Poolia opens new office in Hannover

As Poolia Germany continues to advance strongly, yet another office opens on the 2nd of June. The new office in Hannover will add to offices already present, in Hamburg, Munich, Mannheim, Frankfurt, Düsseldorf and Cologne.

"We have found the right set of competence to run our office in Hannover; people with long experience from the staffing industry and with a well established local network. We have already closed our first business deal, so we are up to full speed."

"The expansion is in line with the strategy to strengthen our presence in Europe through organic growth in countries where we already have operations in place. Niedersachsen is an exciting region with great potential for our core business, that is, the temporary staffing and permanent recruitment of professional white-collar workers," says Alfred Unterschemmann, Managing Director for Poolia Germany.
