Company Announcement No. 39-2012:

Order backlog correction to the Q3 quarterly report 2012

Referring to FLSmidth's Q3 quarterly report (see stock exchange announcement No. 37-2012) published 13 November 2012, FLSmidth need to clarify that an amount of approximately DKK 600m by mistake has been left out of the Non-Ferrous Division order backlog and hence also the Group order backlog.

This means that FLSmidth's order backlog at the end of Q3 2012 was DKK 31.8bn.

Yours faithfully

Pernille Friis Andersen Corporate Communications & Investor Relations
