**Re: Energy Fuels, Inc.
Amendment No. 1 to Registration Statement on Form S-3
Filed April 15, 2016
File No. 333-210782**

Dear David Frydenlund:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our April 26, 2016, letter.

1. We note that the legality opinion in Exhibit 5.1 now states that the Shares, Preferred Shares, and Warrant Shares will be legally issued as fully paid and non-assessable. Please file a revised legality opinion that opines on whether such shares will be legally issued, fully paid, and non-assessable, as those terms are understood under U.S. law. For guidance, refer to Section II.B.1.c of Staff Legal Bulletin No. 19.
