## Kemira: Restated segment information for 2008

Reflecting the new strategy announced in June 2008, also Kemira's business structure changed. Kemira began financial reporting according to the new structure from the beginning of 2009. The new reporting segments are Paper, Water, Oil & Mining, Tikkurila and Other. Segment comparatives for 2008 have been adjusted to match the new breakdown as shown in the table below. The figures are unaudited.

In the full year financial statements the 2008 figures were reported according to the earlier segment structure. The new segment structure will be implemented in the January-March interim report to be published on 6 May 2009.

The segment Other includes the ChemSolutions business, i.e. organic acids and salts, as well as corporate expenses not charged to the segments (some research and development costs, the costs of the CEO office).
