Company Announcement No. 14-2012:

FLSmidth receives large mill order

FLSmidth has been awarded a contract worth approximately USD 38m (approximately DKK 213m) for equipment supplies to a copper mine in the CIS region.

The contract includes the delivery of one large SAG mill and two of the world's largest ball mills.

"This order strengthens our position on the growing copper market further. As a consequence of the very positive macro trend for copper it is one of the six key industries which we have an ambition of being market leader and preferred supplier within and which therefore are given top priority," Group CEO Jørgen Huno Rasmussen comments.

The order will contribute beneficially to FLSmidth's earnings until 2014.

Please address any questions regarding this announcement to Group Chief Executive Officer Jørgen Huno Rasmussen, FLSmidth & Co. A/S at +45 36 18 18 00.
