ITEM 30. INDEMNIFICATION

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our charter contains such a provision which eliminates directors' and officers' liability to the maximum extent permitted by Maryland law, subject to the requirements of the 1940 Act.

Our charter authorizes us, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to obligate ourselves to indemnify any present or former director or officer or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee, from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. Our bylaws obligate us, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to indemnify any present or former director or officer or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner, member, manager or trustee and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in any such capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. The charter and bylaws also permit us to indemnify and advance expenses to any person who served a predecessor of us in any of the capacities described above and any of our employees or agents or any employees or agents of our predecessor. In accordance with the 1940 Act, we will not indemnify any person for any liability to which such person would be subject by reason of such person's willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office.

Maryland law requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that a personal benefit was improperly received, unless in either case a court orders indemnification, and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

The Investment Advisory Agreement provides that, absent willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, Prospect Capital Management LLC (the "Adviser") and its officers, managers, agents, employees, controlling persons, members and any other person or entity affiliated with it are entitled to indemnification from the Company for any damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) arising from the rendering of the Adviser's services under the Investment Advisory Agreement or otherwise as an investment adviser of the Company.

The Administration Agreement provides that, absent willful misfeasance, bad faith or negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, Prospect Administration LLC and its officers, manager, agents, employees, controlling persons, members and any other person or entity affiliated with it are entitled to indemnification from the Company for any damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) arising from the rendering of Prospect Administration LLC's services under the Administration Agreement or otherwise as administrator for the Company.

The Administrator is authorized to enter into one or more sub-administration agreements with other service providers (each a “Sub-Administrator”) pursuant to which the Administrator may obtain the services of the service providers in fulfilling its responsibilities hereunder. Any such sub-administration agreements shall be in accordance with the requirements of the 1940 Act and other applicable U.S. Federal and state law and shall contain a provision requiring the Sub-Administrator to comply with the same restrictions applicable to the Administrator.

ITEM 31. BUSINESS AND OTHER CONNECTIONS OF INVESTMENT ADVISER

A description of any other business, profession, vocation or employment of a substantial nature in which the Adviser, and each managing member, director or executive officer of the Adviser, is or has been during the past two fiscal years, engaged in for his or her own account or in the capacity of director, officer, employee, partner or trustee, is set forth in Part A of this Registration Statement in the section entitled “Management.” Additional information regarding the Adviser and its officers and directors is set forth in its Form ADV, as filed with the Securities and Exchange Commission (SEC File No. 801-62969), and is incorporated herein by reference.

2. Not applicable.
3. The Registrant undertakes:
 - a. not applicable;
 - b. that, for the purpose of determining any liability under the 1933 Act, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of those securities at that time shall be deemed to be the initial bona fide offering thereof;
 - c. to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;
 - d. for the purpose of determining liability under the Securities Act to any purchaser that:
 - (1) if the Registrant is relying on Rule 430B: (A) each prospectus filed pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and (B) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (x), or (xi) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes

of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(2) if the Registrant is subject to Rule 430C under the Securities Act, each prospectus filed pursuant to Rule 424(b) under the Securities Act as part of this registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness, provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use. and

- e. for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of securities, the Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to the purchaser:

(1) any preliminary prospectus or prospectus of the Registrant relating to the offering required to be filed pursuant to Rule 424 under the Securities Act;

(2) free writing prospectus relating to the offering prepared by or on behalf of the Registrant or used or referred to by the Registrant;

(3) the portion of any other free writing prospectuses or advertisement pursuant to Rule 482 under the Securities Act relating to the offering containing material information about the Registrant or its securities provided by or on behalf of the Registrant; and

(4) any other communication that is an offer in the offering made by the Registrant to the purchaser..

- 4. Not applicable.
- 5. for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference into the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- 6. insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant, the Registrant have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant undertakes, unless in the opinion of the Registrant's counsel the matter has been settled by controlling precedent, to submit to a court of appropriate jurisdiction the question whether such indemnification by the Registrant is against public policy as expressed in the Securities Act and the Registrant will be governed by the final adjudication of such issue..
- 7. to send by first class mail or other means designed to ensure equally prompt delivery within two business days of receipt of a written or oral request, any prospectus or Statement of Additional Information.

between

PROSPECT CAPITAL CORPORATION

and

**U.S. BANK TRUST COMPANY NATIONAL ASSOCIATION (successor in interest to
U.S. BANK NATIONAL ASSOCIATION),**

as Trustee

Dated as of the date set forth on Exhibit B hereto.

SUPPLEMENTAL INDENTURE

THIS SUPPLEMENTAL INDENTURE (this "Supplemental Indenture"), which shall be deemed the enumerated supplemental indenture as stated in Exhibit B hereto, is between Prospect Capital Corporation, a Maryland corporation (the "Company"), and U.S. Bank Trust Company National Association (successor in interest to U.S. Bank National Association), as trustee (the "Trustee"). All capitalized terms used herein shall have the meaning set forth in the Base Indenture (as defined below).

RECITALS OF THE COMPANY

The Company and the Trustee executed and delivered an Indenture, dated as of February 16, 2012, as amended by that certain Agreement of Resignation, Appointment and Acceptance, dated as of March 12, 2012, by and between the Company, the Trustee, and American Stock Transfer & Trust Company, LLC (the "Base Indenture" and, as supplemented by one or more supplemental indentures, including this Supplemental Indenture, the "Indenture"), to provide for the issuance by the Company from time to time of the Company's unsecured debentures, notes or other evidences of indebtedness (the "Securities"), to be issued in one or more series as provided in the Indenture.

The Company desires to issue and sell the aggregate principal amount as listed in Exhibit B hereto of the Company's senior notes as described in Exhibit B attached hereto (the "Notes").

Sections 9.01(5) and 9.01(7) of the Base Indenture provide that without the consent of Holders of the Securities of any series issued under the Indenture, the Company, when authorized by or pursuant to a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental to the Base Indenture to (i) change or eliminate any of the provisions of the Indenture when there is no Security Outstanding of any series created prior to the execution of a supplemental indenture that is entitled to the benefit of such provision and (ii) establish the form or terms of Securities of any series as permitted by Section 2.01 and Section 3.01 of the Base Indenture.

The Company desires to establish the form and terms of the Notes and to modify, alter, supplement and change certain provisions of the Base Indenture for the benefit of the Holders of the Notes (except as may be provided in a future supplemental indenture to the Indenture ("Future Supplemental Indenture")).

The Company has duly authorized the execution and delivery of this Supplemental Indenture to provide for the issuance of the Notes and all acts and things necessary to make this Supplemental Indenture a valid, binding, and legal obligation of the Company and to constitute a valid agreement of the Company, in accordance with its terms, have been done and performed.

NOW, THEREFORE, THIS INDENTURE WITNESSETH:

For and in consideration of the premises and the purchase of the Notes by the Holders thereof, it is mutually agreed, for the equal and proportionate benefit of all Holders of the Notes, as follows:

ARTICLE I

TERMS OF THE NOTES

Section 1.01 Terms of the Notes. The following terms relating to the Notes are hereby established:

(a) The Notes shall constitute a series of Securities having the title as stated in Exhibit B hereto and shall be designated as Senior Securities under the Indenture. The Notes shall bear a CUSIP number and an ISIN number as stated in Exhibit B hereto.

(b) The aggregate principal amount of the Notes that may be initially authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 3.04, 3.05, 3.06, 9.06 or 11.07 of the Base Indenture) shall be as stated in Exhibit B attached hereto. Under a Board Resolution, Officers' Certificate pursuant to Board Resolutions or an indenture supplement, the Company may from time to time, without the consent of the Holders of Notes, issue additional Notes (in any such case "Additional Notes") having the same ranking and the same interest rate, maturity and other terms as the Notes. Any Additional Notes and the existing Notes will constitute a single series under the Indenture and all references to the relevant Notes herein shall include the Additional Notes unless the context otherwise requires.

(c) The entire outstanding principal of the Notes shall be payable on the maturity date as identified on Exhibit B attached hereto.

(d) If the Notes are identified as "Fixed" on Exhibit B, the rate at which the Notes shall bear interest shall be the percentage per annum identified as the "Coupon Rate" on Exhibit B attached hereto; and if the Notes are identified as "Step" on Exhibit B, the rates at which the Notes shall bear interest shall be the percentages per annum during the corresponding periods as identified in the applicable footnote under the "Coupon Rate" on Exhibit B attached hereto (the "Applicable Interest Rate"). The date from which interest shall accrue on the Notes shall be on the date specified in Exhibit B attached hereto, or the most recent Interest Payment Date to which interest has been paid or provided for; the Interest Payment Dates for the Notes shall be as identified in Exhibit B attached hereto of each year, commencing on the date as identified as the 1st Coupon Date in Exhibit B hereto (if an Interest Payment Date falls on a day that is not a Business Day, then the applicable interest payment will be made on the next succeeding Business Day and no additional interest will accrue as a result of such delayed payment); the initial interest period will be the period from and including the date as identified as the 1st Coupon Date in Exhibit B hereto (or the most recent Interest Payment Date to which interest has been paid or provided for), to, but excluding, the initial Interest Payment Date, and the subsequent interest periods will be the periods from and including an Interest Payment Date to, but excluding, the next Interest Payment Date or the Stated Maturity, as the case may be; the interest so payable, and punctually paid or duly provided for, on any Interest Payment Date, will be paid to the Person in whose name the Note (or one or more predecessor Notes) is registered at the close of business on the Regular Record Date for such interest, which shall be the record dates as identified in Exhibit B hereto (whether or not a Business Day), as the case may be, next

preceding such Interest Payment Date. The initial interest payment on the Notes on the date as identified as the 1st Coupon Date in Exhibit B hereto, or the initial Interest Payment Date, shall be equal to amount identified as the 1st Coupon Amount in Exhibit B hereto. Payment of principal of (and premium, if any) and any such interest on the Notes will be made at the Corporate Trust Office of the Trustee in New York, New York in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that at the option of the Company payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

(e) The Notes shall be initially issuable in global form (each such Note, a "Global Note"). The Global Notes and the Trustee's certificate of authentication thereon shall be substantially in the form of Exhibit A hereto. Each Global Note shall represent the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate amount of outstanding Notes from time to time endorsed thereon and that the aggregate amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee or the Security Registrar, in accordance with Sections 2.03 and 3.05 of the Indenture.

