

Vestas has signed a conditional agreement for onshore projects in Brazil with a total capacity of 1.3 GW

Vestas Wind Systems A/S, Aarhus, 28 February 2023
Company Announcement No. 03/2023

Vestas has signed a conditional agreement for two wind power projects in Brazil with a combined capacity of 1.3 GW.

If and when the projects translate into a firm and unconditional order according to Vestas' definition, the company will disclose a company announcement about this.
