**Notes (other relevant informations according to law)**

Renaissance checked the box for "OTHER" to indicate that, as of 20 March 2017, there was an aggregate holding in Eniro marginally in excess of 5% held by funds managed by Renaissance. This is notwithstanding that a fund for which Renaissance acts as investment manager, GF Trading LLC, which we reported previously as the sole holder of interests in Eniro, no longer individually crosses this threshold. Accordingly, we submitted the filing to confirm the foregoing.