(f) The depositary for such Global Notes (the "Depositary") shall be The Depositary Trust Company, New York, New York. The Security Registrar with respect to the Global Notes shall be the Trustee.

(g) The Notes shall be defeasible pursuant to Section 14.02 or Section 14.03 of the Base Indenture. Covenant defeasance contained in Section 14.03 of the Base Indenture shall apply to the covenants contained in Sections 10.06 and 10.08 of the Indenture.

(h) The Notes shall be redeemable pursuant to Section 11.01 of the Base Indenture and as follows:

(i) The Notes will be redeemable in whole or in part at any time or from time to time, at the option of the Company, on or after the date identified as the Optional Redemption Date in Exhibit B hereto, at a redemption price of \$1,000 per Note plus accrued and unpaid interest payments otherwise payable for the then-current quarterly interest period accrued to, but excluding, the date fixed for redemption.

(ii) Notice of redemption shall be given in writing and mailed, first-class postage prepaid or by overnight courier guaranteeing next-day delivery, to each Holder of the Notes to be redeemed, not less than five (5) nor more than sixty (60) days prior to the Redemption Date, at the Holder's address appearing in the Security Register. All notices of redemption shall contain the information set forth in Section 11.04 of the Base Indenture.

(iii) Any exercise of the Company's option to redeem the Notes will be done in compliance with the Investment Company Act.

(iv) If the Company elects to redeem only a portion of the Notes, the Trustee will determine the method for selecting the particular Notes to be redeemed, in accordance with the Investment Company Act.

(v) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption hereunder.

(i) The "Survivor's Option" is defined in Section 2.01 and, if applicable to the Notes, is a provision in a Note pursuant to which the Company agrees to repay that Note, if requested by the authorized representative of the beneficial owner of that Note, following the death of the beneficial owner of the Note, so long as the Note was owned by that beneficial owner or the estate of that beneficial owner at least six months prior to the request. The Survivor's Option, if applicable, shall be so specified under "Survivor's Option" on Exhibit B attached hereto.

Upon the valid exercise of any Survivor's Option and the proper tender of that Note for repayment, the Company will, at its option, repay or repurchase that Note, in whole or in part, at a price equal to 100% of the principal amount of the deceased beneficial owner's interest in that Note plus unpaid interest accrued to the date of repayment.

To be valid, any Survivor's Option must be exercised by or on behalf of the person who has authority to act on behalf of the deceased beneficial owner of the Note (including, without limitation, the personal representative or executor of the deceased beneficial owner or the surviving joint owner with the deceased beneficial owner) under the laws of the applicable jurisdiction.

The death of a person holding a beneficial ownership interest in a Note as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased holder's spouse, will be deemed the death of a beneficial owner of that Note, and the entire principal amount of the Note so held will be subject to repayment by us upon request. However, the death of a person holding a beneficial ownership interest in a Note as tenant in common with a person other than such deceased holder's spouse will be deemed the death of a beneficial owner only with respect to such deceased person's interest in the Note.

The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial ownership interests in a Note will be deemed the death of the beneficial owner of that Note for purposes of any Survivor's Option, regardless of whether that beneficial owner was the registered holder of that Note, if entitlement to those interests can be established to the satisfaction of the Trustee. A beneficial ownership interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a

husband and wife. In addition, a beneficial ownership interest will be deemed to exist in custodial and trust arrangements where one person has all of the beneficial ownership interests in the applicable Note during his or her lifetime.

The Company has the discretionary right to limit the aggregate principal amount of Notes as to which exercises of any Survivor's Option shall be accepted by us from authorized representatives of all deceased beneficial owners in any calendar year to an amount equal to the greater of \$2,000,000 or 2% of the principal amount of all Notes outstanding as of the end of the most recent calendar year. The Company also has the discretionary right to limit to \$250,000 in any calendar year the aggregate principal amount of Notes as to which exercises of any Survivor's Option shall be accepted by us from the authorized representative of any individual deceased beneficial owner of Notes in such calendar year. In addition, the Company will not permit the exercise of any Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. An otherwise valid election to exercise any Survivor's Option may not be withdrawn. Each election to exercise any Survivor's Option will be accepted in the order that elections are received by the Trustee, except for any Note the acceptance of which would contravene any of the limitations described in the preceding paragraph. Notes accepted for repayment through the exercise of any Survivor's Option normally will be repaid on the first interest payment date that occurs 20 or more calendar days after the date of the acceptance. For example, if the acceptance date of a Note tendered through a valid exercise of any Survivor's Option is September 1, 2011, and interest on that Note is paid monthly, the Company would normally, at its option, repay that Note on the interest payment date occurring on October 15, 2011, because the September 15, 2011 interest payment date would occur less than 20 days from the date of acceptance. Each tendered Note that is not accepted in any calendar year due to the application of any of the limitations described in the preceding paragraph will be deemed to be tendered in the following calendar year in the order in which all such Notes were originally tendered. If a Note tendered through a valid exercise of any Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered holder, at that holder's last known address as indicated in the Note register, that states the reason that Note has not been accepted for repayment.

With respect to Notes represented by a Global Note, DTC or its nominee is treated as the holder of the Notes and will be the only entity that can exercise any Survivor's Option for such Notes. To obtain repayment pursuant to exercise of any Survivor's Option for a Note, the deceased beneficial owner's authorized representative must provide the following items to the broker or other entity through which the beneficial interest in the Note is held by the deceased beneficial owner:

- a written instruction to such broker or other entity to notify DTC of the authorized representative's desire to obtain repayment pursuant to exercise of such Survivor's Option;
- appropriate evidence satisfactory to the Trustee (a) that the deceased was the beneficial owner of the Note at the time of death and his or her interest in the Note was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment, (b) that the death of the beneficial owner has occurred, (c) of

the date of death of the beneficial owner, and (d) that the representative has authority to act on behalf of the beneficial owner;

- if the interest in the Note is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from the nominee attesting to the deceased's beneficial ownership of such Note;
- written request for repayment signed by the authorized representative of the deceased beneficial owner with the signature guaranteed by a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc. or a commercial bank or trust company having an office or correspondent in the United States;
- if applicable, a properly executed assignment or endorsement;
- tax waivers and any other instruments or documents that the Trustee reasonably requires in order to establish the validity of the beneficial ownership of the Note and the claimant's entitlement to payment; and
- any additional information the Trustee reasonably requires to evidence satisfaction of any conditions to the exercise of any Survivor's Option or to document beneficial ownership or authority to make the election and to cause the repayment of the Note.

In turn, the broker or other entity will deliver each of these items to the Trustee, together with evidence satisfactory to the Trustee from the broker or other entity stating that it represents the deceased beneficial owner.

The death of a person owning a Note in joint tenancy or tenancy by the entirety with another or others shall be deemed the death of the holder of the Note, and the entire principal amount of the Note so held shall be subject to repayment, together with interest accrued thereon to the repayment date. The death of a person owning a Note by tenancy in common shall be deemed the death of a holder of a Note only with respect to the deceased holder's interest in the Note so held by tenancy in common; except that in the event a Note is held by husband and wife as tenants in common, the death of either shall be deemed the death of the holder of the Note, and the entire principal amount of the Note so held shall be subject to repayment. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Note, shall be deemed the death of the holder thereof for purposes of this provision, regardless of the registered holder, if such beneficial interest can be established to the satisfaction of the Trustee and us. Such beneficial interest shall be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Gifts to Minors Act, the Uniform Transfers to Minors Act, community property or other joint ownership arrangements between a husband and wife and trust arrangements where one person has substantially all of the beneficial ownership interest in the Note during his or her lifetime.

The Company retains the right to limit the aggregate principal amount of Notes as to which exercises of any Survivor's Option applicable to the Notes will be accepted in any one calendar year as described above. All other questions regarding the eligibility or validity of any exercise of the Survivor's Option will be determined by us, in our sole discretion, which determination will be final and binding on all parties. For the avoidance of doubt, we also retain the right to reject in our sole discretion any exercise of the Survivor's Option where the deceased held no or only a minimal beneficial ownership interest in the Notes and entered into arrangements with third parties in relation to the Notes prior to death for the purpose of permitting or attempting to permit those third parties to directly or indirectly benefit from the exercise of the Survivor's Option.

