The authorization concerns both the issuance of new shares as well as the transfer of treasury shares. By virtue of the authorization, the Board of Directors is entitled to decide on share issues and granting of special rights waiving the pre-emptive subscription rights of the shareholders (directed issue).

The authorization may be used in order to finance or carry out acquisitions or other arrangements, to carry out the company's share-based incentive schemes and to improve the capital structure of the company, or for other purposes decided by the Board of Directors.

The authorization includes the Board of Directors' right to decide on all terms relating to the share issue and granting of special rights including the subscription price, its payment and its entry into the company's balance sheet.

The authorization shall be valid for 18 months from the issue date of the authorization, i.e. until September 13, 2019 and it shall not replace any earlier authorizations on share issue and granting of special rights.
