

Change of CEO Image Systems AB

After successfully completing the restructuring process in recent years, CEO Johan Friberg, in consultation with the board, has decided to step down as CEO of Image Systems AB. Johan Friberg will remain as CEO of the subsidiary Motion Analysis, at the latest until the end of the year.

The board has appointed Deputy CEO Emilien Saindon as the new CEO of Image Systems AB, effective April 14. Emilien Saindon will also continue in his role as CEO of the subsidiary RemaSawco.

“The board would like to thank Johan for having guided the group with a steady hand during the transformation process. At the same time, we warmly welcome Emilien to his new role and have great confidence that he will deliver the best possible outcome based on the individual conditions of the subsidiaries.”
