italics in Appendix 5 under each of the Replacement Clauses. Although there are a very limited number of new obligations imposed on each Bulk Dematerialised Shareholder, these are merely necessary to maintain the primary purpose of the Cash Contract and the New Cash Contract in the Dematerialised environment, namely to ensure that only BEE Compliant Persons are the Beneficial Owners of Sasol BEE Ordinary Shares in the Dematerialised environment.

- 4.5 After the Bulk Dematerialisation, the Beneficial Owner will remain unchanged as to his/her/its:
- 4.5.1 voting rights except that in order to exercise them, it will be necessary to obtain a letter of representation from the Registered Holder. In view of the fact that the Bulk Dematerialisation does not give the Beneficial Owners the option of "own name" registration or choosing their own nominee companies to be the Registered Holder, Sasol has negotiated with Computershare Nominees (Proprietary) Limited that it will be available at all general meetings to issue such letters of representation immediately prior to the meetings. This benefit will only apply for so long as the Sasol BEE Ordinary Shares are held by Computershare Nominees (Proprietary) Limited as the Registered Holder. If the Beneficial Owner selects another nominee company as the Registered Holder, this benefit will no longer apply;
 - 4.5.2 rights to dividends. These dividends will be paid to Computershare Nominee Company as the Registered Holder and it will in turn pay each Beneficial Owner his/her/its dividend into his/her/its nominated bank account; and
 - 4.5.3 right to dispose of his/her/its Sasol BEE Ordinary Shares to BEE Compliant Persons, save that he/she/it will have to do it by giving instructions to Computershare Nominee Company.
- 4.6 Subsequent to the Bulk Dematerialisation, any Bulk Dematerialised Shareholder will therefore have the option to:
- 4.6.1 register his/her/its Bulk Dematerialised Shares in the name of a different Nominee Company to Computershare Nominee Company, as Registered Holder, but will have to sign a BEE Contract which will replace the Amended Cash Contract/Amended New Cash Contract; or
 - 4.6.2 register his/her/its Bulk Dematerialised Shares in his/her/its own name, as a Dematerialised "own name" shareholder, but will have to sign a BEE Contract which will replace the Amended Cash Contract/Amended New Cash Contract; or
 - 4.6.3 rematerialise his/her/its Bulk Dematerialised Shares. In this case it will also be necessary for that Sasol BEE Ordinary Shareholder to again lodge the certificates for those shares in safe custody with the Custodian and to sign an addendum to amend the Amended Cash Contract or the Amended New Cash Contract, as the case may be, to reinstate it to the form of the Cash Contract or the New Cash Contract, as the case may be.
- 4.7 **Sasol BEE Ordinary Shareholders wishing to participate in the Bulk Dematerialisation need take no action to achieve the Dematerialisation as their Sasol BEE Ordinary Shares will be automatically Dematerialised.**
- 4.8 The mere Bulk Dematerialisation of any Sasol BEE Ordinary Shares should not be construed as confirmation by Sasol that all the Bulk Dematerialisation Shareholders are BEE Compliant Persons and Sasol shall, notwithstanding the Bulk Dematerialisation, be entitled to verify whether or not any Bulk Dematerialised Shareholder is a BEE Compliant Person.

5. FORM OF ELECTION

- 5.1 A Sasol BEE Ordinary Shareholder can elect not to participate in the Bulk Dematerialisation but instead to retain his/her/its Sasol BEE Ordinary Shares in certificated form by submitting his/her/its Form of Election (*green*) attached to this Document in accordance with the instructions appearing on that Form of Election to the Transfer Secretaries by no later than 12:00 on Friday, 14 January 2011. Any Sasol BEE Ordinary Shareholder who wishes to exercise this option not to participate in the Bulk Dematerialisation may lodge the Form of Election at any time after receiving this Document. If the Bulk Dematerialisation resolutions are passed and registered and the Proposed Listing Requirements and Strate amendments are approved, then the instructions contained within that Form of Election will become effective.
- 5.2 A Sasol BEE Ordinary Shareholder who has duly elected not to participate in the Bulk Dematerialisation will continue to be bound by his/her/its Cash Contract or New Cash Contract as the case may be, in its existing form and his/her/its Sasol BEE Ordinary Shares will continue to be held by Computershare Limited in safe custody. In other words, for such a shareholder the position will remain unchanged, except that:
- 5.2.1 he/she/it will not be able to Sell his/her/its Sasol BEE Ordinary Shares (other than in the event of death or insolvency) without Dematerialising and Selling on the proposed BEE Segment, as he/she/it is obliged in terms of the Cash Contract and New Cash Contract to dispose of his/her/its shares only using the trading mechanism selected by Sasol namely by trading on the JSE;

- 5.2.2 new Sasol BEE Ordinary Share certificates, reflecting the new B alpha code and ISIN applicable to the Sasol BEE Ordinary Shares, will be issued. These share certificates will be handed to the Custodian in terms of his/her/its Cash Contract and/or New Cash Contract applicable to such Election Shareholders, and the existing Sasol BEE Ordinary Share certificates in the possession of the Custodian will be of no value, force or effect from, it is anticipated, the commencement of business on Tuesday, 1 February 2011.
- 5.3 An Election Shareholder will have the option to Dematerialise his/her/its Sasol BEE Ordinary Shares at any time in the future and either to:
- 5.3.1 register his/her/its Sasol BEE Ordinary Shares in the name of Computershare Nominee Company; or
 - 5.3.2 register his/her/its Sasol BEE Ordinary Shares in the name of a Nominee Company of his/her/its choice; or
 - 5.3.3 register the Sasol BEE Ordinary Shares in his/her/its own name, as a Dematerialised "own name" shareholder, but will have to sign a BEE Contract which will replace his/her/its Cash Contract/New Cash Contract.
- 5.4 An Election Shareholder who decides to Dematerialise his/her/its Sasol BEE Ordinary Shares in the future after Bulk Dematerialisation, must make enquiries at the relevant time as to:
- 5.4.1 what steps he/she/it will have to take to do this;
 - 5.4.2 what documents will have to be completed (which will include signing a BEE Contract); and
 - 5.4.3 who will bear the costs of Dematerialising.

It is only after an Election Shareholder has Dematerialised his/her/its Sasol BEE Ordinary Shares, that he/she/it will be able to trade on the JSE.

6. BEE CONTRACT

The Bulk Dematerialised Shareholders who do not intend to acquire any further Sasol BEE Ordinary Shares after the Election End Date and who do nothing further as regards the holding of their Sasol BEE Ordinary Shares, will not be required to conclude a BEE Contract. They will continue to be bound by the Amended Cash Contract and/or the Amended New Cash Contract as regards their Dematerialised Sasol BEE Ordinary Shares. Election Shareholders who continue to hold their Sasol BEE Ordinary Shares in certificated form, will never be required to conclude a BEE Contract. They will continue to be bound by the Cash Contract and/or the New Cash Contract as regards their Sasol BEE Ordinary Shares. Those Bulk Dematerialised Shareholders and Election Shareholders accordingly need not concern themselves with the content of the remainder of this paragraph.

The BEE Contract which the JSE will prescribe as part of its Rules and Directives is, as has been pointed out above, a generic contract which has been designed to cater for all Issuers who may list their BEE Securities on the proposed BEE Segment. As a result it does not directly provide for specific empowerment periods (ie. the period for which the restrictions on transfers only to BEE Compliant Persons applies) relevant to particular Issuers, deal with whether or not encumbrances will be permitted, or refer to the penalties which will be applied by a particular Issuer if a provision of the BEE Contract is breached. **The terms contained in the BEE Contract expressly contemplate that they must be read with the Additional Terms. The Additional Terms relating to each Issuer will contain specific provisions regarding its empowerment period, whether or not it will permit encumbrances and the penalties which it will levy if a provision of the BEE Contract is breached. The Additional Terms will form an integral part of the BEE Contract.** One of the resolutions to be put to Sasol Shareholders at the General Meeting is the insertion into the Sasol Articles of the Additional Terms which will form part of the BEE Contract as regards Sasol BEE Ordinary Shares. The resolution is special resolution number 4 contained in Part B of the Notice of General Meeting.

