

**Endomines AB (publ)**  
**Press release**  
**Stockholm November 30, 2016**

## **Correction of the press release on November 23, 2016 regarding the last day of trading in the warrant TO 2014/2016 on Nasdaq Helsinki**

In the press release published on November 23, 2016 it was mentioned that the last day of trading in Endomines AB (publ)'s warrant ENDOMEW114 on Nasdaq Helsinki would be December 7, 2016.

Due to Nasdaq Helsinki's Exchange rules, the last day of trading in the warrant must be the fourth trading day immediately preceding the last subscription day. This means that the last trading day for ENDOMEW114 in Helsinki will be December 2, 2016.

The last day of trading in the warrant on Nasdaq Stockholm will still be December 7, 2016.

For other information, see the November 23, 2016 press release.

This press release has been issued in English only, since the change above relate to trading on Nasdaq Helsinki only.

### **About Endomines**

Endomines is a gold concentrate producer with mining, development and exploration operations in Eastern Finland along the 40 kilometer long Karelian Gold Line. Through various regulatory approvals, Endomines controls the exploration rights to this entire area. Endomines vision is to participate in the future structural transformation and consolidation of the Nordic mining industry. The Company may therefore be involved in acquisitions of interesting deposits or companies, should such opportunities arise.

The shares trade on Nasdaq Stockholm (ENDO) and Nasdaq Helsinki (ENDOM).
