**DRDGOLD RESTRUCTURES, RE-NAMES TO SEPARATE SURFACE RETREATMENT AND UNDERGROUND MINING INTERESTS**

Johannesburg, South Africa, 14 January 2011: DRDGOLD Limited (JSE: DRD; NASDAQ: DROOY) has announced a change in its group structure in order to better distinguish between its surface retreatment and underground operations.

In terms of this restructuring:

- operating subsidiary DRDGOLD South African Operations (Proprietary) Limited (“DRDGOLD SA”), which is 74% held by DRDGOLD Limited, 20% by Khumo Gold SPV (Proprietary) Limited (“Khumo Gold”) and 6% by the DRDSA Empowerment Trust (“the Trust”), has changed its name to Ergo Mining Operations (Proprietary) Limited (“Ergo”), which now controls Ergo Mining (Proprietary) Limited, Crown Gold Recoveries (Proprietary) Limited and East Rand Proprietary Mines Limited each of which is surface retreatment operations.
- Blyvooruitzicht Gold Mining Company Limited (“Blyvoor”), primarily an underground mining operation previously held 100% by DRDGOLD SA, is now directly held by DRDGOLD Limited (74%), Khumo Gold (20%) and the Trust (6%).

Commenting on the changes, DRDGOLD Chief Executive Officer Niël Pretorius said: “We believe this is a move towards placing two quite different sets of assets under separate brands, in order to ultimately provide separate investment opportunities for two distinct investor types.”