As is the case with the Cash Contract, Amended Cash Contract, the New Cash Contract and Amended New Cash Contract, the fundamental purpose of the BEE Contract is to ensure that BEE Securities will be beneficially owned only by BEE Compliant Persons. There are some differences between the Amended Cash Contract and the Amended New Cash Contract on the one hand and the BEE Contract on the other. But broadly they cover the same obligations and requirements, save as regards the indemnities and additional warranties and undertakings as required by the JSE. It is recognised by Sasol that it is not ideal that holders of Sasol BEE Ordinary Shares could be bound by different contracts namely the Cash Contract, the New Cash Contract, the Amended Cash Contract, the Amended New Cash Contract and the BEE Contract. However, it is unavoidable if Sasol BEE Ordinary Shareholders are to be given access to trading on the JSE via a listing of the Sasol BEE Ordinary Shares on the proposed BEE Segment. The JSE cannot accommodate

an Issuer specific BEE Contract which would have made it possible to align the BEE Contract with the Amended Cash Contract and the Amended New Cash Contract and minimise the difference between the contracts.

The BEE Contract, a draft copy of which is attached as Appendix 6, is still being finalised (although it is not expected that any material changes will be made and it is anticipated that the BEE Contract will be finalised shortly). The material differences between the Amended Cash Contract and the Amended New Cash Contract on the one hand and the BEE Contract on the other, are the following:

- 6.1 there will be a number of new additional parties to the BEE Contract namely CSD Participants, JSE Members, Registered Holders, IH and IHRS;
- 6.2 the Beneficial Owner indemnifies the Registered Holder, the JSE Member, the CSD Participant, the IH, the IHRS and any of their directors/employees for whom they may be liable in law, against losses and damages arising from the breach of the JSE's Rules and Directives or the BEE Contract. There is also a waiver of claims against any such persons by the Beneficial Owner;
- 6.3 Sasol has the discretion in the Amended Cash Contract and the Amended New Cash Contract to determine whether or not a Black entity qualifies for recognition under the Codes. This discretion is not contained in the BEE Contract;
- 6.4 the BEE Contract does not provide for the most stringent definition of Black Person contained in the BEE Act or the Codes or any charter applicable to the Sasol Group to be used. The BEE Contract makes no mention of charters because of its generic nature;
- 6.5 the BEE Contract will terminate at the end of the last remaining empowerment period of all Issuers whose BEE Securities are listed on the proposed BEE Segment. The Cash Contract/Amended Cash Contract and/or the New Cash Contract/Amended New Cash Contract will terminate at the end of the Empowerment Period or earlier as regards a particular Sasol BEE Ordinary Shareholder if prior to that date such Shareholder Sells all his/her/its Sasol BEE Ordinary Shares;
- 6.6 warranties are given only to Sasol in the Cash Contract/Amended Cash Contract/New Cash Contract/Amended New Cash Contract whereas in the BEE Contract the warranties are given to all Issuers whose BEE Securities are beneficially owned by a beneficial owner and in addition are given to the JSE, CSD Participants, JSE Members, Registered Holders, IH and IHRS. Furthermore, an additional warranty is given that all information provided to those parties will be true and correct unless otherwise advised to the contrary;
- 6.7 BEE Certificates need only be provided to Sasol, if Sasol so requests, in terms of the Cash Contract/New Cash Contract/Amended Cash Contract/Amended New Cash Contract. The BEE Contract obliges a BEE Certificate to be provided on an annual basis to the CSD Participants, the Registered Holder, the IH, the JSE Member and any IHRS, as the case may be, for so long as BEE Securities are held;
- 6.8 the Seller of BEE Securities does not have a duty under the BEE Contract, to ensure that the BEE Contract is signed and a BEE Certificate/identity document/naturalisation affidavit delivered wherever applicable, nor to check that the buyer is in fact a BEE Compliant Person whereas this duty does exist under the Cash Contract/New Cash Contract;
- 6.9 the Registered Holder in the BEE Contract now gives the warranty that it is the Registered Holder in certain contexts;
- 6.10 under the Cash Contract/Amended Cash Contract and the New Cash Contract/Amended New Cash Contract, Sasol is the only Issuer which has rights in respect of Sasol BEE Ordinary Shares, whereas under the BEE Contract, all Issuers, including Sasol, have rights in respect of their respective BEE Securities which are listed on the proposed BEE Segment;
- 6.11 the BEE Contract, with the exception of the Additional Terms, cannot be amended unless all Issuers whose BEE Securities are held by a particular BEE Compliant Person agree to the change. However, it is extremely unlikely that the BEE Contract will be changed;
- 6.12 the BEE Contract, as is the case with the New Cash Contract/Amended New Cash Contract, will cover more than one acquisition of Sasol BEE Ordinary Shares, whereas the Cash Contract/Amended Cash Contract covers only the Initial Subscription;

- 6.13 the terms of the BEE Contract oblige the Beneficial Owner to furnish copies of the BEE Contract to a much wider range of people than the Cash Contract/New Cash Contract/ Amended Cash Contract/Amended New Cash Contract; and
- 6.14 the BEE Contract provides for Beneficial Owners to allow for the Issuers, the Registered Holder, the CSD Participants and others to furnish information concerning the BEE Contract and any particular holding of BEE Securities for various purposes.

A table setting out the circumstances when a BEE Contract, Cash Contract, New Cash Contract, Amended Cash Contract or Amended New Cash Contract will apply to Sasol BEE Ordinary Shareholders is set out in Appendix 7 to this Document.

7. INDEMNITIES GRANTED BY SASOL

The Proposed Listings Requirements provide that Sasol as an Issuer will be required to grant the following indemnities to the JSE on the proposed BEE Segment:

- 7.1 Sasol must indemnify the JSE against all and any legal costs incurred (including attorney and own client costs) to the extent that as a result of a BEE Contract not having been signed as required in terms of the JSE Rules and Directives, the JSE takes any legal action and is not able to recover its costs from the parties to the legal action pursuant to a costs order awarded in the legal action.
- 7.2 (i) If Sasol elects, by reason of the breach of a particular BEE Contract to enforce the BEE Contract against the Beneficial Owner of Sasol BEE Ordinary Shares and, if applicable, other parties to the BEE Contract by either Sasol repurchasing or nominating a third party to purchase, and such third party purchasing, the Sasol BEE Ordinary Shares; and
 - (ii) Sasol instructs the Registered Holder thereof in turn to instruct the relevant CSD Participant or its nominee to effect the necessary entries relating to such repurchase or purchase,

and as a consequence litigation ensues and the Registered Holder and/or the CSD Participant or its nominee and/or any JSE Member is/are joined in such litigation, Sasol indemnifies such Registered Holder and CSD Participant or its nominee and JSE Member and their directors, employees, servants, agents or contractors or other persons for whom in law they may be liable against all and any costs (including attorney and own client costs) which may be awarded against any of them as a consequence of the litigation provided that:

- 7.2.1 the Registered Holder or CSD Participant or its nominee or JSE Member, as the case may be, shall (unless it is Sasol which joined them) notify Sasol in writing of such joinder within a reasonable time of the becoming aware thereof, to enable Sasol to take steps to act on their behalf;
- 7.2.2 if a party to the litigation, other than Sasol joined them, Sasol shall be entitled to contest (which shall include an appeal to a court of law) the litigation in the name of the Registered Holder or CSD Participant or its nominee or the JSE Member, as the case may be, and shall be entitled to control the proceedings in regard thereto and the Registered Holder and the CSD Participant or its nominee or JSE Member shall take no steps in the litigation which are not approved in writing by Sasol; and
- 7.2.3 if Sasol joined them, they shall merely abide by the decision of the court.

This constitutes a right for the benefit of the Registered Holder and the CSD Participant or its nominee and the JSE Member and their directors, employees, servants, agents or contractors or other persons for whom in law they may be liable (*stipulatio alteri*), which they will be entitled to accept at any time by notifying Sasol in writing of their acceptance.

