Studsvik appoints new president of business area Consultancy Services

Studsvik has today appointed Stefan Bergström, 52, as president of business area Consultancy Services and member of the Studsvik Group Executive Management. Stefan Bergström will take up his position at March 7, 2016.

Stefan Bergström's recent position was as Vice President Asia and Pacific as well as a member of the Executive Management team for Business Sweden (formerly the Swedish Trade Council and Invest Sweden). Stefan Bergström has worked with and been responsible for international sales and global marketing of consulting services in Business Sweden. He was formerly stationed at Business Sweden's office in the United States with responsibility for North- and South America. Stefan Bergström has also a nuclear background with several positions within the former ABB Atom AB (now Westinghouse Electric Sweden).

"Stefan's nuclear background along with long experience of managing and developing consultancy services in a global market will enrich both the business area and the Studsvik Group", says Michael Mononen, CEO Studsvik.
