Viking Supply Ships A/S (VSS) has received an early termination notice of the contract for the Ice-class 1AAHTS "Njord Viking". The vessel has been working for Eni Norge in the Barents Sea and has also been part of the extended towing-preparedness in the area on behalf of the Norwegian Coastal Administration.

The vessel was according to the contract with Eni Norge firm until the end of 2016, with optional periods of 2 x 6 months thereafter. According to the contract VSS will be entitled to a termination fee of approximately USD 13.300/day for the remainder of the firm period.
