

New Canadian patent approval for Episurf Medical

Episurf Medical (NASDAQ: EPIS B) has received another Notice of Allowance from the Canadian Intellectual Property Office (CIPO). The patent, entitled “*System and method for creating a decision support material indicating damage to an anatomical joint*”, relates to 3D-based assessment of joint lesions.

“This is an important patent for Episurf in the field of medical imaging and surgical pre-planning, and we are happy to get it approved in strategically selected countries”, says Katarina Flodström, COO, Episurf Medical.
