Cleansing Notice Update

MINNEAPOLIS, United States and **BRISBANE, Australia July 31, 2026: Anteris Technologies Global Corp.** (**Anteris** or the **Company**) (NASDAQ: AVR, ASX: AVR) advises that on July 10, 2026, 44,068 CHESS Depositary Interests (**CDIs**) were issued following the exercise of certain November 2025 warrants. Due to an administrative oversight, a cleansing notice under section 708A(6) of the Corporations Act 2001 (Cth) (**Corporations Act**) was not lodged within the prescribed 5 business day period. Anteris intends to lodge a cleansing notice today in relation to the issue of the CDIs notwithstanding it is outside of the prescribed period.

Anteris understands the CDIs issued have been sold.

Anteris will submit an application to the Federal Court shortly seeking orders for relief under section 1322 of the Corporations Act and seeking an extension of time to lodge the cleansing notice, deeming it to be effective from the date of issue of the relevant CDIs.

The Company does not consider the oversight to be price sensitive and the Company did not possess excluded information (as defined in section 708A(7) of the Corporations Act) at the time of issue of the CDIs.

Anteris will keep the market informed as to the progress of the application.

Trading on The Nasdaq Stock Market is not impacted.