8. POTENTIAL FINANCIAL ASSISTANCE WHICH MAY BE PROVIDED BY SASOL TO THE PUBLIC FACILITATION TRUST

Sasol Shareholders are reminded that at the meeting held on Friday, 16 May 2008 Sasol Shareholders approved a resolution permitting Sasol to grant financial assistance to the Public Facilitation Trust to enable it, *inter alia*, to purchase Sasol BEE Ordinary Shares from Sasol BEE Ordinary Shareholders who breached their Cash Contracts. Such purchase of Sasol BEE Ordinary Shares from Sasol BEE Ordinary Shareholders by the Public Facilitation Trust will not be a repurchase of securities in accordance with the Companies Act. (To date it has not been necessary for the Public Facilitation Trust to purchase any Sasol BEE Ordinary Shares as a consequence of breaches of any Cash Contracts.)

The Public Facilitation Trust might be directed by Sasol to purchase Sasol BEE Ordinary Shares as a result of a breach of, or as otherwise contemplated in, an Amended Cash Contract, a breach of, or as otherwise contemplated in, a New Cash Contract, a breach of, or as otherwise contemplated in, an Amended New Cash Contract, a breach of, or as otherwise contemplated in, a BEE Contract, a misdeal in terms of the JSE Rules and Directives and a breach contemplated in the Sasol Articles if no BEE Contract is signed. The approval referred to above would not cover any of these circumstances. Accordingly, Sasol Shareholders will be requested to pass a resolution in terms of section 38(2A) of the Companies Act to allow Sasol to provide financial assistance to the Public Facilitation Trust under those circumstances.

When the original approval was granted during May 2008 the Board at that time was satisfied that it could comply with the requirements of solvency and liquidity when giving such financial assistance to the Public Facilitation Trust. The number of Sasol BEE Ordinary Shares in issue has not changed since that time. It is merely the circumstances in which Sasol BEE Ordinary Shares could be acquired by the Public Facilitation Trust which have been extended. Accordingly, the Board has no reason at this time to consider that the Company will not meet the requirements of solvency and liquidity in terms of the Companies Act. If the Companies Act, 2008, comes into force in its current form, this approval will need to be renewed bi-annually.

9. LIMITED RIGHT FOR SASOL TO DELIST THE SASOL BEE ORDINARY SHARES

To the extent that the Proposed Listings Requirements permit Sasol, without obtaining the passing of an ordinary resolution from the requisite shareholders, to delist the Sasol BEE Ordinary Shares from the proposed BEE Segment, if that does not ensure generally that Sasol BEE Ordinary Shares are Beneficially Owned by BEE Compliant Persons only, the proposed new Article 168 referred to in special resolution number 7 in the Notice of General Meeting will enable Sasol to exercise this right.

10. APPROVALS SOUGHT

The resolutions to be proposed at the General Meeting allow for:

- 10.1 the amendment to the Sasol Articles to insert new definitions for the purposes of Articles 162, 163, 164.1 and 165 to 169;
- 10.2 the amendment to the Sasol Articles to allow for the Bulk Dematerialisation;
- 10.3 the amendment to the Sasol Articles to provide for the continued application of the Cash Contract and/or for the New Cash Contract in respect of Sasol BEE Ordinary Shares that are not Dematerialised pursuant to the Bulk Dematerialisation;
- 10.4 the authorisation of the Transfer Secretaries to replace the share certificates of all Election Shareholders and the issue of new share certificates reflecting the new alpha code and ISIN;
- 10.5 the amendment to the Sasol Articles to incorporate the Additional Terms;
- 10.6 the amendment to the Sasol Articles to revise the rights, privileges and restrictions applicable to the Sasol BEE Ordinary Shares so as to allow the holding of such shares either in certificated or Dematerialised form and to take account of the listing on the proposed BEE Segment
- 10.7 the amendment to the Sasol Articles to provide for the manner in which holders of Sasol BEE Ordinary Shares will hold their shares either in certificated or Dematerialised form and to provide that any "proof of participation" document issued by the Company to any holder of certificated Sasol BEE Ordinary Shares will cease to be of any force or effect from the date of the Dematerialisation of such holder's Sasol BEE Ordinary Shares;
- 10.8 the amendment to the Sasol Articles to provide for the limited circumstances in which the Company will be entitled to delist the Sasol BEE Ordinary Shares from the proposed BEE Segment;
- 10.9 the amendment to the Sasol Articles to permit the release by a CSD Participant, Broker and/or Nominee Company as the case may be, of the contact details of a Sasol Shareholder to Sasol; and
- 10.10 the authorisation of Sasol to provide potential financial assistance in terms of section 38(2A) of the Companies Act in the circumstances outlined in paragraph 8.

11. RECOMMENDATION OF THE BOARD

The Board recommends that Sasol Shareholders vote in favour of the resolutions. The interests of the directors of Sasol, including those directors who own Sasol BEE Ordinary Shares, are disclosed in Appendix 2 to this Document.

INFORMATION ON SASOL

1. NAME, ADDRESS AND INCORPORATION OF SASOL

Sasol is a public company. It was incorporated under the laws of South Africa on 26 June 1979. The Sasol Ordinary Shares have been listed on the JSE since October 1979 and on the NYSE since 9 April 2003 by way of a sponsored Sasol ADR program. Its registered office and corporate headquarters are at 1 Sturdee Avenue, Rosebank, Johannesburg, 2196, South Africa.

2. NATURE OF SASOL'S BUSINESS

Sasol is an integrated energy and chemicals company based in South Africa and operating throughout the world. Sasol manufactures and markets liquid fuels, gas and chemicals. Sasol mines coal in South Africa. Through Sasol Synfuels (Proprietary) Limited ("Sasol Synfuels"), this coal, along with Mozambican natural gas, is converted into fuels and chemical feedstock using proprietary Fischer-Tropsch technology.

The Sasol Group also has chemical manufacturing and marketing operations in Europe, Middle East and the Americas. The larger chemical portfolios include monomers, polymers, solvents, olefins, surfactants, surfactant intermediates, comonomers, waxes, phenolics and nitrogenous products.

Sasol produces crude oil offshore Gabon and intends to increase its oil and gas production in selected regions around the world, including Mozambique, Papua New Guinea, Australia and West Africa. In South Africa, Sasol refines crude oil into liquid fuels and retails liquid fuels and lubricants produced in the refinery operated by National Petroleum Refiners of South Africa (Proprietary) Limited ("Natref") which is a joint venture with TOTAL South Africa (Proprietary) Limited and by Sasol Synfuels through a network of Sasol- and Exel-branded retail convenience centres. The Sasol Group also sells liquid fuels to other distributors in South Africa and exports fuels to a few sub-Saharan African countries.

Natural gas is produced in Mozambique for supply to customers and as feedstock for some of the Sasol Group's fuel and chemical production in South Africa.

In 2007, Sasol started up its first international joint-venture gas-to-liquids ("GTL") plant in Qatar. Through its associate in Nigeria, a second GTL plant is under construction, for planned commissioning in 2012.

These two GTL plants incorporate the proprietary Sasol Slurry Phase Distillate™ process. In 2009, Sasol Arya Polymers Company's two polymer plants in Iran entered beneficial operation. Sasol is promoting its GTL technology in Uzbekistan and its CTL technology in China and India.

The nature of the businesses of the significant operating subsidiaries and incorporated joint ventures is set out on pages 234 to 236 of Sasol's Annual Financial Statements for the year ended 30 June 2010 which are available on Sasol's website (www.sasol.com).

3. CORPORATE GOVERNANCE

The Company maintains a primary listing of its ordinary shares on the JSE as well as on the NYSE in the form of Sasol ADRs. The Company is accordingly subject to the ongoing disclosure, corporate governance and other requirements imposed by legislation in both jurisdictions, the JSE, the United States Securities and Exchange Commission ("SEC") and the NYSE. The company complies with the Companies Act, the Listings Requirements and governance requirements of the SEC, the NYSE and US legislation such as the Sarbanes-Oxley Act of 2002 ("SOX") applicable to foreign companies listed on the NYSE. In addition, Sasol has compared its corporate governance practices to those required to be applied by domestic US companies listed on the NYSE and confirms that it complies with such NYSE corporate governance standards, in most respects. The significant differences relate to the composition of the remuneration and nomination and governance committees as set out in Sasol's 2010 annual report on Form 20-F, filed with the SEC on 28 September 2010.