(j) The Notes shall not be subject to any sinking fund pursuant to Section 12.01 of the Base Indenture.

(k) The Notes shall be issuable in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof.

(l) Holders of the Notes will not have the option to have the Notes repaid prior to the Stated Maturity.

REVERSE OF SECURITY
PROSPECT CAPITAL CORPORATION
PROSPECT CAPITAL INTERNOTES®

1. General. This Note is one of a duly authorized issue of securities (herein called the "Securities") of the Company, issued and to be issued in one or more series under an Indenture, dated as of February 16, 2012, as amended (the "Indenture"), between the Company and U.S. Bank National Association (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the Securities of the series designated on the face hereof. The Securities of this series may bear different dates, mature at different times and bear interest at different rates. The Securities of this series may be issued from time to time in an unlimited aggregate principal amount.

2. Redemption at the Option of the Company. Unless a Redemption Right is specified on the face hereof, this Security shall not be redeemable at the option of the Company before the Maturity Date specified on the face hereof. If a Redemption Right is so specified, this Security may be redeemed at the option of the Company on any Business Day on and after the date, if any, specified on the face hereof (each, a "Redemption Date"). This Security may be redeemed on any Redemption Date in whole or in part in increments of \$1,000 (an "Authorized Denomination") at the option of the Company at a redemption price equal to 100% of the principal amount to be redeemed, together with accrued interest to the Redemption Date, on written notice given not more than 60 days nor less than 5 days prior to the proposed Redemption Date. In the event of redemption of this Security in part only, a new Security for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the surrender hereof.

3. Repayment at the Option of the Holder. Unless a Repayment Right is specified on the face hereof, this Security shall not be repayable at the option of the Holder on any date prior to the Maturity Date specified on the face hereof, other than in connection with any applicable Survivor's Option (defined below). If a Repayment Right is so specified, this Security is subject to repayment at the option of the Holder on any Interest Payment Date on and after the date, if any, indicated on the face hereof (each, a "Repayment Date"). On any Repayment Date, this Security shall be repayable in whole or in part in increments of \$1,000 at the option of the Holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with accrued interest thereon to the Repayment Date. In order for a Security to be repaid in whole or in part at the option of the Holder, the Trustee must receive, at the Corporate Trust Office, or such other office of which the Company shall from time to time notify the Holders of the Securities, at least 30 days but not more than 60 days prior to the Repayment Date on which this Security is to be repaid, this Security with the form entitled "Option to Elect Repayment" below duly completed. Once this Security is delivered for repayment, the Holder may not revoke its exercise of the repayment option.

4. Repayment Upon Death. If the Survivor's Option is affirmatively specified on the face hereof, the Holder of the Security shall have the right to require the Company to repay a Security prior to its maturity date upon the death of the beneficial owner of the Security as described below. The Company calls this right the "Survivor's Option."

Upon exercise of the Survivor's Option, the Company will, at its option, either repay or repurchase any Security (or portion thereof) properly tendered for repayment by or on behalf of the person (the "Representative") that has authority to act on behalf of the deceased beneficial owner of the Security at a price equal to the sum of:

- 100% of the principal amount of the deceased beneficial owner's beneficial interest in such Security, and
- accrued and unpaid interest, if any, to the date of such repayment or repurchase, subject to the following limitations.

The Survivor's Option may not be exercised unless the Security was owned by the beneficial owner or the estate of that beneficial owner at least six months prior to such exercise. In addition, the Company may limit the aggregate principal amount of Securities as to which the Survivor's Option may be exercised as follows:

- In any calendar year, the Company may, in its sole discretion, limit the aggregate principal amount to the greater of 2% of the outstanding aggregate principal amount of the Securities as of December 31 of the most recently completed calendar year or \$2,000,000. The Company calls this limitation the "annual put limitation."

- For any individual deceased beneficial owner of Securities, the Company may limit the aggregate principal amount to \$250,000 for any calendar year. The Company calls this limitation the "individual put limitation."

The Company will not make principal repayments pursuant to the exercise of the Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. If the limitations described above would result in the partial repayment of any Security, the principal amount of the Security remaining outstanding after repayment must be at least \$1,000.

An otherwise valid election to exercise the Survivor's Option may not be withdrawn. Each Security (or portion thereof) tendered pursuant to a valid exercise of the Survivor's Option will be accepted in the order all such Securities are received by the Trustee, unless the acceptance of that Security would contravene the annual put limitation or the individual put limitation. If, as of the end of any calendar year, the aggregate principal amount of Securities (or portions thereof) that have been tendered pursuant to the valid exercise of the Survivor's Option during that year has exceeded either the annual put limitation or the individual put limitation for that year, any exercise(s) of the Survivor's Option with respect to Securities (or portions thereof) not accepted during such calendar year because such acceptance would have contravened either such limitation shall be deemed to be tendered in the following calendar year in the order all such Securities (or portions thereof) were originally tendered.

Any Security (or portion thereof) accepted for repayment or repurchase pursuant to exercise of the Survivor's Option will be repaid or repurchased on the first Interest Payment Date to occur at least 20 calendar days after the date of acceptance. If that date is not a Business Day, payment will be made on the next succeeding Business Day. In the event that a Security (or any portion thereof) tendered for repayment or repurchase pursuant to valid exercise of the Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered Holder, at that Holder's last known address as indicated in the Security register, that states the reason that the Security (or portion thereof) has not been accepted for repayment.

Subject to the foregoing, in order to validly exercise a Survivor's Option, the Trustee must receive from the Representative of the deceased beneficial owner:

- appropriate evidence satisfactory to the Trustee (A) that the deceased was the beneficial owner of such Security at the time of death and the interest in such Security was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment or purchase, (B) that the death of such beneficial owner has occurred, (C) of the date of such death, and (D) that the Representative has authority to act on behalf of the deceased beneficial owner;
- if the interest in the Security is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from such nominee attesting to the deceased's beneficial ownership of the Security;
- a written request for repayment signed by the Representative, with the signature guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, Inc. or a commercial bank or trust company having an office or correspondent in the United States;
- if applicable, a properly executed assignment or endorsement;
- tax waivers and such other instruments or documents that the Trustee reasonably required in order to establish the validity of the beneficial ownership of the Security and the claimant's entitlement to payment; and
- any additional information the Trustee reasonably required to evidence satisfaction of any conditions to the exercise of the Survivor's Option or to document beneficial ownership or authority to make the election and to cause the repayment or repurchase of the Security.

Subject to the annual put limitation and the individual put limitation, all questions regarding the eligibility or validity of any exercise of the Survivor's Option will be determined by the Company, in its sole discretion, which determination will be final and binding on all parties. For the avoidance of doubt, the Company also retains the right to reject in its sole discretion any exercise of the Survivor's Option where the deceased held no or only a minimal beneficial ownership interest in the Notes and entered into arrangements with third parties in relation to the Notes prior to death for the purpose of permitting or attempting to permit those third parties to directly or indirectly benefit from the exercise of the Survivor's Option.

The death of a person holding a beneficial interest in a Security as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased Holder's spouse, will be deemed the death of the beneficial owner of the Security, and the entire principal amount of the Security so held will be subject to the Survivor's Option. The death of a

person holding a beneficial interest in a Security as a tenant in common with a person other than such deceased Holder's spouse will be deemed the death of the beneficial owner of a Security only with respect to the deceased Holder's interest in the Security. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Security will be deemed the death of the beneficial owner for purposes of the Survivor's Option, regardless of the registered Holder of the Security, if such beneficial interest can be established to the satisfaction of the Trustee. Such beneficial interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a husband and wife and custodial and trust arrangements where one person has substantially all of the beneficial ownership interest in the Security during his or her lifetime.

For Securities represented by a Global Security, the Depositary or its nominee shall be the holder of such Security and therefore shall be the only entity that can exercise the Survivor's Option for such Security. To obtain repayment or repurchase pursuant to exercise of the Survivor's Option with respect to such Security, the Representative must provide to the broker or other entity through which the beneficial interest in such Security is held by the deceased beneficial owner (i) the documents described in the third preceding paragraph and (ii) written instructions to such broker or other entity to notify the Depositary of such Representative's desire to obtain repayment or repurchase pursuant to exercise of the Survivor's Option. Such broker or other entity shall provide to the Trustee (i) the documents received from the Representative referred to in clause (i) of the preceding sentence and (ii) a certificate satisfactory to the Trustee from such broker or other entity stating that it represents the deceased beneficial owner. Such broker or other entity shall be responsible for disbursing any payments it receives pursuant to exercise of the Survivor's Option to the appropriate Representative.

5. Events of Default. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

6. Modifications and Waivers; Obligation of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

7. Authorized Denominations. The Securities are issuable in registered form, without coupons, in denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof. Except as provided above, owners of beneficial interests in this permanent Security will not be entitled to receive physical delivery of Securities in certificated registered form and will not be considered the Holders thereof for any purpose under the Indenture.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

10. No Recourse Against Certain Persons. No recourse for the payment of the principal or interest on this Security, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any Supplemental Indenture thereto or in any Security, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation of either of them, either directly or through the Company or any successor corporation of either of them, whether by virtue of any constitution, statute or rule or law or by the enforcement of any assessment or penalty or otherwise, all such liability being by the acceptance hereof and as a condition of and as part of the consideration for the issue hereof, expressly waived and released.

