The number of own shares to be repurchased and/or accepted as pledge on the basis of the authorisation shall not exceed 14,000,000 shares in total, which on the day of the Annual General Meeting corresponded to approximately 8.94 per cent of all shares in the company. Only the unrestricted equity of the company can be used to repurchase own shares on the basis of the authorisation.

Own shares can be repurchased at a price formed in public trading on the date of the repurchase or otherwise at a price formed on the market.

The Board of Directors decides on how own shares will be repurchased and/or accepted as pledge. Shares can be repurchased using, inter alia, derivatives. Own shares can be repurchased otherwise than in proportion to the shareholdings of the existing shareholders (directed repurchase).

Own shares may be repurchased on the basis of the authorisation in order to finance or carry out acquisitions or other business transactions, to develop the company's capital structure, to improve the liquidity of the company's shares, to be disposed for other purposes or to be cancelled. Own shares may be accepted as pledge on the basis of the authorisation in order to finance or carry out acquisitions or other business transactions.

The authorisation cancels the authorisation given to the Board of Directors by the annual general meeting on 17 March 2021 to decide on the repurchase and/or acceptance as pledge of the company's own shares.

The authorisation is effective until the end of the next annual general meeting, however no longer than until 30 June 2023.

### **Authorising the Board of Directors to decide on the issuance of shares as well as the issuance of special rights entitling to shares**

The number of shares to be issued on the basis of the authorisation shall not exceed 14,000,000 shares in total, which on the day of the Annual General Meeting corresponded to approximately 8.94 per cent of all shares in the company.

The Board of Directors decides on all the conditions of the issuance of shares and special rights entitling to shares. The issuance of shares and special rights entitling to shares may be carried out in deviation from the shareholders' pre-emptive rights (directed issue).

The authorisation can be used, for example, to finance and to carry out acquisitions or other business transactions and investments, to improve the capital structure of the company as well as for other purposes determined by the company's board of directors.

The authorisation cancels the authorisation given to the Board of Directors by the annual general meeting on 17 March 2021 to decide on the issuance of shares as well as special rights entitling to shares.

The authorisation is effective until the end of the next annual general meeting, however no longer than until 30 June 2023.