Sound corporate governance structures and processes are being applied at Sasol and are considered by the Board to be pivotal to delivering on sustainable growth in the interest of all stakeholders. Governance structures and processes are regularly reviewed and adapted to accommodate internal corporate developments and to reflect national and international best practice to the extent considered in the best interest of the Company.

The King Committee released its third report on corporate governance in South Africa on 1 September 2009 following the promulgation of the new Companies Act, 2008, which at the date of this report had not yet come into effect, and changes in international governance trends. The code of governance and principles for South Africa as contained in King III ("King III") became effective from 1 March 2010 which was in the last part of Sasol's 2010 financial year. The JSE has indicated that listed companies should comply with the changes introduced by King III in respect of financial years commencing on or after 1 March 2010.

The various Committees of the Board and the Board itself have considered King III and its application in the Sasol Group at several meetings. Sasol already adheres to the majority of King III principles and recommended practices. Some of the changes introduced by King III such as the concept of "combined assurance" require extensive changes to existing processes which could not be fully implemented in the four remaining months of the financial year after King III became effective. The actions and changes to processes already approved by the Board during the 2010 financial year will, however, place the Company in a good position to provide a comprehensive report on its adherence to King III during the 2011 financial year as required by the JSE.

The Board considers corporate governance as a priority that requires more attention than merely establishing the steps to be taken to demonstrate compliance with codes, legal, regulatory or Listings Requirements. The Board has therefore carefully considered the extent to which the implementation of new corporate governance concepts will in fact be in the best interest of the Company.

Further detailed information on Sasol's corporate governance can be found in Sasol's Annual Financial Statements for the year ended 30 June 2010 which can be viewed on Sasol's website (www.sasol.com).

4. MATERIAL CHANGE

There have been no material changes in the financial or trading position of Sasol and its subsidiaries between the publication of its annual financial results for the year ended 30 June 2010 and the Last Practicable Date.

5. LITIGATION STATEMENT

There are no legal or arbitration proceedings which may have, or have had, a determinable material effect on the financial position of the Sasol Group, other than those recorded or disclosed in the annual financial statements for the year ended 30 June 2010. There have been no material changes between the publication of its annual financial statements for the year ended 30 June 2010 and the Last Practicable Date.

Furthermore, except to the extent disclosed, Sasol and its subsidiaries are not aware of any such proceedings that are pending or threatened against it which have a reasonable chance of success.

7.2.3 the purchase price, less an amount equal to the amount of dividends paid to you during the period in which you were in breach, shall be payable against delivery of the transfer form for your Sasol BEE Ordinary Shares. If the Public Facilitation Trust has not received the requisite transfer form within 3 (three) days from the date when the Public Facilitation Trust gives you notice, then you agree that the Public Facilitation Trust is irrevocably and in rem suam authorised and appointed as your attorney and agent to sign the necessary transfer forms;

7.2.4 the Sasol BEE Ordinary Shares and claims shall be purchased voetstoots and without any warranties or representations of any nature whatsoever, save that:—

7.2.4.1 you are the beneficial as well as registered owner thereof; and

7.2.4.2 no person has any right of any nature whatsoever to acquire the Sasol BEE Ordinary Shares in question;

7.2.5 the stamp duty or securities transfer tax payable in respect of the registration of transfer of the Sasol BEE Ordinary Shares Sold in terms hereof shall be borne by the Public Facilitation Trust.

8. DEATH

8.1 If you are a Black Person:—

8.1.1 who dies during the Empowerment Period, then:—

8.1.1.1 the Public Facilitation Trust will not have the right to buy your Sasol BEE Ordinary Shares pursuant to clause 7 even though those shares as a result may now be held in breach of the requirements of the Agreement unless clause 8.2 applies;

8.1.1.2 if you die during the Cash Invitation Minimum Investment Period, the restrictions set out in clause 5.3.2 are relaxed so that the executor of your estate may comply with clause 8.1.1.3;

8.1.1.3 your executor, instead of having to do so immediately, will have 180 (one hundred and eighty) days to transfer your Sasol BEE Ordinary Shares, subject to compliance with clause 6, to your heir/s provided that such heir/s is/are a Black Person or a Black Group, or your executor may Sell your Sasol BEE Ordinary Shares to any Black Person and/or a Black Group.

8.2 If your executor has not complied with clause 8.1.1.3, the Public Facilitation Trust shall be entitled, but shall not be obliged to buy your Sasol BEE Ordinary Shares by written notice to your executor, in which event a Sale of your Sasol BEE Ordinary Shares shall be deemed to have been concluded on the following terms and conditions:

8.2.1 the Sasol BEE Ordinary Shares shall be acquired with effect from the day prior to the date of your death;

8.2.2 the purchase price of the Sasol BEE Ordinary Shares shall be the Forced Sale Value calculated as at the date of the written notice from the Public Facilitation Trust to your executor, discounted by 10% (ten percent). The reason for the discount is to encourage your executor to find a suitable buyer if your heir/s is/are not a Black Person/s or a Black Group, because Sasol will, if it wishes to maintain the same level of Black ownership, have to fund the Public Facilitation Trust to enable it to exercise its right to buy your Sasol BEE Ordinary Shares;

8.2.3 the purchase price, less an amount equal to the amount of dividends paid to you during the period in which your executor was in breach of clause 8.1.1.3, shall be payable against delivery of the transfer form for your Sasol BEE Ordinary Shares. If the Public Facilitation Trust has not received the requisite transfer form within 7 (seven) days from the date when the Public Facilitation Trust gives your executor notice, you agree that the Public Facilitation Trust is irrevocably and in rem suam authorised and appointed as your attorney and agent, or that of your executor, to sign the necessary transfer forms;

8.2.4 the Sasol BEE Ordinary Shares and claims shall be purchased voetstoots and without any warranties or representations of any nature whatsoever, save that:—

8.2.4.1 you are the beneficial as well as registered owner thereof; and

8.2.4.2 no person has any right of any nature whatsoever to acquire the Sasol BEE Ordinary Shares in question;

8.2.5 the stamp duty or securities transfer tax payable in respect of the registration of transfer of the Sasol BEE Ordinary Shares Sold in terms hereof shall be borne by the Public Facilitation Trust.

8.3 If you are a Black Group and any of your shareholders, members, participants or beneficiaries die, as a result of which, during the:—

8.3.1 Cash Invitation Minimum Investment Period, you do not maintain your BEE Status;

8.3.2 after the Cash Invitation Minimum Investment Period but during the Empowerment Period, you are no longer a Black Group,

then:—

8.3.3 the Public Facilitation Trust will not have the right to buy your Sasol BEE Ordinary Shares pursuant to clause 7 even though those shares as a result may now be held in breach of the requirements of the Agreement unless clause 8.4 applies;

8.3.4 if the death occurs:—

8.3.4.1 during the Cash Invitation Minimum Investment Period, the restrictions set out in clause 5.3.2 are relaxed so that you can Sell your Sasol BEE Ordinary Shares to a third party in accordance with clause 8.3.5, provided that such third party has at least the same BEE Status as you;

8.3.4.2 after the Cash Invitation Minimum Investment Period but during the Empowerment Period, you can Sell your Sasol BEE Ordinary Shares to a Black Group and/or a Black Person in accordance with clause 8.3.5.

8.3.5 Instead of having to remedy the breach caused by the death immediately you will have 180 (one hundred and eighty) days from the date of the death to act in accordance with clause 8.3.4.