Recent Events:

During the period from October 9, 2025 through October 10, 2025, we repurchased \$20.3 million aggregate principal amount of the 3.437% 2028 Notes at prices ranging from 88.95% to 89.95%, including commissions, plus accrued and unpaid interest.

On October 30, 2025 we issued approximately \$167.6 million in aggregate principal amount of 5.50% Series A Notes due 2030 (the “5.50% 2030 Notes”) pursuant to a deed of trust, dated as of October 28, 2025, between the Company and Mishmeret Trust Company Ltd., as trustee (the “Deed of Trust”). The 5.50% 2030 Notes offering in Israel closed on October 30, 2025 and the 5.50% 2030 Notes are listed and commenced trading on the Tel Aviv Stock Exchange Ltd. (the “TASE”) on November 2, 2025. The 5.50% 2030 Notes are denominated in Israeli shekels. After the deduction of offering discounts, fees and other offering expenses, we received net proceeds of approximately \$159.8 million, which we intend to use primarily for the refinancing of existing indebtedness including, but not limited to, the repayment of borrowings under the Revolving Credit Facility. We intend to use the remainder of the net proceeds from the offering, if any, to maintain balance sheet liquidity, including to make investments in high quality short-term debt instruments, and to make other long-term investments in accordance with its investment objective. The 5.50% 2030 Notes are rated ilAA- by S&P Global Ratings Maalot Ltd.

The 5.50% 2030 Notes will mature on December 31, 2030 and will bear interest at a rate of 5.50% per annum payable quarterly in arrears on March 31, June 30, September 30 and December 31 of each year, commencing on March 31, 2026. The 5.50% 2030 Notes will be general senior unsecured obligations of the Company, will rank equally in right of payment with our existing and future senior unsecured debt, and will rank senior in right of payment to any potential subordinated debt, should any be issued in the future.

After 60 days from the date on which the 5.50% 2030 Notes are listed for trading on the TASE, we may redeem the 5.50% 2030 Notes, at our option, in whole or in part, at any time or from time to time, at a redemption price equal to the greater of (i) par plus accrued and unpaid interest on the 5.50% 2030 Notes, if any, to, but excluding, the date of redemption, (ii) the average closing price of the 5.50% 2030 Notes over the 30 trading days preceding our Board of Directors’ resolution approving the redemption and (iii) the discounted value of the remaining payments under the 5.50% 2030 Notes, as set forth in the Deed of Trust.

The Deed of Trust contains other terms and conditions, including, without limitation, affirmative and negative covenants, such as minimum total equity (common equity plus preferred equity), a maximum ratio of net debt to total assets, a minimum ratio of total equity (common equity plus preferred equity) to total assets, and a negative pledge. These and other covenants are subject to important limitations and exceptions that are described in the Deed of Trust. In addition, the Deed of Trust contains customary events of default, with customary cure and notice periods, for a notes offering in Israel.

On November 2, 2025, the Company’s shares of common stock listed and commenced trading on the TASE under the ticker symbol “PSEC”.

During the period from November 20, 2025 through December 1, 2025, we repurchased \$34.8 million aggregate principal amount of the 3.364% 2026 Notes at prices ranging from 96.58% to 97.06%, including commissions, plus accrued and unpaid interest.

The Global Notes and the Trustee's certificate of authentication thereon shall be substantially in the form of Exhibit A hereto. Each Global Note shall represent the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate amount of outstanding Notes from time to time endorsed thereon and that the aggregate amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. (ii) Notice of redemption shall be given in writing and mailed, first-class postage prepaid or by overnight courier guaranteeing next-day delivery, to each Holder of the Notes to be redeemed, not less than five (5) nor more than sixty (60) days prior to the Redemption Date, at the Holder's address appearing in the Security Register. All notices of redemption shall contain the information set forth in Section 11.04 of the Base Indenture.

(iii) Any exercise of the Company's option to redeem the Notes will be done in compliance with the Investment Company Act.

(iv) If the Company elects to redeem only a portion of the Notes, the Trustee will determine the method for selecting the particular Notes to be redeemed, in accordance with the Investment Company Act.

(v) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption hereunder.

(i) The "Survivor's Option" is defined in Section 2.01 and, if applicable to the Notes, is a provision in a Note pursuant to which the Company agrees to repay that Note, if requested by the authorized representative of the beneficial owner of that Note, following the death of the beneficial owner of the Note, so long as the Note was owned by that beneficial owner or the estate of that beneficial owner at least six months prior to the request. The Survivor's Option, if applicable, shall be so specified under "Survivor's Option" on Exhibit B attached hereto.

Upon the valid exercise of any Survivor's Option and the proper tender of that Note for repayment, the Company will, at its option, repay or repurchase that Note, in whole or in part, at a price equal to 100% of the principal amount of the deceased beneficial owner's interest in that Note plus unpaid interest accrued to the date of repayment.

To be valid, any Survivor's Option must be exercised by or on behalf of the person who has authority to act on behalf of the deceased beneficial owner of the Note (including, without limitation, the personal representative or executor of the deceased beneficial owner or the surviving joint owner with the deceased beneficial owner) under the laws of the applicable jurisdiction.

The death of a person holding a beneficial ownership interest in a Note as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased holder's spouse, will be deemed the death of a beneficial owner of that Note, and the entire principal amount of the Note so held will be subject to repayment by us upon request. However, the death of a person holding a beneficial ownership interest in a Note as tenant in common with a person other than such deceased holder's spouse will be deemed the death of a beneficial owner only with respect to such deceased person's interest in the Note.

The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial ownership interests in a Note will be deemed the death of the beneficial owner of that Note for purposes of any Survivor's Option, regardless of whether that beneficial owner was the registered holder of that Note, if entitlement to those interests can be established to the satisfaction of the Trustee. A beneficial ownership interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a

husband and wife. In addition, a beneficial ownership interest will be deemed to exist in custodial and trust arrangements where one person has all of the beneficial ownership interests in the applicable Note during his or her lifetime.

The Company has the discretionary right to limit the aggregate principal amount of Notes as to which exercises of any Survivor's Option shall be accepted by us from authorized representatives of all deceased beneficial owners in any calendar year to an amount equal to the greater of \$2,000,000 or 2% of the principal amount of all Notes outstanding as of the end of the most recent calendar year. The Company also has the discretionary right to limit to \$250,000 in any calendar year the aggregate principal amount of Notes as to which exercises of any Survivor's Option shall be accepted by us from the authorized representative of any individual deceased beneficial owner of Notes in such calendar year. In addition, the Company will not permit the exercise of any Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. An otherwise valid election to exercise any Survivor's Option may not be withdrawn. Each election to exercise any Survivor's Option will be accepted in the order that elections are received by the Trustee, except for any Note the acceptance of which would contravene any of the limitations described in the preceding paragraph. Notes accepted for repayment through the exercise of any Survivor's Option normally will be repaid on the first interest payment date that occurs 20 or more calendar days after the date of the acceptance. For example, if the acceptance date of a Note tendered through a valid exercise of any Survivor's Option is September 1, 2011, and interest on that Note is paid monthly, the Company would normally, at its option, repay that Note on the interest payment date occurring on October 15, 2011, because the September 15, 2011 interest payment date would occur less than 20 days from the date of acceptance. Each tendered Note that is not accepted in any calendar year due to the application of any of the limitations described in the preceding paragraph will be deemed to be tendered in the following calendar year in the order in which all such Notes were originally tendered. If a Note tendered through a valid exercise of any Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered holder, at that holder's last known address as indicated in the Note register, that states the reason that Note has not been accepted for repayment.

With respect to Notes represented by a Global Note, DTC or its nominee is treated as the holder of the Notes and will be the only entity that can exercise any Survivor's Option for such Notes. To obtain repayment pursuant to exercise of any Survivor's Option for a Note, the deceased beneficial owner's authorized representative must provide the following items to the broker or other entity through which the beneficial interest in the Note is held by the deceased beneficial owner:

- a written instruction to such broker or other entity to notify DTC of the authorized representative's desire to obtain repayment pursuant to exercise of such Survivor's Option;
- appropriate evidence satisfactory to the Trustee (a) that the deceased was the beneficial owner of the Note at the time of death and his or her interest in the Note was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment, (b) that the death of the beneficial owner has occurred, (c) of

the date of death of the beneficial owner, and (d) that the representative has authority to act on behalf of the beneficial owner;

- if the interest in the Note is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from the nominee attesting to the deceased's beneficial ownership of such Note;
- written request for repayment signed by the authorized representative of the deceased beneficial owner with the signature guaranteed by a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc. or a commercial bank or trust company having an office or correspondent in the United States;
- if applicable, a properly executed assignment or endorsement;
- tax waivers and any other instruments or documents that the Trustee reasonably requires in order to establish the validity of the beneficial ownership of the Note and the claimant's entitlement to payment; and
- any additional information the Trustee reasonably requires to evidence satisfaction of any conditions to the exercise of any Survivor's Option or to document beneficial ownership or authority to make the election and to cause the repayment of the Note.

In turn, the broker or other entity will deliver each of these items to the Trustee, together with evidence satisfactory to the Trustee from the broker or other entity stating that it represents the deceased beneficial owner.

