Company Announcement No. 25-2010:

Reports in the Brazilian media

It has been reported in the Brazilian media that FLSmidth has signed a contract with Votorantim Cimentos for supply of equipment for five cement plants in Brazil.

FLSmidth confirms that this information is correct. If and when the contract is finalised and becomes binding, we shall immediately inform the market.

FLSmidth is continuously negotiating many potential contracts on the global market. To be considered binding, such contracts require not only signing but also exchange of down payment and guarantees, etc.

Yours faithfully
