The existing shareholders shall not have pre-emptive right for the warrants.

The warrants can not be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the Company, including by merger or de-merger, the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be

subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants.

If a decision is made before exercise of the warrants concerning 1) increase of capital, issue of warrants, convertible debt instrument of the like, except to employees, consultants or board members of the Company and its subsidiaries, by the means of which the shares can be subscribed for a value lower than the market value, 2) if the Company implements a reduction of capital for coverage of deficit or 3) implements a reduction of capital in the Company with payment to the shareholders and this change involves a reduction or increase of the potential profit according to the warrants, the subscription price hereof and/or the amount of shares shall be regulated, which can be subscribed by exercise of the warrants, so that the potential profit of the warrants will remain unchanged. Warrants to employees of BN Immunotherapeutics, Inc. are, however, subject to additional adjustment provisions.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 3,850,000 by cash payment at a price of DKK 54.10 per share of nominal value DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2013 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this article. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultants. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Warrants may not be reused or reissued to members of the Board of Directors. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration of the Board of Directors and the Management, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2016 to resolve on the related capital increase by a nominal value of up to DKK 3,550,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders.

The new shares issued based on issued, reused or reissued warrants shall have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed - in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Article 5o

In accordance with authorization the Board of Directors has issued 78,500 warrants, providing the right to subscribe for a maximum of 78,500 shares, each with a nominal value of DKK 10 (a total nominal value of 785,000), at a rate of DKK 54 per share of nominal value DKK 10.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's Half Year Report for the year 2015; (2) second time from the day of publication of the Company's Annual Report for the year 2015; (3) third time from the day of publication of the Company's Half Year Report for the year 2016; and/or (4) fourth time from the day of publication of the Company's Annual Report for the year 2016. Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 30 June 2017.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the Company, including by merger or de-merger, the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If, before the warrants have been exercised in full, a resolution is passed 1) to increase the share capital, issue warrants, convertible debt instruments or other instruments to any persons other than the employees, consultants or directors of the Company or its subsidiaries, allowing subscription for shares at a price which is lower than the market value, 2) to implement a share split or reverse share split, issue of own shares, recapitalisation, merger of share classes, changes of the rights attaching to shares in each class or any other distribution of the Company's shares without the Company receiving any compensation (issue of bonus shares), 3) to reduce the Company's share capital to cover any loss, or 4) to reduce the Company's share capital to make distributions to the shareholders, and such change reduces or increases the potential gain on the warrants, the exercise price and/or the number of shares that may be subscribed for by the exercise of warrants must be adjusted to ensure that the potential gain on the warrants remains unchanged. If, before the warrants have been exercised in full, a resolution is passed to reduce the Company's share capital to make distributions to the shareholders, and such change does not reduce or increase the potential gain on the warrants, the terms and conditions for the warrants.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 785,000 by cash payment at a price of DKK 54 per share of nominal DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares

have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2013 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this article. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2017 to resolve on the related capital increase by a nominal value of up to DKK 785,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders.

The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed - in whole or in part. The new shares shall be eligible for dividends from the time of subscription.
