Delivery of *Stena Supreme* from Samsung Heavy Industries in South Korea

On Friday the 29 June the Suezmax tanker *Stena Supreme* was delivered from Samsung Heavy Industries in Geoje, South Korea. The *Stena Supreme* is a crude oil tanker and with a length of 274 m, it is the largest vessel in Concordia Maritime's fleet. The vessel, representing an investment of around SEK 500 million, will be employed in the open market via the Stena Sonangol Suezmax Pool.

With the delivery, Concordia Maritime's fleet consists of one crude oil tanker, ten P-MAX product tankers (65,000 dwt) and two Panamax tankers (75,000 dwt) in which the company has a 50% share.

Technical data for the <i>Stena Supreme</i>:

Length: 274 metres, Beam: 48 metres, Deadweight: 158,700 tons
