Company Announcement No. 25-2013:

Reports in the media regarding new order

Reports in Qatari media state that FLSmidth has entered into an agreement with Qatari Investors Group for supply of equipment and machinery for a cement plant in Qatar.

FLSmidth confirms that negotiations about supply of equipment to the cement plant are currently taking place. If and when a contract is finalised and becomes binding, we shall immediately inform the market.

FLSmidth is continuously negotiating many potential contracts on the global market. To be considered binding, such contracts require not only signing but also exchange of down payment and guarantees, etc.

Yours faithfully
