NOVONIX Announces Participation in Upcoming Investor Events

BRISBANE, Australia, February 25, 2024 - NOVONIX Limited (NASDAQ: NVX, ASX: NVX) ("NOVONIX"), a leading battery materials and technology company, today announced that members of the executive team are scheduled to participate in the following upcoming investor events in February and March 2024:

- Baird 2024 Vehicle Technology & Mobility Conference to be held virtually on February 29, 2024; and
- Gabelli Funds 15th Annual Specialty Chemical Symposium to be held March 14, 2024, in New York City.

NOVONIX management will be available to host one-on-one and group investor meetings during the conferences. Presentation materials and available webcast links will be available prior to each event on the NOVONIX [investor relations website](#).

This announcement has been authorized for release by NOVONIX Chairman, Admiral Robert J. Natter, USN Ret.

About NOVONIX

NOVONIX is a leading battery technology company revolutionizing the global lithium-ion battery industry with innovative, sustainable technologies, high-performance materials, and more efficient production methods. The company manufactures industry-leading battery cell testing equipment, is growing its high-performance synthetic graphite anode material manufacturing operations, and has developed an all-dry, zero-waste cathode synthesis process. Through advanced R&D capabilities, proprietary technology, strategic partnerships, and as a leading North American supplier of battery-grade synthetic graphite, NOVONIX has gained a prominent position in the electric vehicle and energy storage systems battery industry and is powering a cleaner energy future.