The death of a person owning a Note in joint tenancy or tenancy by the entirety with another or others shall be deemed the death of the holder of the Note, and the entire principal amount of the Note so held shall be subject to repayment, together with interest accrued thereon to the repayment date. The death of a person owning a Note by tenancy in common shall be deemed the death of a holder of a Note only with respect to the deceased holder's interest in the Note so held by tenancy in common; except that in the event a Note is held by husband and wife as tenants in common, the death of either shall be deemed the death of the holder of the Note, and the entire principal amount of the Note so held shall be subject to repayment. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Note, shall be deemed the death of the holder thereof for purposes of this provision, regardless of the registered holder, if such beneficial interest can be established to the satisfaction of the Trustee and us. Such beneficial interest shall be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Gifts to Minors Act, the Uniform Transfers to Minors Act, community property or other joint ownership arrangements between a husband and wife and trust arrangements where one person has substantially all of the beneficial ownership interest in the Note during his or her lifetime.

The Company retains the right to limit the aggregate principal amount of Notes as to which exercises of any Survivor's Option applicable to the Notes will be accepted in any one calendar year as described above. All other questions regarding the eligibility or validity of any exercise of the Survivor's Option will be determined by us, in our sole discretion, which determination will be final and binding on all parties. For the avoidance of doubt, we also retain the right to reject in our sole discretion any exercise of the Survivor's Option where the deceased held no or only a minimal beneficial ownership interest in the Notes and entered into arrangements with third parties in relation to the Notes prior to death for the purpose of permitting or attempting to permit those third parties to directly or indirectly benefit from the exercise of the Survivor's Option.

(j) The Notes shall not be subject to any sinking fund pursuant to Section 12.01 of the Base Indenture.

(k) The Notes shall be issuable in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof.

(l) Holders of the Notes will not have the option to have the Notes repaid prior to the Stated Maturity.

REVERSE OF SECURITY
PROSPECT CAPITAL CORPORATION
PROSPECT CAPITAL INTERNOTES®

1. General. This Note is one of a duly authorized issue of securities (herein called the "Securities") of the Company, issued and to be issued in one or more series under an Indenture, dated as of February 16, 2012, as amended (the "Indenture"), between the Company and U.S. Bank National Association (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the Securities of the series designated on the face hereof. The Securities of this series may bear different dates, mature at different times and bear interest at different rates. The Securities of this series may be issued from time to time in an unlimited aggregate principal amount.

2. Redemption at the Option of the Company. Unless a Redemption Right is specified on the face hereof, this Security shall not be redeemable at the option of the Company before the Maturity Date specified on the face hereof. If a Redemption Right is so specified, this Security may be redeemed at the option of the Company on any Business Day on and after the date, if any, specified on the face hereof (each, a "Redemption Date"). This Security may be redeemed on any Redemption Date in whole or in part in increments of \$1,000 (an "Authorized Denomination") at the option of the Company at a redemption price equal to 100% of the principal amount to be redeemed, together with accrued interest to the Redemption Date, on written notice given not more than 60 days nor less than 5 days prior to the proposed Redemption Date. In the event of redemption of this Security in part only, a new Security for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the surrender hereof.

3. Repayment at the Option of the Holder. Unless a Repayment Right is specified on the face hereof, this Security shall not be repayable at the option of the Holder on any date prior to the Maturity Date specified on the face hereof, other than in connection with any applicable Survivor's Option (defined below). If a Repayment Right is so specified, this Security is subject to repayment at the option of the Holder on any Interest Payment Date on and after the date, if any, indicated on the face hereof (each, a "Repayment Date"). On any Repayment Date, this Security shall be repayable in whole or in part in increments of \$1,000 at the option of the Holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with accrued interest thereon to the Repayment Date. In order for a Security to be repaid in whole or in part at the option of the Holder, the Trustee must receive, at the Corporate Trust Office, or such other office of which the Company shall from time to time notify the Holders of the Securities, at least 30 days but not more than 60 days prior to the Repayment Date on which this Security is to be repaid, this Security with the form entitled "Option to Elect Repayment" below duly completed. Once this Security is delivered for repayment, the Holder may not revoke its exercise of the repayment option.

4. Repayment Upon Death. If the Survivor's Option is affirmatively specified on the face hereof, the Holder of the Security shall have the right to require the Company to repay a Security prior to its maturity date upon the death of the beneficial owner of the Security as described below. The Company calls this right the "Survivor's Option."

Upon exercise of the Survivor's Option, the Company will, at its option, either repay or repurchase any Security (or portion thereof) properly tendered for repayment by or on behalf of the person (the "Representative") that has authority to act on behalf of the deceased beneficial owner of the Security at a price equal to the sum of:

- 100% of the principal amount of the deceased beneficial owner's beneficial interest in such Security, and
- accrued and unpaid interest, if any, to the date of such repayment or repurchase, subject to the following limitations.

The Survivor's Option may not be exercised unless the Security was owned by the beneficial owner or the estate of that beneficial owner at least six months prior to such exercise. In addition, the Company may limit the aggregate principal amount of Securities as to which the Survivor's Option may be exercised as follows:

- In any calendar year, the Company may, in its sole discretion, limit the aggregate principal amount to the greater of 2% of the outstanding aggregate principal amount of the Securities as of December 31 of the most recently completed calendar year or \$2,000,000. The Company calls this limitation the "annual put limitation."

- For any individual deceased beneficial owner of Securities, the Company may limit the aggregate principal amount to \$250,000 for any calendar year. The Company calls this limitation the "individual put limitation."

The Company will not make principal repayments pursuant to the exercise of the Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. If the limitations described above would result in the partial repayment of any Security, the principal amount of the Security remaining outstanding after repayment must be at least \$1,000.

An otherwise valid election to exercise the Survivor's Option may not be withdrawn. Each Security (or portion thereof) tendered pursuant to a valid exercise of the Survivor's Option will be accepted in the order all such Securities are received by the Trustee, unless the acceptance of that Security would contravene the annual put limitation or the individual put limitation. If, as of the end of any calendar year, the aggregate principal amount of Securities (or portions thereof) that have been tendered pursuant to the valid exercise of the Survivor's Option during that year has exceeded either the annual put limitation or the individual put limitation for that year, any exercise(s) of the Survivor's Option with respect to Securities (or portions thereof) not accepted during such calendar year because such acceptance would have contravened either such limitation shall be deemed to be tendered in the following calendar year in the order all such Securities (or portions thereof) were originally tendered.

Any Security (or portion thereof) accepted for repayment or repurchase pursuant to exercise of the Survivor's Option will be repaid or repurchased on the first Interest Payment Date to occur at least 20 calendar days after the date of acceptance. If that date is not a Business Day, payment will be made on the next succeeding Business Day. In the event that a Security (or any portion thereof) tendered for repayment or repurchase pursuant to valid exercise of the Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered Holder, at that Holder's last known address as indicated in the Security register, that states the reason that the Security (or portion thereof) has not been accepted for repayment.

Subject to the foregoing, in order to validly exercise a Survivor's Option, the Trustee must receive from the Representative of the deceased beneficial owner:

- appropriate evidence satisfactory to the Trustee (A) that the deceased was the beneficial owner of such Security at the time of death and the interest in such Security was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment or purchase, (B) that the death of such beneficial owner has occurred, (C) of the date of such death, and (D) that the Representative has authority to act on behalf of the deceased beneficial owner;
- if the interest in the Security is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from such nominee attesting to the deceased's beneficial ownership of the Security;
- a written request for repayment signed by the Representative, with the signature guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, Inc. or a commercial bank or trust company having an office or correspondent in the United States;
- if applicable, a properly executed assignment or endorsement;
- tax waivers and such other instruments or documents that the Trustee reasonably required in order to establish the validity of the beneficial ownership of the Security and the claimant's entitlement to payment; and
- any additional information the Trustee reasonably required to evidence satisfaction of any conditions to the exercise of the Survivor's Option or to document beneficial ownership or authority to make the election and to cause the repayment or repurchase of the Security.

Subject to the annual put limitation and the individual put limitation, all questions regarding the eligibility or validity of any exercise of the Survivor's Option will be determined by the Company, in its sole discretion, which determination will be final and binding on all parties. For the avoidance of doubt, the Company also retains the right to reject in its sole discretion any exercise of the Survivor's Option where the deceased held no or only a minimal beneficial ownership interest in the Notes and entered into arrangements with third parties in relation to the Notes prior to death for the purpose of permitting or attempting to permit those third parties to directly or indirectly benefit from the exercise of the Survivor's Option.

The death of a person holding a beneficial interest in a Security as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased Holder's spouse, will be deemed the death of the beneficial owner of the Security, and the entire principal amount of the Security so held will be subject to the Survivor's Option. The death of a

person holding a beneficial interest in a Security as a tenant in common with a person other than such deceased Holder's spouse will be deemed the death of the beneficial owner of a Security only with respect to the deceased Holder's interest in the Security. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Security will be deemed the death of the beneficial owner for purposes of the Survivor's Option, regardless of the registered Holder of the Security, if such beneficial interest can be established to the satisfaction of the Trustee. Such beneficial interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a husband and wife and custodial and trust arrangements where one person has substantially all of the beneficial ownership interest in the Security during his or her lifetime.

