Nurminen Logistics Plc

Stock Exchange Release June 16, 2022, at 4.45 pm

Nurminen Logistics will initiate cooperation negotiations in the Niirala and Vainikkala offices concerning the closure or significant reduction of operations. Potential redundancies will be at a maximum of 19 employees.

The cooperation negotiations are based on focusing on the international growth market on rail transport, terminal and multimodal services, and location-independent digital services by Nurminen Logistics' strategy. Decreased traffic in Russia has contributed to the decision to start cooperation negotiations.
