

Viking Supply Ships AB announces changes in the financial calendar.

Press release

With reference to previous communication related to the ongoing financial restructuring of Viking Supply Ships A/S: The company has been in discussions with the ad hoc committee of bondholders, representing a majority of the outstanding bonds, regarding an adjusted proposal and has reached an in-principle agreement with the committee. It was expected that the necessary details and approvals of the overall restructuring would be in place to publish the financial report for Q2 2016 on Tuesday 23 August. However, there are still certain outstanding issues in connection with implementation of the global solution. In order to give a more comprehensive and complete overview of the situation, Viking Supply Ships AB has hence decided to postpone the reporting date for Q2 2016.

The report was according to the financial calendar scheduled for 23 August. The new date for the report is 30 August at 08:30.

In conjunction with the publication of the Q2 2016 report, an earnings call will take place on 30 August at 10:00 am (CET). For further information, please see: <http://www.vikingsupply.com/investorrelations>.