For Securities represented by a Global Security, the Depositary or its nominee shall be the holder of such Security and therefore shall be the only entity that can exercise the Survivor's Option for such Security. To obtain repayment or repurchase pursuant to exercise of the Survivor's Option with respect to such Security, the Representative must provide to the broker or other entity through which the beneficial interest in such Security is held by the deceased beneficial owner (i) the documents described in the third preceding paragraph and (ii) written instructions to such broker or other entity to notify the Depositary of such Representative's desire to obtain repayment or repurchase pursuant to exercise of the Survivor's Option. Such broker or other entity shall provide to the Trustee (i) the documents received from the Representative referred to in clause (i) of the preceding sentence and (ii) a certificate satisfactory to the Trustee from such broker or other entity stating that it represents the deceased beneficial owner. Such broker or other entity shall be responsible for disbursing any payments it receives pursuant to exercise of the Survivor's Option to the appropriate Representative.

5. Events of Default. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

6. Modifications and Waivers; Obligation of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

7. Authorized Denominations. The Securities are issuable in registered form, without coupons, in denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture, and subject to certain limitations therein set forth and to the limitations described below, if applicable, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

8. Registration of Transfer. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security register upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for that purpose in the City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the securities registrar (which shall initially be the Trustee, U.S. Bank National Association, 100 Wall Street - Suite 1600, New York, NY 10005, Attn: Corporate Trust Administration, or at such other address as it may designate as its principal corporate trust office in the City of New York), duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

Recent Events:

During the period from October 9, 2025 through October 10, 2025, we repurchased \$20.3 million aggregate principal amount of the 3.437% 2028 Notes at prices ranging from 88.95% to 89.95%, including commissions, plus accrued and unpaid interest.

On October 30, 2025 we issued approximately \$167.6 million in aggregate principal amount of 5.50% Series A Notes due 2030 (the “5.50% 2030 Notes”) pursuant to a deed of trust, dated as of October 28, 2025, between the Company and Mishmeret Trust Company Ltd., as trustee (the “Deed of Trust”). The 5.50% 2030 Notes offering in Israel closed on October 30, 2025 and the 5.50% 2030 Notes are listed and commenced trading on the Tel Aviv Stock Exchange Ltd. (the “TASE”) on November 2, 2025. The 5.50% 2030 Notes are denominated in Israeli shekels. After the deduction of offering discounts, fees and other offering expenses, we received net proceeds of approximately \$159.8 million, which we intend to use primarily for the refinancing of existing indebtedness including, but not limited to, the repayment of borrowings under the Revolving Credit Facility. We intend to use the remainder of the net proceeds from the offering, if any, to maintain balance sheet liquidity, including to make investments in high quality short-term debt instruments, and to make other long-term investments in accordance with its investment objective. The 5.50% 2030 Notes are rated ilAA- by S&P Global Ratings Maalot Ltd.

The 5.50% 2030 Notes will mature on December 31, 2030 and will bear interest at a rate of 5.50% per annum payable quarterly in arrears on March 31, June 30, September 30 and December 31 of each year, commencing on March 31, 2026. The 5.50% 2030 Notes will be general senior unsecured obligations of the Company, will rank equally in right of payment with our existing and future senior unsecured debt, and will rank senior in right of payment to any potential subordinated debt, should any be issued in the future.

After 60 days from the date on which the 5.50% 2030 Notes are listed for trading on the TASE, we may redeem the 5.50% 2030 Notes, at our option, in whole or in part, at any time or from time to time, at a redemption price equal to the greater of (i) par plus accrued and unpaid interest on the 5.50% 2030 Notes, if any, to, but excluding, the date of redemption, (ii) the average closing price of the 5.50% 2030 Notes over the 30 trading days preceding our Board of Directors’ resolution approving the redemption and (iii) the discounted value of the remaining payments under the 5.50% 2030 Notes, as set forth in the Deed of Trust.

The Deed of Trust contains other terms and conditions, including, without limitation, affirmative and negative covenants, such as minimum total equity (common equity plus preferred equity), a maximum ratio of net debt to total assets, a minimum ratio of total equity (common equity plus preferred equity) to total assets, and a negative pledge. These and other covenants are subject to important limitations and exceptions that are described in the Deed of Trust. In addition, the Deed of Trust contains customary events of default, with customary cure and notice periods, for a notes offering in Israel.

On November 2, 2025, the Company’s shares of common stock listed and commenced trading on the TASE under the ticker symbol “PSEC”.

During the period from November 20, 2025 through December 1, 2025, we repurchased \$34.8 million aggregate principal amount of the 3.364% 2026 Notes at prices ranging from 96.58% to 97.06%, including commissions, plus accrued and unpaid interest.

(b) The aggregate principal amount of the Notes that may be initially authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 3.04, 3.05, 3.06, 9.06 or 11.07 of the Base Indenture) shall be as stated in Exhibit B attached hereto. Under a Board Resolution, Officers' Certificate pursuant to Board Resolutions or an indenture supplement, the Company may from time to time, without the consent of the Holders of Notes, issue additional Notes (in any such case "Additional Notes") having the same ranking and the same interest rate, maturity and other terms as the Notes. Any Additional Notes and the existing Notes will constitute a single series under the Indenture and all references to the relevant Notes herein shall include the Additional Notes unless the context otherwise requires.

(c) The entire outstanding principal of the Notes shall be payable on the maturity date as identified on Exhibit B attached hereto.

(d) If the Notes are identified as "Fixed" on Exhibit B, the rate at which the Notes shall bear interest shall be the percentage per annum identified as the "Coupon Rate" on Exhibit B attached hereto; and if the Notes are identified as "Step" on Exhibit B, the rates at which the Notes shall bear interest shall be the percentages per annum during the corresponding periods as identified in the applicable footnote under the "Coupon Rate" on Exhibit B attached hereto (the "Applicable Interest Rate"). Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

(e) The Notes shall be initially issuable in global form (each such Note, a "Global Note"). The Global Notes and the Trustee's certificate of authentication thereon shall be substantially in the form of Exhibit A hereto. Each Global Note shall represent the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate amount of outstanding Notes from time to time endorsed thereon and that the aggregate amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee or the Security Registrar, in accordance with Sections 2.03 and 3.05 of the Indenture.

(f) The depositary for such Global Notes (the "Depositary") shall be The Depositary Trust Company, New York, New York. The Security Registrar with respect to the Global Notes shall be the Trustee.

(g) The Notes shall be defeasible pursuant to Section 14.02 or Section 14.03 of the Base Indenture. Covenant defeasance contained in Section 14.03 of the Base Indenture shall apply to the covenants contained in Sections 10.06 and 10.08 of the Indenture.

(h) The Notes shall be redeemable pursuant to Section 11.01 of the Base Indenture and as follows:

(i) The Notes will be redeemable in whole or in part at any time or from time to time, at the option of the Company, on or after the date identified as the Optional Redemption Date in Exhibit B hereto, at a redemption price of \$1,000 per Note plus accrued and unpaid interest payments otherwise payable for the then-current quarterly interest period accrued to, but excluding, the date fixed for redemption.

(ii) Notice of redemption shall be given in writing and mailed, first-class postage prepaid or by overnight courier guaranteeing next-day delivery, to each Holder of the Notes to be redeemed, not less than five (5) nor more than sixty (60) days prior to the Redemption Date, at the Holder's address appearing in the Security Register. All notices of redemption shall contain the information set forth in Section 11.04 of the Base Indenture.

(iii) Any exercise of the Company's option to redeem the Notes will be done in compliance with the Investment Company Act.

(iv) If the Company elects to redeem only a portion of the Notes, the Trustee will determine the method for selecting the particular Notes to be redeemed, in accordance with the Investment Company Act.

(v) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption hereunder.

(i) The "Survivor's Option" is defined in Section 2.01 and, if applicable to the Notes, is a provision in a Note pursuant to which the Company agrees to repay that Note, if requested by the authorized representative of the beneficial owner of that Note, following the death of the beneficial owner of the Note, so long as the Note was owned by that beneficial owner or the estate of that beneficial owner at least six months prior to the request. The Survivor's Option, if applicable, shall be so specified under "Survivor's Option" on Exhibit B attached hereto.

Upon the valid exercise of any Survivor's Option and the proper tender of that Note for repayment, the Company will, at its option, repay or repurchase that Note, in whole or in part, at a price equal to 100% of the principal amount of the deceased beneficial owner's interest in that Note plus unpaid interest accrued to the date of repayment.

To be valid, any Survivor's Option must be exercised by or on behalf of the person who has authority to act on behalf of the deceased beneficial owner of the Note (including, without limitation, the personal representative or executor of the deceased beneficial owner or the surviving joint owner with the deceased beneficial owner) under the laws of the applicable jurisdiction.

The death of a person holding a beneficial ownership interest in a Note as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased holder's spouse, will be deemed the death of a beneficial owner of that Note, and the entire principal amount of the Note so held will be subject to repayment by us upon request. However, the death of a person holding a beneficial ownership interest in a Note as tenant in common with a person other than such deceased holder's spouse will be deemed the death of a beneficial owner only with respect to such deceased person's interest in the Note.

