– I want to thank Eetu for his contribution to Pihlajalinna's Public services at a time when the operating environment has undergone major changes. The start of the wellbeing services counties at the beginning of 2023 has meant long contract negotiations regarding our complete outsourcings and adaptation to the client's new service framework. I wish Eetu all the best in his future ventures, says Pihlajalinna CEO **Tuomas Hyyryläinen**.
