About HusCompagniet

HusCompagniet is a leading provider of detached houses in Denmark with a growing position in the market for semi-detached houses for both private house owners and professional investors. The activities in the semi-detached segment are strongly supported by the ability to provide prefabricated wood frames from the HC Elements factories in Esbjerg as well as in Sweden, where HusCompagniet produces prefabricated wood-framed houses through its VårgårdaHus brand.

The Group operates an asset-light and flexible delivery model with on-site building, primarily on customer-owned land. Construction is outsourced to subcontractors, and visibility of the order book enables a flexible cost base.

HusCompagniet has showrooms and showhouses in Denmark and Sweden. The offering includes the high-end business unit FORMIUM for exclusive detached houses, and HusOnline, a digital online sales platform. Morrow is HusCompagniet's innovative and scalable semi-detached housing concept, offering wood constructions with a climate footprint significantly below legal requirement.

HusCompagniet currently has around 450 employees dedicated to maintaining the Group's industry-leading customer satisfaction level and co-creating the homes of tomorrow – today.