8.4 If your Sasol BEE Ordinary Shares have not been Sold or the breach caused by the death has not otherwise been remedied within 180 (one hundred and eighty) days from the date of the death in question, the Public Facilitation Trust shall be entitled, but shall not be obliged to buy your Sasol BEE Ordinary Shares by written notice to you, in which event a Sale of your Sasol BEE Ordinary Shares shall be deemed to have been concluded on the following terms and conditions:

8.4.1 the Sasol BEE Ordinary Shares shall be acquired with effect from the day prior to the date of the death in question;

8.4.2 the purchase price of the Sasol BEE Ordinary Shares shall be the Forced Sale Value calculated as at the date of the written notice from the Public Facilitation Trust to you, discounted by 10% (ten percent). The reason for the discount is to encourage you to find a suitable buyer if the breach caused by the death cannot otherwise be remedied, because Sasol will, if it wishes to maintain the same level of Black ownership, have to fund the Public Facilitation Trust to enable it to exercise its right to buy your Sasol BEE Ordinary Shares;

8.4.3 the purchase price, less an amount equal to the amount of dividends paid to you during the period in which you have been in breach of clause 8.3.4, shall be payable against delivery of the transfer form for your Sasol BEE Ordinary Shares. If the Public Facilitation Trust has not received the requisite transfer form within 7 (seven) days from the date when the Public Facilitation Trust gives you notice, then you agree that the Public Facilitation Trust is irrevocably and in rem suam authorised and appointed as your attorney and agent to sign the necessary transfer forms;

8.4.4 the Sasol BEE Ordinary Shares and claims shall be purchased voetstoots and without any warranties or representations of any nature whatsoever, save that:—

8.4.4.1 you are the beneficial as well as registered owner thereof; and

8.4.4.2 no person has any right of any nature whatsoever to acquire the Sasol BEE Ordinary Shares in question;

8.4.5 the stamp duty or securities transfer tax payable in respect of the registration of transfer of the Sasol BEE Ordinary Shares Sold in terms hereof shall be borne by the Public Facilitation Trust.

9. INVOLUNTARY INSOLVENCY/LIQUIDATION

9.1 If you are a Black Person who is involuntarily sequestrated (whether provisionally or finally), during the Empowerment Period, then:—

9.1.1 the Public Facilitation Trust will not have the right to buy your Sasol BEE Ordinary Shares pursuant to clause 7 even though those shares as a result may now be held in breach of the requirements of the Agreement unless clause 9.2 applies;

9.1.2 if you are involuntarily sequestrated (provisionally or finally), during the Cash Invitation Minimum Investment Period, the restrictions set out in clause 5.3.2 are relaxed so that the trustee of your estate may comply with clause 9.1.3;

9.1.3 the trustee, instead of having to do so immediately, will have 180 (one hundred and eighty) days from the date of your provisional sequestration to Sell your Sasol BEE Ordinary Shares, subject to compliance with clause 6, to any Black Person and/or a Black Group.

9.2 If the trustee has not complied with clause 9.1.3, the Public Facilitation Trust shall be entitled, but shall not be obliged to buy your Sasol BEE Ordinary Shares by written notice to the trustee, in which event a Sale of your Sasol BEE Ordinary Shares shall be deemed to have been concluded on the following terms and conditions:

9.2.1 the Sasol BEE Ordinary Shares shall be acquired with effect from the day prior to the date of your provisional sequestration;

9.2.2 the purchase price of the Sasol BEE Ordinary Shares shall be the Forced Sale Value calculated as at the date of the written notice from the Public Facilitation Trust to the trustee, discounted by 10% (ten percent). The reason for the discount is to encourage the trustee to find a suitable buyer, because Sasol will, if it wishes to maintain the same level of Black ownership, have to fund the Public Facilitation Trust to enable it to exercise its right to buy your Sasol BEE Ordinary Shares;

9.2.3 the purchase price, less an amount equal to the amount of dividends paid to you during the period in which the trustee was in breach of clause 9.1.3, shall be payable against delivery of the transfer form for your Sasol BEE Ordinary Shares. If the Public Facilitation Trust has not received the requisite transfer form within 7 (seven) days from the date when the Public Facilitation Trust gives the trustee notice, then you agree that the Public Facilitation Trust is irrevocably and in rem suam authorised and appointed as your attorney and agent to sign the necessary transfer forms;

9.2.4 the Sasol BEE Ordinary Shares and claims shall be purchased voetstoots and without any warranties or representations of any nature whatsoever, save that:—

9.2.4.1 you are the beneficial as well as registered owner thereof; and

9.2.4.2 no person has any right of any nature whatsoever to acquire the Sasol BEE Ordinary Shares in question;

9.2.5 the stamp duty or securities transfer tax payable in respect of the registration of transfer of the Sasol BEE Ordinary Shares Sold in terms hereof shall be borne by the Public Facilitation Trust.

9.3 If you are a Black Group and any of you are involuntarily liquidated (provisionally or finally), as a result of which, during the:—

9.3.1 Cash Invitation Minimum Investment Period, you fail to maintain your BEE Status;

9.3.2 after the Cash Invitation Minimum Investment Period but during the Empowerment Period, you are no longer a Black Group,

then:—

9.3.3 the Public Facilitation Trust will not have the right to buy your Sasol BEE Ordinary Shares pursuant to clause 7 even though those shares as a result may now be held in breach of the requirements of the Agreement unless clause 9.4 applies;

9.3.4 if it is not possible for the breach to be remedied;

9.3.4.1 during the Cash Invitation Minimum Investment Period, the restrictions set out in clause 5.3.2 are relaxed so that your liquidator can Sell your Sasol BEE Ordinary Shares to a third party, provided that such third party has at least the same BEE Status as you;

9.3.4.2 after the Cash Invitation Minimum Investment Period but during the Empowerment Period, your liquidator can Sell your Sasol BEE Ordinary Shares to a Black Group and/or a Black Person.

9.3.5 Instead of having to remedy the breach immediately your liquidator will have 180 (one hundred and eighty) days from the date of your provisional liquidation to act in accordance with clause 9.3.4.

9.4 If your Sasol BEE Ordinary Shares have not been Sold or the breach caused by the liquidation has not otherwise been remedied within 180 (one hundred and eighty) days from the date of your liquidation, the Public Facilitation Trust shall be entitled, but shall not be obliged to buy your Sasol BEE Ordinary Shares by written notice to your liquidator, in which event a Sale of your Sasol BEE Ordinary Shares shall be deemed to have been concluded on the following terms and conditions:

9.4.1 the Sasol BEE Ordinary Shares shall be acquired with effect from the day prior to the date of your provisional liquidation;

9.4.2 the purchase price of the Sasol BEE Ordinary Shares shall be the Forced Sale Value calculated as at the date of the written notice from the Public Facilitation Trust to your liquidator, discounted by 10% (ten percent). The reason for the discount is to encourage your liquidator to find a suitable buyer, because Sasol will, if it wishes to maintain the same level of Black ownership, have to fund the Public Facilitation Trust to enable it to exercise its right to buy your Sasol BEE Ordinary Shares;

9.4.3 the purchase price, less an amount equal to the amount of dividends paid to you during the period in which your liquidator was in breach of clause 9.3.4, shall be payable against delivery of the transfer form for your Sasol BEE Ordinary Shares. If the Public Facilitation Trust has not received the requisite transfer form within 7 (seven) days from the date when the Public Facilitation Trust gives your liquidator notice, then you agree that the Public Facilitation Trust is irrevocably and in rem suam authorised and appointed as your attorney and agent to sign the necessary transfer forms;

9.4.4 the Sasol BEE Ordinary Shares and claims shall be purchased voetstoots and without any warranties or representations of any nature whatsoever, save that:—

9.4.4.1 you are the beneficial as well as registered owner thereof; and

9.4.4.2 no person has any right of any nature whatsoever to acquire the Sasol BEE Ordinary Shares in question;

9.4.5 the stamp duty or securities transfer tax payable in respect of the registration of transfer of the Sasol BEE Ordinary Shares Sold in terms hereof shall be borne by the Public Facilitation Trust.

NOTICE OF GENERAL MEETING

(The definitions and interpretations set out on pages 6 to 11 of the Circular to which this Notice of General Meeting is attached shall also apply to this Notice of General Meeting other than the content of the special resolutions.)

