About CapMan

CapMan is a leading Nordic private asset expert with an active approach to value creation. As one of the private equity pioneers in the Nordics, it has built value in unlisted businesses, real estate, and infrastructure for over three decades. With approx. EUR 5 billion in assets under its management, its objective is to provide attractive returns and innovative solutions to investors. An example of this are the greenhouse gas reduction targets that it has set under the Science Based Targets initiative in line with the 1.5°C scenario as well as a commitment to net zero GHG emissions by 2040. It has a broad presence in the unlisted market through its local and specialised teams. Its investment strategies cover minority and majority investments in portfolio companies and real estate, as well as infrastructure assets. It also provides wealth management solutions. Its service business includes procurement services. Altogether, CapMan employs approximately 180 professionals in Helsinki, Stockholm, Copenhagen, Oslo, London, Luxembourg and Jyväskylä. It has been listed on Nasdaq Helsinki since 2001. Learn more at www.capman.com.