The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial ownership interests in a Note will be deemed the death of the beneficial owner of that Note for purposes of any Survivor's Option, regardless of whether that beneficial owner was the registered holder of that Note, if entitlement to those interests can be established to the satisfaction of the Trustee. A beneficial ownership interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a

husband and wife. In addition, a beneficial ownership interest will be deemed to exist in custodial and trust arrangements where one person has all of the beneficial ownership interests in the applicable Note during his or her lifetime.

The Company has the discretionary right to limit the aggregate principal amount of Notes as to which exercises of any Survivor's Option shall be accepted by us from authorized representatives of all deceased beneficial owners in any calendar year to an amount equal to the greater of \$2,000,000 or 2% of the principal amount of all Notes outstanding as of the end of the most recent calendar year. The Company also has the discretionary right to limit to \$250,000 in any calendar year the aggregate principal amount of Notes as to which exercises of any Survivor's Option shall be accepted by us from the authorized representative of any individual deceased beneficial owner of Notes in such calendar year. In addition, the Company will not permit the exercise of any Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. An otherwise valid election to exercise any Survivor's Option may not be withdrawn. Each election to exercise any Survivor's Option will be accepted in the order that elections are received by the Trustee, except for any Note the acceptance of which would contravene any of the limitations described in the preceding paragraph. Notes accepted for repayment through the exercise of any Survivor's Option normally will be repaid on the first interest payment date that occurs 20 or more calendar days after the date of the acceptance. For example, if the acceptance date of a Note tendered through a valid exercise of any Survivor's Option is September 1, 2011, and interest on that Note is paid monthly, the Company would normally, at its option, repay that Note on the interest payment date occurring on October 15, 2011, because the September 15, 2011 interest payment date would occur less than 20 days from the date of acceptance. Each tendered Note that is not accepted in any calendar year due to the application of any of the limitations described in the preceding paragraph will be deemed to be tendered in the following calendar year in the order in which all such Notes were originally tendered. If a Note tendered through a valid exercise of any Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered holder, at that holder's last known address as indicated in the Note register, that states the reason that Note has not been accepted for repayment.

With respect to Notes represented by a Global Note, DTC or its nominee is treated as the holder of the Notes and will be the only entity that can exercise any Survivor's Option for such Notes. To obtain repayment pursuant to exercise of any Survivor's Option for a Note, the deceased beneficial owner's authorized representative must provide the following items to the broker or other entity through which the beneficial interest in the Note is held by the deceased beneficial owner:

- a written instruction to such broker or other entity to notify DTC of the authorized representative's desire to obtain repayment pursuant to exercise of such Survivor's Option;
- appropriate evidence satisfactory to the Trustee (a) that the deceased was the beneficial owner of the Note at the time of death and his or her interest in the Note was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment, (b) that the death of the beneficial owner has occurred, (c) of

the date of death of the beneficial owner, and (d) that the representative has authority to act on behalf of the beneficial owner;

- if the interest in the Note is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from the nominee attesting to the deceased's beneficial ownership of such Note;
- written request for repayment signed by the authorized representative of the deceased beneficial owner with the signature guaranteed by a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc. or a commercial bank or trust company having an office or correspondent in the United States;
- if applicable, a properly executed assignment or endorsement;
- tax waivers and any other instruments or documents that the Trustee reasonably requires in order to establish the validity of the beneficial ownership of the Note and the claimant's entitlement to payment; and
- any additional information the Trustee reasonably requires to evidence satisfaction of any conditions to the exercise of any Survivor's Option or to document beneficial ownership or authority to make the election and to cause the repayment of the Note.

In turn, the broker or other entity will deliver each of these items to the Trustee, together with evidence satisfactory to the Trustee from the broker or other entity stating that it represents the deceased beneficial owner.

The death of a person owning a Note in joint tenancy or tenancy by the entirety with another or others shall be deemed the death of the holder of the Note, and the entire principal amount of the Note so held shall be subject to repayment, together with interest accrued thereon to the repayment date. The death of a person owning a Note by tenancy in common shall be deemed the death of a holder of a Note only with respect to the deceased holder's interest in the Note so held by tenancy in common; except that in the event a Note is held by husband and wife as tenants in common, the death of either shall be deemed the death of the holder of the Note, and the entire principal amount of the Note so held shall be subject to repayment. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Note, shall be deemed the death of the holder thereof for purposes of this provision, regardless of the registered holder, if such beneficial interest can be established to the satisfaction of the Trustee and us. Such beneficial interest shall be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Gifts to Minors Act, the Uniform Transfers to Minors Act, community property or other joint ownership arrangements between a husband and wife and trust arrangements where one person has substantially all of the beneficial ownership interest in the Note during his or her lifetime.

The Company retains the right to limit the aggregate principal amount of Notes as to which exercises of any Survivor's Option applicable to the Notes will be accepted in any one calendar year as described above. All other questions regarding the eligibility or validity of any exercise of the Survivor's Option will be determined by us, in our sole discretion, which determination will be final and binding on all parties. For the avoidance of doubt, we also retain the right to reject in our sole discretion any exercise of the Survivor's Option where the deceased held no or only a minimal beneficial ownership interest in the Notes and entered into arrangements with third parties in relation to the Notes prior to death for the purpose of permitting or attempting to permit those third parties to directly or indirectly benefit from the exercise of the Survivor's Option.

(j) The Notes shall not be subject to any sinking fund pursuant to Section 12.01 of the Base Indenture.

(k) The Notes shall be issuable in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof.

(l) Holders of the Notes will not have the option to have the Notes repaid prior to the Stated Maturity.

PROSPECT CAPITAL CORPORATION

PROSPECT CAPITAL INTERNOTES®

1. General. This Note is one of a duly authorized issue of securities (herein called the "Securities") of the Company, issued and to be issued in one or more series under an Indenture, dated as of February 16, 2012, as amended (the "Indenture"), between the Company and U.S. Bank National Association (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the Securities of the series designated on the face hereof. The Securities of this series may bear different dates, mature at different times and bear interest at different rates. The Securities of this series may be issued from time to time in an unlimited aggregate principal amount.

2. Redemption at the Option of the Company. Unless a Redemption Right is specified on the face hereof, this Security shall not be redeemable at the option of the Company before the Maturity Date specified on the face hereof. If a Redemption Right is so specified, this Security may be redeemed at the option of the Company on any Business Day on and after the date, if any, specified on the face hereof (each, a "Redemption Date"). This Security may be redeemed on any Redemption Date in whole or in part in increments of \$1,000 (an "Authorized Denomination") at the option of the Company at a redemption price equal to 100% of the principal amount to be redeemed, together with accrued interest to the Redemption Date, on written notice given not more than 60 days nor less than 5 days prior to the proposed Redemption Date. In the event of redemption of this Security in part only, a new Security for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the surrender hereof.

3. Repayment at the Option of the Holder. Unless a Repayment Right is specified on the face hereof, this Security shall not be repayable at the option of the Holder on any date prior to the Maturity Date specified on the face hereof, other than in connection with any applicable Survivor's Option (defined below). If a Repayment Right is so specified, this Security is subject to repayment at the option of the Holder on any Interest Payment Date on and after the date, if any, indicated on the face hereof (each, a "Repayment Date"). On any Repayment Date, this Security shall be repayable in whole or in part in increments of \$1,000 at the option of the Holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with accrued interest thereon to the Repayment Date. In order for a Security to be repaid in whole or in part at the option of the Holder, the Trustee must receive, at the Corporate Trust Office, or such other office of which the Company shall from time to time notify the Holders of the Securities, at least 30 days but not more than 60 days prior to the Repayment Date on which this Security is to be repaid, this Security with the form entitled "Option to Elect Repayment" below duly completed. Once this Security is delivered for repayment, the Holder may not revoke its exercise of the repayment option.

4. Repayment Upon Death. If the Survivor's Option is affirmatively specified on the face hereof, the Holder of the Security shall have the right to require the Company to repay a Security prior to its maturity date upon the death of the beneficial owner of the Security as described below. The Company calls this right the "Survivor's Option."

Upon exercise of the Survivor's Option, the Company will, at its option, either repay or repurchase any Security (or portion thereof) properly tendered for repayment by or on behalf of the person (the "Representative") that has authority to act on behalf of the deceased beneficial owner of the Security at a price equal to the sum of:

- 100% of the principal amount of the deceased beneficial owner's beneficial interest in such Security, and
- accrued and unpaid interest, if any, to the date of such repayment or repurchase, subject to the following limitations.

The Survivor's Option may not be exercised unless the Security was owned by the beneficial owner or the estate of that beneficial owner at least six months prior to such exercise. In addition, the Company may limit the aggregate principal amount of Securities as to which the Survivor's Option may be exercised as follows:

- In any calendar year, the Company may, in its sole discretion, limit the aggregate principal amount to the greater of 2% of the outstanding aggregate principal amount of the Securities as of December 31 of the most recently completed calendar year or \$2,000,000. The Company calls this limitation the "annual put limitation."

- For any individual deceased beneficial owner of Securities, the Company may limit the aggregate principal amount to \$250,000 for any calendar year. The Company calls this limitation the "individual put limitation."

The Company will not make principal repayments pursuant to the exercise of the Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. If the limitations described above would result in the partial repayment of any Security, the principal amount of the Security remaining outstanding after repayment must be at least \$1,000.

