Recommendation	The Company <u>complies</u>	The Company <u>explains</u>
1.1. Communication with the Company’s shareholders, investors and other stakeholders		
1.1.1. The Committee recommends that the Management, through ongoing dialogue and interaction, ensures that shareholders, investors, and other stakeholders gain relevant insight into the Company’s affairs, and that the Board of Directors obtains the possibility to hear and include their views in its work.		Ambu’s Board of Directors and Executive Management ensure an ongoing dialogue with its shareholders, investors, and other stakeholders through the Company’s investor relations activities, such as interim reports and other announcements from the Company. As a minimum, quarterly conference calls are held in connection with the release of interim reports and financial statements and via meetings with investors, analysts, and the media. Interim reports and other announcements are made available on Ambu’s website immediately after publication. The website also contains information used in connection with investor presentations and conference calls. The website, as well as investor presentations, announcements, interim reports, and annual reports are available in English.
1.1.2. The Committee recommends that the Company adopts policies on the Company’s relationships with its shareholders, investors, and, if relevant, other stakeholders, in order to ensure that the various interests are included in the Company’s considerations, and that such policies are made available on the Company’s website.		Ambu is committed to maintaining a constructive dialogue and a high level of transparency when communicating with the Company’s shareholders and other stakeholders. Ambu’s policy on the relationship with its stakeholders forms an integrated part of the Company’s values and of its overall Ambu Code of Conduct. Ambu is also adhering to the Company’s Code of Conduct for Business Partners and Quality Policy. Ambu has an Investor Relations Policy, setting out objectives and strategy regarding communication with our shareholders, investors and other relevant stakeholders. The above-mentioned policies are available on Ambu’s website.
1.1.3. The Committee recommends that the Company publishes quarterly reports. 1.2. The general meeting		
1.2.1. The Committee recommends that the Board of Directors organizes the Company's general meeting in a manner that allows shareholders who are unable to attend the meeting in person, or are represented by proxy at the general meeting, to vote and raise questions to the Management prior to, or at, the general meeting. The Committee recommends that the Board of Directors ensures that shareholders can observe the general meeting via webcast or other digital transmission.	Yes	Ambu's general meetings constitute the actual forum for communication and discussion, as well as the forum where the shareholders voice their opinions and can make decisions. The Board of Directors and the Executive Management encourage shareholders to participate actively at the general meetings. Ambu publishes the date of the annual general meeting in the financial calendar. All shareholders receive a notice convening the general meetings electronically, if they have signed up for this, by providing their e-mail address to Ambu. During the notice period for the general meetings, a proxy and postal voting form, in both Danish and English, are made available on Ambu's website and at the investor portal. In 2024, the annual general meeting was held at Ambu A/S' headquarters in Ballerup. Shareholders were also able to attend via webcast.

The Committee recommends that the Company has a procedure in place in the event of takeover bids, containing a "road map" covering matters for the Board of Directors to consider in the event of a take-over bid, or if the Board of Directors obtains reasonable grounds to suspect that a takeover bid may be submitted. In addition, it is recommended that it appears from the procedure that the Board of Directors abstains from countering any take-over bids by taking actions that seek to prevent the shareholders from deciding on the takeover bid without the approval of the general meeting.	Yes	Ambu has prepared takeover procedures in the event of take-over bids, covering the period from when the Board of Directors has reason to believe that a take-over bid will be made. According to the take-over procedures, the Board of Directors should not, without the acceptance of the general meeting, attempt to counter a take-over bid by making decisions, which prevent the shareholders from deciding on the take-over bid themselves.
