

Net Insight receives order from a media operator in Asia

30 June 2009

Stockholm, Sweden – Net Insight, a leading provider of efficient optical transport solutions for media, broadcast and IP networks has received an order for the Nimbra platform from an Asian media operator.

This media operator in Asia is a new customer for Net Insight and they will use the equipment for TV distribution.

This new order will be partially delivered during the second quarter 2009.