NOTICE IS HEREBY GIVEN THAT a general meeting of the Sasol Shareholders will be held immediately after the conclusion, adjournment or postponement of the Annual General Meeting convened to take place at Summer Place, 69 Melville Road, Hyde Park, South Africa, on Friday, 26 November 2010 at 9:00, to consider and, if deemed fit, to pass with or without modification the following resolutions, which have been divided into separate parts for ease of consideration, namely:

- **Part A** (comprising Special Resolutions Numbers 1, 2, and 3 and Ordinary Resolution Number 1), which deals with resolutions applicable to the Bulk Dematerialisation of the certificated Sasol BEE Ordinary Shares (to enable the Company to achieve a listing of the Sasol BEE Ordinary Shares on the BEE Segment, being Sasol's preferred trading mechanism, at an acceptable cost), including the deemed conclusion of the Custody Agreement by the Bulk Dematerialised Shareholders with the Computershare Nominee Company and Computershare Limited and the amendment of the Cash Contract and the New Cash Contract by the Replacement Clauses in respect of the Bulk Dematerialised Shareholders, the continued application of the Cash Contract or the New Cash Contract in respect of Sasol BEE Ordinary Shares that are not Dematerialised pursuant to the Bulk Dematerialisation and the authority to the Transfer Secretaries to replace the share certificates of all Election Shareholders with new share certificates reflecting the new alpha code and ISIN applicable to Sasol BEE Ordinary Shares required for a listing on the BEE Segment. Although the new definitions included in Article 161 are not only applicable to the Bulk Dematerialisation but also to all the new Articles 162 to 169, they have been included in Part A because it was appropriate to insert the definitions at the outset of the new articles. When the Cash Invitation Prospectus was issued by the Company, each successful applicant was required to sign the application form and as a result became bound by the Cash Contract. From 8 September 2010, when Sasol BEE Ordinary Shareholders became entitled to Sell their Sasol BEE Ordinary Shares to BEE Compliant Persons, until the establishment of the trading mechanism, the persons acquiring such shares were, and will be, obliged to sign the New Cash Contract. Each of the Cash Contract and New Cash Contract currently contains, *inter alia*, an agreement by each Sasol BEE Ordinary Shareholder that such shares will be held in certificated form with the share certificates being held in custody by Computershare Limited for and on behalf of each Sasol BEE Ordinary Shareholder. It is a requirement of the JSE that shares traded on the JSE be held in Dematerialised form. In the event that the Sasol BEE Ordinary Shares are not listed on the JSE, and instead the Company establishes an OTC, it may also be a requirement that shares traded on the OTC be held in Dematerialised form to facilitate settlement. Accordingly, the resolutions for the Bulk Dematerialisation of the Sasol BEE Ordinary Shares contained in Part A will also facilitate, although not a requirement, the trading of Sasol BEE Ordinary Shares on the OTC, should that trading mechanism at some time apply;
- **Part B** (comprising Special Resolutions Numbers 4, 5, 6 and 7), which deals generally with provisions relating to a potential listing on the JSE and Dematerialisation issues generally, comprising:
 - the Additional Terms applicable to the BEE Contract for trading in respect of Sasol BEE Ordinary Shares on the BEE Segment;
 - the revised rights, privileges and restrictions applicable to the Sasol BEE Ordinary Shares to take account of the listing on the BEE Segment;
 - provisions covering the holding of Sasol BEE Ordinary Shares either in certificated or Dematerialised form;
 - the cessation of any proof-of-participation or similar documents issued by the Company to any holder of certificated Sasol BEE Ordinary Shares with effect from the date of the Dematerialisation of such holder's shares;

- the right on the part of the Company to delist the Sasol BEE Ordinary Shares from the JSE in limited circumstances, subject to the JSE's Listings Requirements so permitting and also subject to the Company establishing an alternative trading mechanism;
- **Part C** (comprising Special Resolutions Numbers 8 and 9), which deals with:
 - the release of contact information by the CSD Participant, Broker and/or Nominee Company of any Sasol Shareholder to Sasol;
 - the approval of the potential granting of financial assistance to the Public Facilitation Trust by the Company.

PART A – NEW DEFINITIONS, BULK DEMATERIALISATION, CONTINUED APPLICATION OF THE CASH CONTRACT/ NEW CASH CONTRACT TO THE ELECTION SHAREHOLDERS AND THE REPLACEMENT OF SHARE CERTIFICATES (CONTAINED IN SPECIAL RESOLUTIONS NUMBERS 1, 2 AND 3 AND ORDINARY RESOLUTION NUMBER 1)

The reason for and effect of this Special Resolution Number 1 is to insert into the Sasol Articles the necessary definitions for the proposed new Articles 162 to 169.

2. SPECIAL RESOLUTION NUMBER 2

RESOLVED THAT the Sasol Articles are amended by the insertion of a new Article 162 as follows:

"162. BULK DEMATERIALISATION.

For purposes of enabling the Sasol BEE Ordinary Shares to be traded on the JSE, bearing in mind that all shares traded on the JSE must be Dematerialised, or facilitating trades on the OTC, if the listing on the JSE does not occur:

- 162.1 the Company shall, at its cost, as regards all the Bulk Dematerialised Shareholders, cause the Bulk Dematerialisation of their Sasol BEE Ordinary Shares prior to the Designated Date and the transfer of such shares into the name of the Computershare Nominee Company or the OTC Nominee Company, as the case may be, (depending on whether the Sasol BEE Ordinary Shares are to be listed on the JSE or not), as the Registered Holder, holding such shares as nominee for and on behalf of each Bulk Dematerialised Shareholder who will continue to be the Beneficial Owner;
- 162.2 this Article 162 constitutes the instruction by each of the Bulk Dematerialised Shareholders to the Company to convert his/her/its certificated Sasol BEE Ordinary Shares into Dematerialised BEE Ordinary Shares prior to the Designated Date as part of the Bulk Dematerialisation. Each of the Bulk Dematerialised Shareholders authorises the Company to appoint Computershare Limited as his/her/its duly authorised agent to sign any documents as may be necessary to give effect to the Bulk Dematerialisation;
- 162.3 each of the Bulk Dematerialised Shareholders authorises, to the extent necessary, the Company to release Computershare Limited in its capacity as the custodian of each Bulk Dematerialised Shareholder's certificated Sasol BEE Ordinary Shares from its obligations to hold in custody the share certificates in respect of his/her/its Bulk Dematerialisation Shares;
- 162.4 each Bulk Dematerialised Shareholder consents, to the extent necessary, to the release by Computershare Limited to the Company of all the information and documentation on which Computershare Limited relied in carrying out its functions as custodian;
- 162.5 the Company and each Bulk Dematerialised Shareholder by participating in the Bulk Dematerialisation shall be deemed to have agreed to the amendment of Annexure 17 forming part of the Cash Contract and Annexure A to the New Cash Contract, respectively, by the Replacement Clauses. The Computershare Nominee Company, when it becomes the Registered Holder, shall be deemed to be bound as regards each Bulk Dematerialised Shareholder by the provisions of the Amended Cash Contract and/or the Amended New Cash Contract, depending upon which contract the Bulk Dematerialised Shareholder in question is bound to;
- 162.6 in the event that the Sasol BEE Ordinary Shares are listed on the JSE, each Bulk Dematerialised Shareholder shall be deemed to have agreed to be bound to the custody agreement set out in **Annexure B** to these Articles with Computershare Limited and Computershare Nominee Company;

162.7 the mere Dematerialisation of any Sasol BEE Ordinary Shares pursuant to the Bulk Dematerialisation shall not be construed as confirmation by the Company that all the Bulk Dematerialised Shareholders are BEE Compliant Persons and the Company shall, notwithstanding the Bulk Dematerialisation, be entitled to verify whether or not any Bulk Dematerialised Shareholder is a BEE Compliant Person.”

The reason for this special resolution number 2 is that the Company undertook to use its reasonable endeavours to establish a market for trading of Sasol BEE Ordinary Shares from 8 September 2010. The Company has investigated various trading mechanisms and has decided that the JSE listing of Sasol BEE Ordinary Shares is the preferred option. It is a requirement of the JSE that shares may not be traded on the JSE unless they are held in Dematerialised form. In addition, in the event that the Sasol BEE Ordinary Shares are not listed on the JSE, it may also be a requirement of the Company that shares traded on the OTC be held in Dematerialised form. The effect of this special resolution number 2 is that, subject to the Proposed Listings Requirements and Strate amendments being formally approved, the certificated Sasol BEE Ordinary Shares of those holders other than Election Shareholders will be Dematerialised; such holders will cease to be Registered Holders but will continue to be Beneficial Owners, with their shares registered in the name of Computershare Nominee Company or the OTC Nominee Company, depending on whether the listing on the JSE occurs or not; and such Beneficial Owners will be bound by the terms of the Amended Cash Contract and/or the Amended New Cash Contract and by the terms of the custody agreement with Computershare Nominee Company and Computershare Limited contained in **Annexure B**.

