

## **Nurminen Logistics Plc has appointed Petri Luurila as new CIO and member of Group Management Team**

M.B.A Petri Luurila has been appointed as new CIO at Nurminen Logistics Plc. Petri has previously successfully filled similar role at Silta Oy and is currently working at Administer Group.

Petri has strong experience from building digital processes in environments in which routines have previously relied on manual and distributed working routines. Digitalization of international logistics requires industry operators further development and readiness to serve their customers by integrating their functions with customers systems. Current investments in this area are core part on developing Nurminen Logistics Plc profitability in long run.
