

Vestas has signed a conditional agreement for an onshore wind power project above 1 GW in the USA

Vestas Wind Systems A/S, Aarhus, 31 August 2023
Company Announcement No. 15/2023

Vestas has signed a conditional agreement for the supply of turbines for an onshore project in the USA with a capacity above Vestas' current disclosure threshold of 1 GW.

If and when the agreement translates into a firm and unconditional order, Vestas will disclose this in a company announcement in accordance with the company's disclosure policy.