3. SPECIAL RESOLUTION NUMBER 3

RESOLVED THAT subject to the passing and registration of Special Resolution Number 2 contained in the Notice of General Meeting, the Sasol Articles are amended by the insertion of a new Article 163 as follows:

"163. CONTINUED APPLICATION OF THE CASH CONTRACT AND/OR THE NEW CASH CONTRACT IN RESPECT OF THE ELECTION SHAREHOLDERS

The Cash Contract or New Cash Contract, as the case may be, to which an Election Shareholder is a party shall remain unaffected by the making of an election by the Election Shareholder to retain his/her/its Sasol BEE Ordinary Shares in certificated form.”

The reason for this Special Resolution Number 3 is to provide that Election Shareholders will continue being bound to the Cash Contract and/or the New Cash Contract, as applicable. The effect of this special resolution number 3 is that the Election Shareholder's position will be unchanged as regards the Cash Contract and/or New Cash Contract, as applicable.

4. ORDINARY RESOLUTION NUMBER 1

RESOLVED THAT if the Sasol BEE Ordinary Shares are listed on the JSE, the Company is authorised, to the extent necessary, to instruct the Transfer Secretaries to replace the share certificates of the Sasol BEE Ordinary Shares held by the Election Shareholders with new share certificates reflecting the new alpha code and ISIN applicable to the Sasol BEE Ordinary Shares and to hold the new share certificates in custody in accordance with the provisions of the Cash Contract or the New Cash Contract, as the case may be.

PART B – PROVISIONS APPLICABLE TO THE TRADING OF SASOL BEE ORDINARY SHARES ON THE BEE SEGMENT OF THE JSE (CONTAINED IN SPECIAL RESOLUTIONS NUMBERS 4, 5, 6 AND 7)

5. SPECIAL RESOLUTION NUMBER 4

RESOLVED THAT the Sasol Articles are amended by the insertion of a new Article 164 as follows:

"164. ADDITIONAL TERMS OF THE BEE CONTRACT

164.1 The provisions of this Article 164 form an integral part of the BEE Contract and must be read as if contained in the BEE Contract. Terms defined in the BEE Contract will apply to Articles 164.2 to 164.8. If the JSE changes the format for any reason of the BEE Contract, as a result of which clause numbering changes, the references to clause numbering in the BEE Contract in this Article 164 shall be read as references to the changed clause numbering.

164.2 The Registered Holder is permitted to encumber the Sasol BEE Ordinary Shares subject to clause 15 of the BEE Contract.

- 164.3 For purposes of clause 1.13 of the BEE Contract and Articles 164.3 to 164.8, "**Empowerment Period**" means the period ending on 7 September 2018 or such shorter period as may be determined by the Company in its sole discretion and notified in one national South African newspaper, and if the Sasol BEE Ordinary Shares are listed on the JSE, on the Securities Exchange News Service.
- 164.4 For purposes of clauses 17.2.2 and 24.2.2 of the BEE Contract the purchase price at which such shares will be acquired shall be the forced sale value determined by the Company in accordance with the formula set out in Article 164.8, discounted by 50% (fifty per cent).
- 164.5 For purposes of clause 18 of the BEE Contract:
- 164.5.1 the prescribed periods contemplated in clauses 18.1.2 and 18.3.2 shall be 180 (one hundred and eighty) days;
- 164.5.2 the purchase price contemplated in clauses 18.2.2 and 18.4.2 shall be the forced sale value determined by the Company in accordance with the formula set out in Article 164.8, discounted by 10% (ten per cent).
- 164.6 For purposes of clause 19 of the BEE Contract:
- 164.6.1 the prescribed periods contemplated in clauses 19.1.2 and 19.3.3 shall be 180 (one hundred and eighty) days;
- 164.6.2 the purchase price contemplated in clauses 19.2.2 and 19.4.2 shall be the forced sale value determined by the Company in accordance with the formula set out in Article 164.8, discounted by 10% (ten per cent).
- 164.7 For purposes of clauses 17, 18, 19 and 24 of the BEE Contract the securities transfer tax shall be borne by the Company or its nominee, the Public Facilitation Trust, if it is the buyer of the shares in question.
- 164.8 For purposes of Articles 164.4, 164.5.2 and 164.6.2 the formula for determining the value of the Sasol BEE Ordinary Shares shall be as follows:
- where $MV = SP$
- where $MV =$ Market value of 1 (one) Sasol BEE Ordinary Share, which does not take into account any liquidity discount resulting from the restrictions on tradability, which may be applied when trading in the Sasol BEE Ordinary Shares on or after 8 September 2010
- where $SP =$ 5 (five) day volume weighted average price of a Sasol ordinary share, being the total value of the Sasol ordinary shares traded for that period divided by the total number of Sasol ordinary shares traded for that period.

In the event of any corporate action, the formula will be adjusted appropriately if required."

The reason for this Special Resolution Number 4 is that the BEE Contract is comprised of two parts, namely, the generic terms set out in the BEE Contract and the specific terms applicable only to a particular issuer. The effect of this Special Resolution Number 4 is that the specific terms of the BEE Contract applicable to the Sasol BEE Ordinary Shares will be set out in Article 164.

6. SPECIAL RESOLUTION NUMBER 5

RESOLVED THAT the Sasol Articles are amended by the insertion of a new Article 165 as follows:

"165. RIGHTS, PRIVILEGES AND RESTRICTIONS ATTACHING TO THE SASOL BEE ORDINARY SHARES

165.5 the Registered Holder and, if the Registered Holder is not the Beneficial Owner, the Beneficial Owner undertake/s not to encumber its/his/her Sasol BEE Ordinary Shares at any time during the Empowerment Period unless the terms of the agreement for such encumbrance expressly provide that if the security is realised, the Sasol BEE Ordinary Shares may only be transferred to a BEE Compliant Person.

The Sasol BEE Ordinary Shares shall automatically be re-designated as ordinary shares, on the expiry of the Empowerment Period.”

The reason for this Special Resolution Number 5 is to amend the rights, privileges and restrictions applicable to the Sasol Ordinary BEE Ordinary Shares (currently contained in Article 161 but which will for ease of reading be contained in a new Article 165 after amendment) to allow the holding of such shares either in certificated or dematerialised form and, in addition, to permit the holding of the dematerialised shares in the name of a Nominee Company (whether or not it is a BEE Compliant Person) and to provide for the expropriation of shares in case the holder thereof has failed to sign the BEE Contract and/or is not bound to an Amended New Cash Contract and/or an Amended Cash Contract, as the case may be. The effect of this Special Resolution Number 5 is that the restriction requiring the Sasol BEE Ordinary Shares to be held only in certificated form will be removed and the registered holders of the certificated Sasol BEE Ordinary Shares will after the passing of this Special Resolution Number 5 be entitled to hold such shares either in certificated or dematerialised form, in addition, to permit the holding of the dematerialised shares in the name of Nominee Company (whether or not it is a BEE Compliant Person) and to provide for the expropriation of shares in case the holder thereof has failed to sign the BEE Contract and/or is not bound to an Amended New Cash Contract and/or an Amended Cash Contract, as the case may be.

7. SPECIAL RESOLUTION NUMBER 6

RESOLVED THAT the Sasol Articles are amended as follows:

7.1 by the insertion of a new Article 166 as follows:

“166. DEMATERIALISATION AND RE-MATERIALISATION OF SASOL BEE ORDINARY SHARES (OTHER THAN VIA THE BULK DEMATERIALISATION)

166.1 If any holder of Sasol BEE Ordinary Shares who holds such shares in a dematerialised form elects at any time to:

166.1.1 appoint a new person to be the Registered Holder holding such shares for and on his/her/its behalf, he/she/it shall, together with such person and the relevant parties, be obliged to sign a replacement BEE Contract;

166.1.2 hold his/her/its Dematerialised BEE Ordinary Shares in certificated form, then such holder shall be obliged to sign a New Cash Contract unless an existing New Cash Contract to which he/she/it is a party is still in place covering Sasol BEE Ordinary Shares being held in certificated form, and the share certificate in respect of the certificated Sasol BEE Ordinary Shares in question shall be held in custody by Computershare Limited as contemplated in the New Cash Contract.

