Company Registration No. 32266355

20 November 2017

NOT FOR PUBLICATION, DISTRIBUTION OR RELEASE IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA OR CANADA, AUSTRALIA, JAPAN OR ANY OTHER JURISDICTION WHERE SUCH DISTRIBUTION OR RELEASE WOULD BE UNLAWFUL

No termination or withdrawal of Orphazyme's IPO

With reference to company announcements no. 2/2017 dated 6 November 2017 and no. 5/2017 dated 16 November 2017, Orphazyme A/S ("Orphazyme") today announces that it has received confirmation from the Joint Global Coordinators, on behalf of the managers, acting as underwriters that none of the termination rights of the underwriters provided for in the underwriting agreement dated 6 November 2017 have been invoked. The Initial Public Offering (the "IPO") and admission to trading and official listing of Orphazyme on Nasdaq Copenhagen A/S ("Nasdaq Copenhagen") will therefore not be terminated or withdrawn.

Subject to the registration of the new shares subscribed for in connection with the IPO with the Danish Business Authority, the IPO is considered completed with the admission to trading and official listing on Nasdaq Copenhagen becoming unconditional. A separate company announcement will be published in this regard.

Bank Syndicate

Carnegie and Danske Bank are acting as Joint Global Coordinators and Joint Bookrunners, and Oddo BHF SCA is acting as Co-Lead Manager for the IPO.

About Orphazyme

Orphazyme is a Danish biotech company with a late stage orphan drug pipeline, developing new treatment options for orphan protein misfolding diseases. The Company was founded in 2009 based on early scientific discovery in heat shock proteins ("HSPs"). Since inception, the Company has translated scientific discovery into a late stage clinical development programme. The Company is headquartered in Copenhagen and currently has 30 employees.

The Company focuses on severe and mostly fatal diseases with a high unmet need, and with a particularly strong commitment to neuromuscular diseases and a group of severe genetic diseases called lysosomal storage diseases. The Company plans to pursue development of its lead candidate through to registration in the EU and the United States after which launch and commercialisation is expected to be undertaken by the Company.

The lead candidate arimoclomol is in development as a potential treatment for four orphan diseases; two neuromuscular diseases, sporadic Inclusion Body Myositis ("sIBM") and Amyotrophic Lateral Sclerosis ("ALS"), and two lysosomal storage diseases, Niemann Pick type C ("NPC") and Gaucher disease.

Important notice

This announcement is not an offer to sell or a solicitation of any offer to buy any securities issued by Orphazyme A/S (the "Company") in any jurisdiction where such offer or sale would be unlawful and the announcement and the information contained herein are not for distribution or release, directly or indirectly, in or into such jurisdictions.

This announcement and the information contained herein are not for distribution in or into the United States of America (including its territories and possessions, any state of the United States of America and the District of Columbia) (the "United States"). This document does not constitute, or form part of, an offer to sell, or a solicitation of an offer to purchase, any securities of the Company in the United States. The securities of the Company have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") and may not be offered or sold within the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. There is no intention to register any securities referred to herein in the United States or to make a public offering of the securities in the United States.

In any member state of the European Economic Area ("EEA Member State"), other than Denmark, that has implemented Directive 2003/71/EC as amended (together with any applicable implementing measures in any member State, the "Prospectus Directive"), this communication is only addressed to and is only directed at investors in that EEA Member State who fulfil the criteria for exemption from the obligation to publish an offering memorandum, including qualified investors, within the meaning of the Prospectus Directive as implemented in each such EEA Member State.

This announcement is only being distributed to and is only directed at (i) persons who are outside the United Kingdom or (ii) to investment professionals falling within Article 19(5) of the U.K. Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order") or (iii) high net worth entities falling within Article 49(2)(a) – (d) of the Order (the persons de-scribed in (i) through (iii) above together being referred to as "relevant persons"). The securities are only available to, and any invitation, offer or agreement to subscribe, purchase or otherwise acquire such securities will be engaged in only with, relevant persons. Any person who is not a relevant person should not act or rely on this announcement or any of its contents.

In connection with the offering, Danske Bank A/S (the "Stabilising Manager") (or persons acting on behalf of the Stabilising Manager) may over-allot securities or effect transactions with a view to supporting the market price of the securities at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager (or persons acting on behalf of the Stabilising Manager) will undertake stabilisation. Any stabilisation action may begin on or after the date of commencement of trading and official listing of the securities on Nasdaq Copenhagen A/S and, if begun, may be ended at any time, but it must end no later than 30 days after the date of commencement of trading and official listing of the securities.
