Aarsleff announces upward adjustment

The preparation of the financial statements of Per Aarsleff A/S has almost been completed, and we are now able to establish that the profit for the year is above the previously announced expectations for a profit for the year of DKK 120 million before tax announced during the financial year.

The company now expects a profit for the year of DKK 133 million before tax against DKK 66 million the year before – or a twofold increase.

The preliminary announcement of financial statements will be announced on 21 December 2011 as planned.