166.2 If any holder of certificated Sasol BEE Ordinary Shares (including any Election Shareholder) elects to dematerialise his/her/its Sasol BEE Ordinary Shares (other than pursuant to the Bulk Dematerialisation), he/she/it shall be obliged to sign a BEE Contract in respect of those shares being dematerialised. Any holder of certificated Sasol BEE Ordinary Shares who/which elects to dematerialise his/her/its Sasol BEE Ordinary Shares shall by giving written notice to that effect to the Company authorising the Company to:

166.2.1 release Computershare Limited in its capacity as the custodian of such holder’s certificated Sasol BEE Ordinary Shares from its obligations to hold in custody the share certificate/s in respect of the Sasol BEE Ordinary Shares being dematerialised;

166.2.2 appoint Computershare Limited to sign, to the extent necessary, any documents as may be necessary to give effect to the dematerialisation contemplated in this Article 166.2.”;

7.2 by the insertion of a new Article 167 as follows:

“167. PROOF OF PARTICIPATION OR OTHER SIMILAR STATEMENTS

Any proof-of-participation or other similar statement issued by the Company to any holder of Sasol BEE Ordinary Shares which are held in certificated form and accordingly obliged to be held in safe custody, will cease to be of any force or effect from the date on which his/her/its Sasol BEE Ordinary Shares are dematerialised.”

The reason for this Special Resolution Number 6 is to provide for the manner in which holders of Sasol BEE Ordinary Shares will be entitled to elect to hold their shares either in certificated form or dematerialised form and to provide that any "proof of participation" document issued by the Company to any holder of certificated Sasol BEE Ordinary Shares will cease to be of any force or effect from the date of the dematerialisation of such holder's Sasol BEE Ordinary Shares. The effect of this Special Resolution Number 6 is that the holders of Sasol BEE Ordinary Shares will be entitled to elect whether to hold any of their Sasol BEE Ordinary Shares in certificated or dematerialised form subject to complying with certain requirements.

8. SPECIAL RESOLUTION NUMBER 7

RESOLVED THAT the Sasol Articles are amended by the insertion of a new Article 168 as follows:

"168. SASOL'S RIGHTS TO DELIST SASOL BEE ORDINARY SHARES

In the event that the listings requirements of the JSE so permit and the Company determines that a listing of Sasol BEE Ordinary Shares on the JSE is not ensuring that in general Sasol BEE Ordinary Shares are Beneficially Owned by BEE Compliant Persons only, the Company shall be entitled to delist the Sasol BEE Ordinary Shares from the JSE, provided that it puts in place an alternative trading mechanism."

The reason for this Special Resolution Number 7 is to enable the Company to delist the Sasol BEE Ordinary Shares from the JSE in the limited circumstances contemplated in this Special Resolution Number 7 subject to establishing an alternative trading mechanism. The effect of this Special Resolution Number 7 is that the Company will be entitled, if the listings requirements of the JSE so provide, to delist the Sasol BEE Ordinary Shares from the JSE in certain circumstances.

PART C – GENERAL RESOLUTIONS

9. SPECIAL RESOLUTION NUMBER 8

RESOLVED THAT the Sasol Articles are amended by the insertion of a new Article 169 as follows:

"169. The holder of any class of shares in the issued share capital of the Company consents to the release by his/her/its CSD Participant, Broker and/or Nominee Company, as the case may be, of all his/her/its contact details to the Company."

The reason for and effect of this special resolution number 8 is to authorise the Company to obtain from the CSD Participant, Broker and/or Nominee Company who acts on behalf of any Beneficial Owner of shares in the Company the contact details it has in its possession in respect of any shareholder of the Company.

10. SPECIAL RESOLUTION NUMBER 9

RESOLVED THAT the granting of financial assistance by the Company to The Sasol Inzalo Public Facilitation Trust ("Public Facilitation Trust") in accordance with section 38(2A) of the Companies Act, 1973 ("the Companies Act") (or, if the Companies Act is repealed by the Companies Act, 2008, in terms of section 44 of the Companies Act, 2008) is approved, to enable the Public Facilitation Trust to acquire any such Sasol BEE Ordinary Shares which the holders thereof may be obliged to dispose of as a result of breaching the terms of the contract prescribed by the Company concluded with a registered holder of Sasol BEE Ordinary Shares (who is also the beneficial owner) who acquired or acquires such shares on or after 8 September 2010 ("**New Cash Contract**"), the contract concluded by the Company with each of the holders of the certificated Sasol BEE Ordinary Shares during 2008 when the Sasol BEE Ordinary Shares were allotted and issued, which contract contains, *inter alia*, provisions governing the holding of certificated Sasol BEE Ordinary Shares and a requirement that the registered holder and the beneficial owner of the Sasol BEE Ordinary Shares be the same person ("**Cash Contract**"), as amended by the replacement clauses as contemplated in the Company's articles of association ("**the Sasol Articles**") ("**the Replacement clauses**") amending Annexure 17 forming part of such contract ("**the Amended Cash Contract**"), the New Cash Contract as amended by the Replacement Clauses amending Annexure A forming part of the New Cash Contract ("**the Amended New Cash Contract**"), the contract prescribed by the JSE Limited ("**JSE**") which comprises the generic terms contained in that contract and the additional terms specific to the Company to be contained in the Sasol Articles, if Special Resolution Number 4 in the Notice of Meeting dated 1 November 2010 is passed and registered ("**the BEE Contract**"), the Sasol Articles if no BEE Contract is signed and/or in the case of misdeals in terms of the rules of the JSE, on the basis that such financial assistance will be made available by the Company to the Public Facilitation Trust by way of loans by the Company or by the Company procuring that a third party makes loans to the Public Facilitation Trust which are guaranteed by the Company. The Company will decide at the relevant time whether to make such financial assistance available on an interest free or market related basis, particularly having regard to the fact that The Sasol Inzalo Foundation is the sole beneficiary of the Public Facilitation Trust. The board of directors of the Company will, before making any such

financial assistance available satisfy itself that it will meet the requirements of solvency and liquidity immediately after giving such financial assistance and the board will, if the Companies Act, 2008 comes into force also satisfy itself that the terms under which such financial assistance is given, comply with the provisions of the Companies Act, 2008.

The reason for this Special Resolution Number 9 is to obtain the approval of the shareholders of the Company in terms of section 38(2A) of the Companies Act for the potential granting of financial assistance by the Company to the Public Facilitation Trust if it becomes necessary for the Public Facilitation Trust to acquire Sasol BEE Ordinary Shares from holders thereof who have breached the provisions of any of the New Cash Contract, the Amended Cash Contract, the Amended New Cash Contract, the BEE Contract, and/or the Sasol Articles if no BEE Contract is signed and/or in the case of misdeals in terms of the rules of the JSE. The effect of this Special Resolution Number 9 is that the Company will be authorised, until the 2-year period contemplated in the Companies Act, 2008 expires, to grant financial assistance to the Public Facilitation Trust in order for the Public Facilitation Trust to acquire Sasol BEE Ordinary Shares in the aforesaid circumstances. At the Company's shareholders' meeting during May 2008 Sasol Shareholders approved a resolution permitting the Company to grant financial assistance to the Public Facilitation Trust to enable it, *inter alia*, to purchase Sasol BEE Ordinary Shares from Sasol Ordinary Shareholders who breached their Cash Contracts and as a result no authority to grant financial assistance to the Public Facilitation Trust in order for it to acquire Sasol BEE Ordinary Shares from holders thereof who have breached the provisions of their Cash Contracts is being sought at this time but will be sought again once the 2 year period contemplated in the Companies Act, 2008, expires.

A proxy need not be a shareholder.

A form of proxy is enclosed for those shareholders who wish to be represented at the meeting.

The instrument appointing a proxy must be received at the Registered Office of the Company before 10:00 on Wednesday, 24 November 2010. Forms can be posted or hand delivered.