An otherwise valid election to exercise the Survivor's Option may not be withdrawn. Each Security (or portion thereof) tendered pursuant to a valid exercise of the Survivor's Option will be accepted in the order all such Securities are received by the Trustee, unless the acceptance of that Security would contravene the annual put limitation or the individual put limitation. If, as of the end of any calendar year, the aggregate principal amount of Securities (or portions thereof) that have been tendered pursuant to the valid exercise of the Survivor's Option during that year has exceeded either the annual put limitation or the individual put limitation for that year, any exercise(s) of the Survivor's Option with respect to Securities (or portions thereof) not accepted during such calendar year because such acceptance would have contravened either such limitation shall be deemed to be tendered in the following calendar year in the order all such Securities (or portions thereof) were originally tendered.

Any Security (or portion thereof) accepted for repayment or repurchase pursuant to exercise of the Survivor's Option will be repaid or repurchased on the first Interest Payment Date to occur at least 20 calendar days after the date of acceptance. If that date is not a Business Day, payment will be made on the next succeeding Business Day. In the event that a Security (or any portion thereof) tendered for repayment or repurchase pursuant to valid exercise of the Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered Holder, at that Holder's last known address as indicated in the Security register, that states the reason that the Security (or portion thereof) has not been accepted for repayment.

Subject to the foregoing, in order to validly exercise a Survivor's Option, the Trustee must receive from the Representative of the deceased beneficial owner:

- appropriate evidence satisfactory to the Trustee (A) that the deceased was the beneficial owner of such Security at the time of death and the interest in such Security was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment or purchase, (B) that the death of such beneficial owner has occurred, (C) of the date of such death, and (D) that the Representative has authority to act on behalf of the deceased beneficial owner;
- if the interest in the Security is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from such nominee attesting to the deceased's beneficial ownership of the Security;
- a written request for repayment signed by the Representative, with the signature guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, Inc. or a commercial bank or trust company having an office or correspondent in the United States;
- if applicable, a properly executed assignment or endorsement;
- tax waivers and such other instruments or documents that the Trustee reasonably required in order to establish the validity of the beneficial ownership of the Security and the claimant's entitlement to payment; and
- any additional information the Trustee reasonably required to evidence satisfaction of any conditions to the exercise of the Survivor's Option or to document beneficial ownership or authority to make the election and to cause the repayment or repurchase of the Security.

Subject to the annual put limitation and the individual put limitation, all questions regarding the eligibility or validity of any exercise of the Survivor's Option will be determined by the Company, in its sole discretion, which determination will be final and binding on all parties. For the avoidance of doubt, the Company also retains the right to reject in its sole discretion any exercise of the Survivor's Option where the deceased held no or only a minimal beneficial ownership interest in the Notes and entered into arrangements with third parties in relation to the Notes prior to death for the purpose of permitting or attempting to permit those third parties to directly or indirectly benefit from the exercise of the Survivor's Option.

The death of a person holding a beneficial interest in a Security as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased Holder's spouse, will be deemed the death of the beneficial owner of the Security, and the entire principal amount of the Security so held will be subject to the Survivor's Option. The death of a

person holding a beneficial interest in a Security as a tenant in common with a person other than such deceased Holder's spouse will be deemed the death of the beneficial owner of a Security only with respect to the deceased Holder's interest in the Security. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Security will be deemed the death of the beneficial owner for purposes of the Survivor's Option, regardless of the registered Holder of the Security, if such beneficial interest can be established to the satisfaction of the Trustee. Such beneficial interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a husband and wife and custodial and trust arrangements where one person has substantially all of the beneficial ownership interest in the Security during his or her lifetime.

For Securities represented by a Global Security, the Depositary or its nominee shall be the holder of such Security and therefore shall be the only entity that can exercise the Survivor's Option for such Security. To obtain repayment or repurchase pursuant to exercise of the Survivor's Option with respect to such Security, the Representative must provide to the broker or other entity through which the beneficial interest in such Security is held by the deceased beneficial owner (i) the documents described in the third preceding paragraph and (ii) written instructions to such broker or other entity to notify the Depositary of such Representative's desire to obtain repayment or repurchase pursuant to exercise of the Survivor's Option. Such broker or other entity shall provide to the Trustee (i) the documents received from the Representative referred to in clause (i) of the preceding sentence and (ii) a certificate satisfactory to the Trustee from such broker or other entity stating that it represents the deceased beneficial owner. Such broker or other entity shall be responsible for disbursing any payments it receives pursuant to exercise of the Survivor's Option to the appropriate Representative.

5. Events of Default. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

6. Modifications and Waivers; Obligation of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

7. Authorized Denominations. The Securities are issuable in registered form, without coupons, in denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture, and subject to certain limitations therein set forth and to the limitations described below, if applicable, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

8. Registration of Transfer. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security register upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for that purpose in the City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the securities registrar (which shall initially be the Trustee, U.S. Bank National Association, 100 Wall Street - Suite 1600, New York, NY 10005, Attn: Corporate Trust Administration, or at such other address as it may designate as its principal corporate trust office in the City of New York), duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

This Security is exchangeable only if (x) the Depositary notifies the Company that it is unwilling or unable to continue as Depositary for this Security or if at any time the Depositary ceases to be a clearing agency registered

under the Securities Exchange Act of 1934, as amended, (y) the Company in its sole discretion determines that this Security shall be exchangeable for certificated Securities in registered form or (z) an Event of Default, or an event which with the passage of time or the giving of notice would become an Event of Default, with respect to the Securities represented hereby has occurred and is continuing, provided, that the definitive Securities so issued in exchange for this permanent Security shall be in denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof and be of like aggregate principal amount and tenor as the portion of this permanent Security to be exchanged, and provided further that, unless the Company agrees otherwise, Securities of this series in certificated registered form will be issued in exchange for this permanent Security, or any portion hereof, only if such Securities in certificated registered form were requested by written notice to the Trustee or the Securities Registrar by or on behalf of a person who is beneficial owner of an interest hereof given through the Holder hereof. Except as provided above, owners of beneficial interests in this permanent Security will not be entitled to receive physical delivery of Securities in certificated registered form and will not be considered the Holders thereof for any purpose under the Indenture.

Recent Events:

During the period from October 9, 2025 through October 10, 2025, we repurchased \$20.3 million aggregate principal amount of the 3.437% 2028 Notes at prices ranging from 88.95% to 89.95%, including commissions, plus accrued and unpaid interest.

On October 30, 2025 we issued approximately \$167.6 million in aggregate principal amount of 5.50% Series A Notes due 2030 (the “5.50% 2030 Notes”) pursuant to a deed of trust, dated as of October 28, 2025, between the Company and Mishmeret Trust Company Ltd., as trustee (the “Deed of Trust”). The 5.50% 2030 Notes offering in Israel closed on October 30, 2025 and the 5.50% 2030 Notes are listed and commenced trading on the Tel Aviv Stock Exchange Ltd. (the “TASE”) on November 2, 2025. The 5.50% 2030 Notes are denominated in Israeli shekels. After the deduction of offering discounts, fees and other offering expenses, we received net proceeds of approximately \$159.8 million, which we intend to use primarily for the refinancing of existing indebtedness including, but not limited to, the repayment of borrowings under the Revolving Credit Facility. We intend to use the remainder of the net proceeds from the offering, if any, to maintain balance sheet liquidity, including to make investments in high quality short-term debt instruments, and to make other long-term investments in accordance with its investment objective. The 5.50% 2030 Notes are rated ilAA- by S&P Global Ratings Maalot Ltd.

The 5.50% 2030 Notes will mature on December 31, 2030 and will bear interest at a rate of 5.50% per annum payable quarterly in arrears on March 31, June 30, September 30 and December 31 of each year, commencing on March 31, 2026. The 5.50% 2030 Notes will be general senior unsecured obligations of the Company, will rank equally in right of payment with our existing and future senior unsecured debt, and will rank senior in right of payment to any potential subordinated debt, should any be issued in the future.

After 60 days from the date on which the 5.50% 2030 Notes are listed for trading on the TASE, we may redeem the 5.50% 2030 Notes, at our option, in whole or in part, at any time or from time to time, at a redemption price equal to the greater of (i) par plus accrued and unpaid interest on the 5.50% 2030 Notes, if any, to, but excluding, the date of redemption, (ii) the average closing price of the 5.50% 2030 Notes over the 30 trading days preceding our Board of Directors’ resolution approving the redemption and (iii) the discounted value of the remaining payments under the 5.50% 2030 Notes, as set forth in the Deed of Trust.

The Deed of Trust contains other terms and conditions, including, without limitation, affirmative and negative covenants, such as minimum total equity (common equity plus preferred equity), a maximum ratio of net debt to total assets, a minimum ratio of total equity (common equity plus preferred equity) to total assets, and a negative pledge. These and other covenants are subject to important limitations and exceptions that are described in the Deed of Trust. In addition, the Deed of Trust contains customary events of default, with customary cure and notice periods, for a notes offering in Israel.

On November 2, 2025, the Company’s shares of common stock listed and commenced trading on the TASE under the ticker symbol “PSEC”.

During the period from November 20, 2025 through December 1, 2025, we repurchased \$34.8 million aggregate principal amount of the 3.364% 2026 Notes at prices ranging from 96.58% to 97.06%, including commissions, plus accrued and unpaid interest.
