

Fortum has published restated comparison figures in accordance with the organisational changes

FORTUM CORPORATION STOCK EXCHANGE RELEASE 19 MARCH 2019 AT 13.45 EET

Fortum has restated its 2018 comparison segment reporting figures in accordance with the previously communicated organisational changes made in 2018.

In 2018, the development units 'M&A and Solar & Wind Development' and 'Technology and new Ventures' reported within Other Operations were reorganised and parts of the operations moved to the existing divisions. From the beginning of 2019, the management and segment reporting was changed accordingly. The wind business is reported as part of the Generation segment and the solar business as well as the biobased solutions as part of the City Solutions segment. The Russian wind and solar operations continue as a part of the Russia segment.

From the beginning of 2019, Other Operations includes corporate functions, R&D and technology development projects, as well as Fortum's shareholding in Uniper, which is consolidated as an associated company from 30 June 2018.

The restated and previously communicated quarterly information for 2018 is attached to this release.
