Major shareholder announcement

Copenhagen, Denmark, May 3, 2024 – Pursuant to section 38(1) of the Danish Capital Markets Act, Aquaporin A/S (ticker: AQP) ("**Aquaporin**" or the "**Company**") hereby notifies receipt of major shareholder notification.

Aquaporin has received notification that as a result of the dilution resulting from the completion of the rights issue (as announced by Aquaporin in a company announcement published on April 29, 2024), InterChina Water Treatment Hong Kong Company Ltd's ("**ICW**") shareholding continues to be a total of 809,590 shares of a nominal value of DKK 1 each, which now corresponds to 3.5% of the total share capital and voting rights in Aquaporin.

ICW is a limited liability company organised under the laws of Hong Kong under the registration number 1664330 with its registered address at Room 1003 10/F Tower 1 LIPPO Centre 89 Queensway Admiralty HK. ICW is ultimately controlled by Heilongjiang InterChina Water Treatment Co., Ltd.

This company announcement is being made in accordance with section 30 of the Danish Capital Markets Act.

About Aquaporin A/S

Aquaporin is an innovative water technology company with operations in Denmark (HQ), Singapore, Turkey, the United States, and China. We are committed to rethinking water filtration with biotechnology to solve global water challenges. By combining three disciplines from the world of natural sciences: biology, chemistry, and physics, we have created the unique, nature-inspired Aquaporin Inside® technology which we embed into all our membranes and solutions. Our technology is based on Nobel Prize-winning research and is used to clean and reuse water in industries, in our homes, and even by NASA in space. We work with customers and partners around the globe to responsibly treat industrial wastewater, concentrate food and beverage products in a natural way, and enhance drinking water quality and accessibility.
